## **A History of the World Philip Smith,1882**

*The History of the Church from the Creation to the Commencement of the Nineteenth Century in the Form of Question and Answer. Revised, Edited and Prefaced by J. Brewster Alexander* Smith PATERSON,1830

*The Rubber Band/The Red Box 2-in-1* Rex Stout,2013-07-17 A grand master of the form, Rex Stout is one of America's greatest mystery writers, and his literary creation Nero Wolfe is one of fiction's greatest detectives. Here, in Stout's third and fourth complete Wolfe mysteries, the arrogant, gourmandizing, sedentary sleuth and his trusty man-about-town, Archie Goodwin, solve two of their most baffling cases. *The Rubber Band* What do a Wild West lynching and a respected English nobleman have in common? On the surface, absolutely nothing. But when a young woman hires his services, it becomes Nero Wolfe's job to look deeper and find the connection. A forty-year-old pact, a five-thousand-mile search, and a million-dollar murder are all linked to an international scandal that could rebound on the great detective and his partner, Archie, with fatal abruptness. *The Red Box Murder by chocolate?* That's the premise Nero Wolfe must operate from when a beautiful woman is poisoned after indulging in a box of candy. It's a case that the great detective—no stranger himself to overindulgence—is loath to take for a variety of reasons, including that it may require that he leave his comfortable brownstone. But he and Archie are compelled by a mystery that mixes high fashion and low motives...and a killer who may have made the deadliest mistake.

*Some Buried Caesar/The Golden Spiders* Rex Stout,2008-09-30 "Nero Wolfe towers over his rivals...he is an exceptional character creation." —New Yorker A grand master of the form, Rex Stout is one of America's greatest mystery writers, and his literary creation Nero Wolfe is one of fiction's greatest detectives. Here, in this special double edition, the arrogant, gourmandizing, sedentary sleuth and his trusty man-about-town, Archie Goodwin, solve two of their most bizarre cases. *Some Buried Caesar* A prize bull destined for the barbecue is found pawing the corpse of a late restaurateur. Wolfe is certain that Hickory Caesar Grindon, the soon-to-be-beefsteak bull, isn't the murderer. But who among a veritable stampede of suspects—including a young woman who's caught Archie's eye—turned the tables on Hickory's would-be butcher? It's a crime that wins a blue ribbon for sheer audacity—and Nero Wolfe is the one detective audacious enough to solve it. *The Golden Spiders* A twelve-year-old boy shows up at Wolfe's brownstone with an incredible story. Soon the great detective finds himself hired for the grand sum of \$4.30 and faced with the question of why the last two people to hire him were murdered. To keep it from becoming three, Wolfe must discover the unlikely connection between a gray Cadillac, a mysterious woman, and a pair of earrings shaped like spiders dipped in gold.

*Too Many Cooks/Champagne for One* Rex Stout,2013-07-17 A grand master of the form, Rex Stout is one of America's greatest mystery writers, and his literary creation Nero Wolfe is one of fiction's greatest detectives. In this pair of classic Nero Wolfe mysteries, Stout is at his unparalleled best as the arrogant, gourmandizing, sedentary sleuth and his trusty man-about-town, Archie Goodwin, are served two lethally appetizing cases. *Too Many Cooks* Everyone knows that too many cooks spoil the broth, but you'd hardly expect it to lead to murder. But that's exactly what's on the menu at a five-star

gathering of the world's greatest chefs. As guest of honor, Wolfe was lured from his brownstone to a posh southern spa to deliver the keynote address. He never expected that between courses of haute cuisine he and Archie would be compelled to detect a killer with a poison touch—a killer preparing to serve the great detective his last supper. Champagne for One Faith Usher talked about taking her own life and even kept cyanide in her purse. So when she died from a lethal champagne cocktail in the middle of a high society dinner party, everyone called it suicide—including the police. But Nero Wolfe isn't convinced—and neither is Archie. Especially when Wolfe is warned by four men against taking the case. Deception, blackmail, and a killer who may have pulled off the perfect crime...it's a challenge Nero Wolfe can't resist.

**Fer-de-Lance/The League of Frightened Men** Rex Stout, 2013-07-17 A grand master of the form, Rex Stout is one of America's greatest mystery writers, and his literary creation Nero Wolfe is one of fiction's greatest detectives. Here, in Stout's first two complete Wolfe mysteries, the arrogant, gourmandizing, sedentary sleuth and his trusty man-about-town Archie Goodwin solve their most baffling cases. Fer-de-lance The fer-de-lance is among the most deadly snakes known to man. When someone makes a present of one to Nero Wolfe, his partner, Archie Goodwin, suspects it means Wolfe is getting close to solving the devilishly clever murders of an immigrant and a college president. But this is a case with more twists than an angry rattler...and if Wolfe doesn't handle it with extreme care, he'll be the next one struck by a killer with poison in his heart. The League of Frightened Men Paul Chapin's Harvard cronies never forgave themselves for the hazing prank that left their friend a cripple. Yet they believed that Paul himself had forgiven them—until a class reunion ends in death and a series of poems promising more of the same. Now this league of frightened men is desperate for Nero Wolfe's help. But can even the great detective outwit a killer smart enough to commit an unseen murder...in plain sight?

**Dissidence and Literature Under Nero** Vasily Rudich, 2013-05-13 This work inquires into the impact of dissident sensibilities on the writings of the major Neronian authors. It offers a detailed and innovative analysis of essays, poetry and fiction written by Seneca, Lucan and Petronius, and illuminates their psychological and moral anguish. The study is intended as a companion volume to Vasily Rudich's earlier work Political Dissidence under Nero: The Price of Dissimulation, where he discussed the ways in which 'dissident sensibilities' of the Neronians affected their actual behaviour. Dissidence and Literature under Nero extends this analysis to show how the same sensibilities became manifest in the texts written by the Neronian authors. It explores the pressures on authors under a repressive regime, who strive to maintain their artistic integrity. Thus the argument of this book can be seen as a comparison between the predicament of a Neronian dissident and the situation of the postmodern intellectual. It will interest professional classicists and the wider audience concerned with the ongoing debate on the benefits and perils of rhetorical discourse.

Creation and Cosmos - The Literal Values of Genesis Garrison Clifford Gibson, 2012-11-27 There are many questions that intelligent people have about the Bible, science and evolution theory. Finding intelligent answers is difficult. The problem is that specialization is required in the sciences, in philosophy and theology, so people tend to pick one and disregard the others. There aren't so many people that consider all three fields with much depth of

understanding. I made a try at that and wrote a book that is free to download. It is not only difficult to understand all three fields, it is difficult to select what should be written about, and difficult to write well. I didn't by any means cover everything; there is lots to cover.

**Subcultures** Christopher T. Conner, 2022-02-17 *Subcultures* is delightful reading for those who are interested in groups at the fringes of society such as Dead heads, members of the LGBTQ culture, gamers, and even subcultural elements of some alt-right groups.

**Nero in Opera** Gesine Manuwald, 2013-05-28 This book considers the story of Nero and Octavia, as told in the pseudo-Senecan *Octavia* and the works of ancient historiographers, and its reception in (early) modern opera and some related examples of other performative genres. In total the study assembles more than 30 performative texts (including 22 librettos), ranging chronologically from *L'incoronazione di Poppea* in 1642/43 until the early 20th century, and provides detailed information on all of them. In a close examination of the libretto (and dramatic) texts, the study shows the impact and development of this fascinating story from the beginnings of historical opera onwards. The volume demonstrates the various transformations of the characters of Nero and his wives and of the depiction of their relationship over the centuries, and it looks at the tension between "historical" elements and genre conventions. The book is therefore of relevance to literary scholars as well as to readers interested in the evolution of Nero's image in present-day media.

**The Creators** Daniel J. Boorstin, 2012-04-11 By piecing the lives of selected individuals into a grand mosaic, Pulitzer Prize-winning historian Daniel J. Boorstin explores the development of artistic innovation over 3,000 years. A hugely ambitious chronicle of the arts that Boorstin delivers with the scope that made his *Discoverers* a national bestseller. Even as he tells the stories of such individual creators as Homer, Joyce, Giotto, Picasso, Handel, Wagner, and Virginia Woolf, Boorstin assembles them into a grand mosaic of aesthetic and intellectual invention. In the process he tells us not only how great art (and great architecture and philosophy) is created, but where it comes from and how it has shaped and mirrored societies from Vedic India to the twentieth-century United States.

**Justice Ends at Home and Warner & Wife** Rex Stout, 2018-06-14 *Justice Ends at Home* was originally published in the Pulp magazine *All-Story Weekly*. It is both a legal thriller and a detective story. All scholars of Stout's work agree that its main characters, the phlegmatic, middle-aged Simon Leg and his youthful assistant Dan Culp, are Nero Wolfe and Archie Goodwin already living, perhaps subconsciously, in the mind of Rex Stout eighteen years before *Fer-de-Lance* was written. *Warner & Wife* was originally published in January 30, 1915 issue of the Pulp magazine *All-Story Cavalier Weekly*. It is sort of a legal thriller, the story of a partnership fifteen years in the making. This is one of the novella length stories written by Rex Stout for the Pulp almost two decades before Nero Wolfe and Archie Goodwin were born.

**Exemplum** John D. Lyons, 2014-07-14 Examples, crucial links between discourse and society's view of reality, have until now been largely neglected in literary criticism. In the first book-length study of the rhetoric of example, John Lyons situates this figure by comparing it with more frequently studied tropes such as metaphor and synecdoche, discusses meanings of the

terms example and exemplum, and proposes a set of descriptive concepts for the study of example in early modern literature. Tracing its paradoxical nature back to Aristotle's Rhetoric, Lyons shows how exemplary rhetoric is caught between often competing aims of persuasive general statement and accurate representation. In French and Italian texts of the sixteenth and seventeenth centuries this dual task was rendered still more challenging by a transition to new sources of examples as the age of discovery brought increased emphasis on observation. The writers of this period were aware of a crisis in exemplary rhetoric, a situation in which serious questions were raised about how authors and audience would find a common ground in interpreting representative instances. Lyons's focus on the strategy of example leads to new readings of six major writers--Machiavelli, Marguerite de Navarre, Montaigne, Pascal, Descartes, and Marie de Lafayette. Originally published in 1990. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

**New Creation in Paul's Letters** T. Ryan Jackson,2016-08-19 T. Ryan Jackson explores the Apostle Paul's conception of new creation. He proposes that Paul's concept of new creation is an expression of his eschatologically infused soteriology which involves the individual, the community, and the cosmos, and which is inaugurated in the death and resurrection of Christ.
