**Writers.net** Gary Gach,1997 Most writers today are more familiar with printers and modems than with typewriter ribbons. Personal computers and the Internet are changing the way writers create and communicate. With twenty-four-hour information and instant memory, these modern conveniences are radically altering the face of the literary community. In *writers.net*, veteran Internet trainer and best-selling author Gary Gach gives writers of every medium valuable insight into using the Net in many aspects of their writing. From poetry and romance to technical writing and science fiction, Gach directs writers to appropriate forums, magazines, publishers, home pages, and many other resources that will help writers stay on top of developments in their field of specialty. *Writers.net* also covers the most common uses of the Internet for writers including finding writing assignments, conducting research, improving one's writing, and carrying on discussions with other writers. For those new to the Internet, Gach provides an Internet Primer for Writers that includes basic terminology, a guided tour, and an essay that puts the Net in perspective for beginners. He also discusses the new worlds of electronic publishing, interactive and collaborative writing, Net censorship, and cyberjournalism. Getting information from the Internet can be like trying to get a glass of water off an open fire hydrant, warns Gach, but with *writers.net*, writers now have a handbook to help them control the unlimited resources that make up the Internet. **Net.wars** Wendy Grossman,1997

**Voices from the Net** Clay Shirky,1995 Although Lee surrendered at Appomattox Court House in April, 1865, some Confederates refused to abandon their cause. *Fallen Guidon*, originally published in 1962 by Jack Rittenhouse's Stagecoach Press in 1962, is the gripping story of one such group of men who, rather than surrender, boldly decided to follow their cavalry flag or guidon south and transplant their imperialistic vision in the troubled soil of Mexico. This little-remembered episode of the Trans-Mississippi Civil War was written as a popular history by the late Edwin Adams Davis, a respected scholar of southern and Civil War history. General Jo Shelby had led the Missouri Cavalry Division through battles at Westport, Mine Creek, Newtonia, and elsewhere. Shelby's men were all recruits rather than draftees, fiercely loyal, and they followed the code of chivalry to a degree unusual even in the old South. While preparing to march against the Federals at Little Rock, they heard of Lee's surrender. In a meeting at Marshall, Texas, Shelby announced, We will stand together, we will keep our organization, our arms, our discipline, our hatred of oppression . . . that this Missouri Cavalry Division preferred exile to submission—death to dishonor. Having heard that the U.S. government wanted the Habsburg emperor Maximilian out of Mexico and that Lincoln liked the idea of ex-Confederates joining forces with Benito Juarez to oust Maximilian and his French military forces, Shelby formed his plan. Shelby believed he had found a way to save their honor and at the same time spread their lost southern empire to a new land, where riches and glory surely awaited them. Shelby and his men marched through Texas, stopping in Corsicana, Tyler, Waxahachie, Waco, Austin, Houston, and San Antonio, declaring martial law and forcibly quelling local outbreaks of looting and rioting where they found it. At the Rio Grande, in a funereal memorial, they buried their Confederate battle flag in the murky waters before heading into Mexico. Shelby's men did not want to support Benito

Juarez's liberal guerrillas, however. Identifying themselves as imperialists, they wanted to fight gloriously for Emperor Maximilian. In pitched battles against the local Juaristas and isolated guerrillas and bandits, they spilled blood from Piedras Negras to Mexico City and even undertook the chivalrous and bloody rescue of a woman imprisoned in a hacienda. Once in Mexico City, Shelby's Iron Brigade discovered its march to have been futile, and in a bittersweet final review, Shelby said good-bye.
