Mary B. Morrison

How to Read a Poem Thomas H. Ford, 2021-07-11 How to Read a Poem is an introduction to creative reading, the art of coming up with something to say about a text. It presents a new method for learning and teaching the skills of poetic interpretation, providing its readers with practical steps they can use to construct perceptive, inventive readings of any poem they might read. The Introduction sets out the aims of the book and provides some basic operating principles for applying the seven steps. In each subsequent chapter, the step is introduced and explained, relevant points of interpretative theory and methodology are discussed and illustrated with multiple examples, and the step is put into practice in a final section. Through these final sections, step by step, the book develops an extended reading of a single poem, Letitia Landon's Lines Written under a Picture of a Girl Burning a Love-Letter from 1822. That reading is sustained across the whole arc of the book, providing a detailed worked example of how to read a poem. This accessible and enjoyable guide is the ideal introduction to anyone approaching the detailed study of poetry for the first time and offers valuable theoretical insights for those more experienced in the area.

Head Games Mary B. Morrison, 2019-03-26 From childhood games to career challenges, Trymm, Dallas, Kohl, and Blitz have stayed the best of friends - and each others' competition. These bachelors live to party up, sex it down, and get it all. And now they're betting on which of them date-and-dump the most women in and a month - and post the proof on social media. Winner takes all: a cool million dollars. But this game is about to get all-too-real... Trymm has no problem bedding women looking for quick-and-dirty satisfaction... until he falls hard for one he can't have. A cynical ex-soldier battling PTSD, Dallas woos a hopeful bride to exhaust her savings for picket-fence promises - just to humor his boys. Kohl enjoys his best one-night stand with a mysterious beauty - but his recklessness backfires big time after he exposes her. And Blitz thinks he's giving a powerful Fortune 500 executive the business - until he gets played... Now everything they care about most - money, family, and friendship - is on the line. All the right moves won't keep them safe, especially from each other. And the only way out of the game is to concede or risk everything on a dangerous gamble they can only lose--Back cover.
