Clipchamp Video Editor Made Easy: Creating Memories Like a Pro James Bernstein,2023-01-04 Video editing software has been around for many years and for many years only people who were in the movie business or had a large budget could afford to use such software. Even when your average home videographer was able to afford their own video camera, they still had no reasonable way to edit their movies. Now that everyone has a smartphone and considers themselves a professional movie maker, the need to edit their own footage has dramatically increased. Thankfully, Microsoft has a free app built into Windows that allows anyone with a camera and a computer to make some great looking movies. And if you arent running Windows, you can still use Clipchamp from their website to edit your videos. If you have some basic computer skills and a little creativity, it's not too difficult to create your own movies that will make your viewers think you are a video editing pro. You can even use the footage from your smartphone to create custom videos and add all kinds of fun effects, text and music to your movies. The goal of this book is to get you up and running with the Clipchamp Video Editor and cover all the things you need to know to get you started on making great looking videos without confusing you at the same time. It sticks with the basics yet covers a wide variety of topics to help you achieve some great looking results without needing to be a movie editing expert. The chapters in the book cover the following topics: Chapter 1 - Getting Started Chapter 2 - Importing Videos Into a New Project Chapter 3 - Editing Your Videos Chapter 4

– Exporting Your Videos Chapter 5 – Additional Features About the Author James Bernstein has been working with various companies in the IT field for over 20 years, managing technologies such as SAN and NAS storage, VMware, backups, Windows Servers, Active Directory, DNS, DHCP, Networking, Microsoft Office, Exchange, and more. He has obtained certifications from Microsoft, VMware, CompTIA, ShoreTel, and SNIA, and continues to strive to learn new technologies to further his knowledge on a variety of subjects. He is also the founder of the website OnlineComputerTips.com, which offers its readers valuable information on topics such as Windows, networking, hardware, software, and troubleshooting. Jim writes much of the content himself and adds new content on a regular basis. The site was started in 2005 and is still going strong today.

Kanazawa David Joiner,2022-01-25 In Kanazawa, the first literary novel in English to be set in this storied Japanese city, Emmitt’s future plans collapse when his wife, Mirai, suddenly backs out of negotiations to purchase their dream home. Disappointed, he’s surprised to discover Mirai’s subtle pursuit of a life and career in Tokyo, a city he dislikes. Harmony is further disrupted when Emmitt’s search for a more meaningful life in Japan leads him to quit an unsatisfying job at a local university. In the fallout, he finds himself helping his mother-in-law translate Kanazawa’s most famous author, Izumi Kyoka, into English. While continually resisting Mirai’s efforts to move to Tokyo, Emmitt becomes drawn into the mysterious death thirty years prior of a mutual friend of Mirai’s parents. It is only when he and his father-in-law climb the mountain where the man died that he learns the somber truth, and in turn discovers what the future holds for him and his wife. Packed with subtle literary allusion and closely observed nuance, with an

intimacy of emotion inexorably tied both to the cityscape and Japan's mountainous terrain, Kanazawa reflects the mood of Japanese fiction in a fresh, modern incarnation.

A New Kind of Leader Reggie Joiner,2017-01-20 You probably have a short list of people who impacted you during your childhood and teenage years. When those individuals intersected with your world, they became a new kind of leader for you. They were not new in the sense that they had never led anything before or they were radically different from other leaders. They were new because … their influence gave you a new direction. their belief in you gave you a new sense of worth. they showed up at a new phase of your life, and their faith helped you solidify your faith in a new and authentic way. If someone showed up for you, then the question is, "How will you show up for someone else?" A New Kind of Leader, by Reggie Joiner, explores seven beliefs and practical applications that will cause you to reimagine how you influence the next generation. Because when you hold the door open for a kid, you hold the door open for the future.
