The 15-Minute Inbox Joost Wouters,2013-01-19 The 15-Minute Inbox is one of the few 'how-to' books that really delivers on its promise. After just a week and a half and only halfway through the book, I had my first empty inbox experience, the dream of any email enslaved professional. While this book is very practical and has an almost instant pay-back, it covers the issue of managing your email and thus your time in a holistic way. It contains essential tips and tricks but also goes into the mindset and conceptions we all have and that prevent us from being more efficient and more effective. We take driving lessons before we can take a car to the road. In the same way, you should read this book before you start using email.
