Dogs Close Up SETH. LYNCH,2022-07-30 Whether a dog has ears that point up or droop down, they are some of the most popular pets around! What other body features do dogs share? They all have a coat, four legs, and much more that readers learn about in this book! Written especially for emergent readers at a low ATOS level, the main text covers the similarities between different kinds of dogs while also celebrating their different looks. Full-color photographs directly correlate with the text to aid in understanding. It's time to see dogs close up!

Philosophical Perspectives on Depiction Catharine Abell,Katerina Bantinaki,2010-07-08 Depiction plays as important a role as language in our culture and communication, but its function is still not well understood. This volume of specially written essays by leading philosophers investigate the nature and value of depiction and its role in our understanding of the world. They set the agenda for the philosophy of depiction.
