Ghostbuster's Daughter Violet Ramis Stiel,2018-06-05 From the daughter of comedy legend Harold Ramis (and featuring a Foreword by Seth Rogen) comes a hilarious and heartwarming account of his life, work, and legacy. Most of us know Harold Ramis as the writer, director, and actor who brought warmth and humor to the big screen in classics like Animal House, Caddyshack, Ghostbusters, National Lampoon's Vacation, and Groundhog Day. To his daughter, Violet, he was best known as an amazing father, confidant, and friend. In Ghostbuster's Daughter, Violet reflects on the life and legacy of her father, providing readers with an extraordinarily candid and insightful look into the man who helped shape modern American comedy. Funny, endearing, and vulnerable, Ghostbuster's Daughter takes readers into the private life of the American comedy icon, from his humble roots in Chicago and ascension into Hollywood stardom to his personal philosophies on life, love, and filmmaking. While the book offers a comprehensive history of her father's career, Ghostbuster's Daughter also provides a profound homage to their special father-daughter relationship. Violet weaves anecdotes about her father's unique and devoted parenting style among stories of her own unconventional upbringing, creating a vivid and dynamic portrait of the man behind the movies. A distinctly offbeat memoir as well as a charming family story for the ages, Ghostbuster's Daughter is an intimate look at one of America's preeminent comedy filmmakers.

My Son Marshall, My Son Eminem Debbie Nelson,2008 To this day Debbie Nelson is asked why she abandoned her son Marshall as a boy, beat him repeatedly, and then had the audacity to dog him with lawsuits when he became rich and famous. My Son Martial, My Son Eminem is her rebuttal to these widely believed lies-a poignant story of a single mother who wanted the world for her son, only to see herself defamed and shut out when he got it. Debbie Nelson encouraged her talented son to chase success-even when Eminem hijacked her good name in his lyrics and press for street cred, a movie that ultimately alienated them from each other by the notoriety and bitterness it spawned. In My Son Marshall, My Son Eminem,

Debbie Nelson details the real story of Eminem's life from his earliest days in a small town in Missouri and his teenage years in Detroit, to his rise to stardom and very public mom-bashing.

Fanocracy David Meerman Scott, Reiko Scott, 2020-01-07 A Wall Street Journal bestseller From the author of *New Rules of Marketing & PR*, a bold guide to converting customer passion into marketing power. How do some brands attract word-of-mouth buzz and radical devotion around products as everyday as car insurance, b2b software, and underwear? They embody the most powerful marketing force in the world: die-hard fans. In this essential book, leading business growth strategist David Meerman Scott and fandom expert Reiko Scott explore the neuroscience of fandom and interview young entrepreneurs, veteran business owners, startup founders, nonprofits, and companies big and small to pinpoint which practices separate organizations that flourish from those stuck in stagnation. They lay out a road map for converting customers' ardor into buying power, pulling one-of-a-kind examples from a wide range of organizations, including: · MeUndies, the subscription company that's revolutionizing underwear · HeadCount, the nonprofit that registers voters at music concerts · Grain Surfboards, the board-building studio that willingly reveals its trade secrets with customers · Hagerty, the classic-car insurance provider with over 600,000 premier club members · HubSpot, the software company that draws 25,000 attendees to its annual conference For anyone who seeks to harness the force of fandom to revolutionize his or her business, *Fanocracy* shows the way.

Hold On, But Don't Hold Still Kristina Kuzmic, 2021-02-09 Delivering inspiration and parenting comedy at its finest,* here is one woman's story of ditching her fairytale dreams and falling in love with her unpredictable, chaotic, imperfect life Kristina Kuzmic has made herself a household name, speaking directly to mothers from the trenches of parenthood via her viral videos and social media presence. She is now bringing her message of self-acceptance, resilience, and joy to book readers. With a refreshingly unpretentious, funny, and galvanizing voice, Kuzmic goes behind the scenes to reveal how she went from broke and defeated to unshakably grounded and brimming with thankfulness. Illuminating the hard-won wisdom from a life always spent one step behind--whether it was as a high school student new to America, a suddenly single mother to two kids, remarried and juggling two teens and a toddler, or the unexpected recipient of Oprah's attention and investment--*Hold On, But Don't Hold Still* is the book every mother needs to reassure her that she's not only fine just as she is, but that she already has more tools and support than she can possibly imagine. Sparkling with wit, this heartfelt memoir is like a long coffee date with a best friend, or the eleventh-hour text message that gives you just the boost you need to get through the night. *The Huffington Post A VIKING LIFE TITLE

Tell Your Time Amy Lynn Andrews, 2014-08-12 There's one thing I've never understood about time management books, and that is, why do so many of them take so much time to read? Have you noticed that? It seems to me a book about time management should be, well, short. To the point. Efficient. So that's what I did in Tell Your Time. I distilled all of the time management, organization, scheduling and goal-setting tips I've gleaned over the years (that's a lot) into one easy-to-read, easy-to-implement, straightforward, no-nonsense ebook. Remember, time management is like weight loss. There's no magic bullet. The basic principles in weight loss books are all variations on the same theme: eat well and exercise. Consume fewer calories than you expend. The same goes for time management books. There's no magic bullet. The basic principles in time management books are all variations on the same theme: make sure all your to-dos fit within the 24 hours allotted. This book will walk you through a process—the one I personally use—that has helped many others. And it will do it in a fraction of the time and at a fraction of the cost. Because I think you should live life living, not just reading about it. Tell Your Time will help you identify the most important things—and the most important people—in your life. You will easily set goals and learn how to manage your time efficiently so no *thing*—or no *one*—falls through the cracks. Oh, and by the way, during the writing of this book I finally figured out the answer to my question, you know, the one about time management books being so time consuming. A traditional publisher contacted me and offered to publish Tell Your Time as a regular book. But there was a catch. In order to justify the cost of publishing, I had to beef it up...and make it about 7 times longer. I was very grateful for the offer, but I declined. (By the way, if you want to hear that full story, find the Tools page I reference throughout the book.) Tell Your Time packs a huge practical punch. Small time commitment, small price tag, huge benefit.

Slow Down Nichole Nordeman, 2017-08-22 The days are long, but the years are short. No matter if it's your child's first step, first day of school, or first night tucked away in a new dorm room away from home, there comes a moment when you realize just how quickly the years are flying by. Christian music artist Nichole Nordeman's profound lyrics in her viral hit "Slow Down" struck a chord with moms everywhere, and now this beautiful four-color book will inspire you to celebrate the everyday moments of motherhood. Filled with thought-provoking writings from Nichole, as well as guest writings from friends including Shauna Niequist and Jen Hatmaker, practical tips, and journaling space for reflection, Slow Down will be a poignant gift for any mom, as well as a treasured keepsake. Take a few moments to reflect and celebrate the privilege of being a parent and getting to watch your little ones grow—and Slow Down. Nichole Nordeman has sold more than 1 million albums as a Christian music artist and has won 9 GMA Dove Awards, including two awards for Female Vocalist of the Year and Songwriter of the Year. Nichole released a lyric video for her song "Slow Down," and it struck a chord with parents everywhere, amassing 14 million views in its first five days. She lives in Oklahoma with her two children.

The Elephants Come Home Kim Tomsic,2021-05-18 The amazing true story of a herd of elephants, the man who saved them, and the miracle of love that brought them home. One day in 1999, Lawrence Anthony and Françoise Malby hear that a herd of wild African elephants need a new home. They welcome the elephants to their wildlife sanctuary—Thula Thula—with open arms. But the elephants are much less sure they want to stay. How will Lawrence prove to them that they are safe and loved? What follows is a gorgeously illustrated real-life story of a friendship . . . and the story of the miraculous way that love given freely will return—greater and more wonderful than it began. • TOUCHING ANIMAL FRIENDSHIPS: Owen and Mzee, Tarra and Bella, Rescue and Jessica . . . touching true stories of the emotional bonds possible between species are charming, and speak to the limitlessness of love. • ELEPHANT APPEAL: Elephants are one of the most fascinating and charming wild animals in all of nature. This heartwarming true story will intrigue and inspire children, and turn even the most reluctant readers into elephant enthusiasts. • CONSERVATION THEME: This book tells the true story of caring for one of the world's most beloved endangered animals: the African elephant. This book is a great, upbeat jumping-off point for discussions of the importance of preserving endangered species and their environments. • ENGAGING NONFICTION: There's no better way to get readers hooked on factual books than to offer them real-life stories with heart and meaning. • STRONG CURRICULUM CONNECTIONS: The Next Generation Science Standards (NGSS) emphasize learning about animal habitats/biomes in K-2 curriculums, while later grades address topics like conservation and endangered species. With a depth of research and an engaging, highly visual narrative, this book is an excellent resource for librarians and primary school educators. Perfect for: • Kindergarten and elementary school teachers • Parents and grandparents • Librarians • Lovers of animals, wildlife, and the natural world • Zoo and natural history museumgoers

Thankful Elaine Vickers,2021-09-07 Stunning, diorama illustrations bring to life this “wonderfully evocative” (BookPage) lullaby of a picture book about celebrating everyday things that make life wonderful. I am thankful for a home where I am safe and warm. Thankful for parents who read me stories and comb my hair gently, gently. Who whisper the same poem every night when they tuck me in. When the first snow falls, a little girl writes down the things she’s thankful for on strips of paper and links them together. As one idea leads to another, her chain grows longer. There’s so much good in her life: a friend, things that are warm, things that are cold, color, things that can be fixed. This beautiful story is a much-needed reminder to observe and honor life’s small joys.
