No Sense of Humor Nick Morgan,2013-09-09 For the fifth time, the Author displays his so-called No Sense of Humor in a laughable array of pet title quests, childrens stories and a pet mystery along with a childrens version of what the Author describes as Unanswered Questions. This book shows the continuing saga of four men who display their sense of humor through pranks, narrated stories and an unending ritual that will never change. In addition, the Author does his best to convince you the reader that the final chapter is only a prelude to the next sequel; the Next Generation.

Tony Partly Cloudy Nick Rollins,2013-10-27 A fish-out-of-water story in the style of My Cousin Vinny or Analyze This, TONY PARTLY CLOUDY is the tale of a Mafia goon who becomes a famous TV weatherman. ** NOTE: contains some profanity, because let's face it: it's hard to get these Mafia guys to talk nice. Forget about it! Tony Bartolicotti (or Tony Partly Cloudy, as his friends in Brooklyn call him) can predict the weather with a level of accuracy that's downright freakish. But no TV station is interested in hiring a weatherman who looks and talks like a Mafia goon. Until now... When a distantly related mob boss applies a little pressure on Tony's behalf, Tony's career starts to take off. Soon America is falling in love with the only weatherman on TV who would predict a whole lotta freakin' snow. But then the mob decides to call in the favors they've done for Tony. That's when things get stormy. Tony Partly Cloudy combines elements of comedy, satire, Mafia lore and romance into a slick, funny novel that readers of Elmore Leonard and Carl Hiaasen will enjoy.

Clubs, Drugs & Canapes Nick Valentine,2013-10-17 Armed with a bottle of Milk Thistle and unshakeable optimism, Nick Valentine has spent most of his adult life in fifth gear, betting on a Royal Flush while covertly holding a pair of deuces. This is his story, the odyssey of a suburban bloke who has blagged, lucked and laughed his way into just about every party, club, stage and hot-tub imaginable. Following his first brush with celebrity at an impressionable age, and spending his teens and twenties as, amongst other things, a journalist, publicist, club promoter, musician and DJ, Nick eventually banked in the shallows of party central. He spent 15 years as a social editor on London's celebrity canapé circuit, while co-founding the Entertainment News press agency. An enterprising period acting as a social PR to the super-rich led to him co-founding three London nightclubs in quick succession, including the much lauded Cuckoo Club. With the West End as his nocturnal playground, he then bid sleep a final fond farewell. Nick professes to have attended well over 5,000 parties in his time, drunk enough champagne to test the Thames barrier and occasionally made it home in time for Countdown. 'I'm a night person,' he says. 'The trouble is I'm a morning and afternoon person as well.' This account is a surprisingly touching, light-hearted look at the daily mechanics of enjoying life to the max and then some.

The Traitors of the Tropics; or, Nick Carter's Royal Flush Nicholas Carter,2022-01-17 In this action story the detective, Nick Carter, finds himself in the Caribbean. Before long he becomes involved in solving another whodunnit. This time an attempted assassination and a coup d'etat.

Windy and Chatty Nick Richards,2015-08-25 WINDY does not drink to forget. He just likes being drunk. Especially at school.CHATTY should not be in the English Army. But he is. Which is awkward when you are a lifelong hypochondriac.Windy is in love with Wendy, his second cousin once removed. But then so is Boswell, his third cousin once removed. The living should be easy for two young aristocrats at the turn of the 20th Century. Instead, they must help a deranged Headmaster with his scientifically dubious experiments, negotiate the terror of trench warfare and deal with the unwelcome advances of a certain German officer.But then cross-dressing is never, really, a good idea....
