Nicole Kidman David Thomson, 2008-01-08 From the brilliant film historian and critic David Thomson, a book that reinvents the star biography in a singularly illuminating portrait of Nicole Kidman—and what it means to be a top actress today. At once life story, love letter, and critical analysis, this is not merely a book about who Kidman is but about what she is—in our culture and in our minds, on- and offscreen. Tall, Australian, one of the striking beauties of the world, Nicole Kidman is that rare modern phenomenon—an authentic movie star who is as happy and as creative throwing a seductive gaze from some magazine cover as she is being Virginia Woolf in *The Hours*. Here is the story of how this actress began her career, has grown through her roles, taken risks, made good choices and bad, and worried about money, aging, and image. Here are the details of an actress's life: her performances in *To Die For*, *The Portrait of a Lady*, *Eyes Wide Shut*, *Moulin Rouge!*, *The Hours*, and *Birth*, among other films; her high-visibility marriage to Tom Cruise; her intense working relationship with Stanley Kubrick and her collaborations with Anthony Minghella and Baz Luhrmann; her work with Jude Law, Anthony Hopkins, Renée Zellweger, and John Malkovich; her decisions concerning nudity, endorsements, and publicity. And here are Thomson's scintillating considerations of what celebrity means in the life of an actress like Kidman; of how the screen becomes both barrier and open sesame for her and for her audience; of what is required today of an actress of Kidman's stature if she is to remain vital to the industry and to the audiences who made her a prime celebrity. Impassioned, opinionated, dazzlingly original in its approach and ideas, *Nicole Kidman* is as alluring and as much fun as Nicole Kidman herself, and David Thomson's most remarkable book yet.

Nicole Kidman Lucy Ellis, Bryony Sutherland, 2002 A biography of Nicole Kidman, tracing her rise from child star to acclaimed Hollywood actress, and discussing aspects of her personal life, including her ten-year marriage to Tom Cruise, and their traumatic divorce.

Nicole Kidman Pam Cook, 2019-07-25 Pam Cook's study of the star persona of Nicole Kidman traces Kidman's career trajectory through an examination of her (sometimes controversial) film choices and places her in the context of a globalised media and celebrity culture.

Secrets of Screen Acting Patrick Tucker, 2014-11-13 When it was first published in 1993, Secrets of Screen Acting broke new ground in explaining how acting for the camera is different from acting on stage. Reaction time is altered, physical timing and placement are reconceived, and the proportions of the digital frame itself become the measure of all things, so the director must conceptualize each image in terms of this new rectangle and actors must 'fit' into the frame. Based on a revolutionary non-Method approach to acting, this book shows what actually works: how an actor, an announcer--anyone working in front of the cameras--gives excellent performances on screen. Instead of starting with what is real and trying to wrestle that onto the screen, Patrick Tucker explains how to work with the realities of a shoot and work from there towards the real. His step-by-step guide to the elements of effective screen acting is an extension and explanation of a lifetime of work in the field, containing over 50 acting exercises and the tried-and-tested Screen Acting Checklist. As well as being completely updated to cover new techniques, film references and insights, this third edition now includes a set of Film Clip Time Codes for each film.

These not only itemise the films discussed in each chapter, but also pinpoint the precise moments where each example can be found so that students, teachers, and professional actors can refer to them quickly and easily.

Livewire Real Lives Nicole Kidman Janet Platt, 2000 This book tells the story of the talented Australian actor Nicole Kidman. It has photographs of Nicole in some of her films and on stage. The Real Lives books are about famous people from the worlds of Sport, Film and Music, and Politics and History.

Pretty Things Janelle Brown, 2020 Two wildly different women--one a grifter, the other an heiress--are brought together by the scam of a lifetime in a page-turner from the New York Times bestselling author of Watch Me Disappear. Pretty Things is awesome. Simple as that. I loved every page. Janelle Brown is your new must-read author.--Harlan Coben, New York Times bestselling author of Run Away Nina once bought into the idea that her fancy liberal arts degree would lead to a fulfilling career. When that dream crashed, she turned to stealing from rich kids in L.A. alongside her wily Irish boyfriend, Lachlan. Nina learned from the best: Her mother was the original con artist, hustling to give her daughter a decent childhood despite their wayward life. But when her mom gets sick, Nina puts everything on the line to help her, even if it means running her most audacious, dangerous scam yet. Vanessa is a privileged young heiress who wanted to make her mark in the world. Instead she becomes an Instagram influencer--traveling the globe, receiving free clothes and products, and posing for pictures in exotic locales. But behind the covetable facade is a life marked by tragedy. After a broken engagement, Vanessa retreats to her family's sprawling mountain estate, Stonehaven: a mansion of dark secrets not just from Vanessa's past, but

from that of a lost and troubled girl named Nina. Nina's, Vanessa's, and Lachlan's paths collide here, on the cold shores of Lake Tahoe, where their intertwined lives give way to a winter of aspiration and desire, duplicity and revenge. This dazzling, twisty, mesmerizing novel showcases acclaimed author Janelle Brown at her best, as two brilliant, damaged women try to survive the greatest game of deceit and destruction they will ever play.

Cold Mountain Anthony Minghella, Charles Frazier, 2004 Director Anthony Minghella (The English Patient, The Talented Mr Ripley) has produced a powerful adaptation for film of the bestselling debut novel by Charles Frazier. Set in the waning days of the American Civil War, Cold Mountain is the story of Inman, a wounded Confederate soldier (played by Jude Law) who struggles on a perilous journey to get back home to Cold Mountain, North Carolina - and to Ada (Nicole Kidman), the woman he left behind in going off to fight. In the course of his journey, Inman encounters a succession of extraordinary characters, while back at home, Ada is learning the ropes of managing her late father's farm with the assistance of a drifter named Ruby (Renee Zellweger), who teaches her a few things in turn. Translating Frazier's novel into the language of cinema, Minghella imparts to Cold Mountain the same level of emotional intensity that he conjured in his celebrated adaptation of The English Patient.
