The Tongue and Quill Air Force,2019-10-11 The Tongue and Quill has been a valued Air Force resource for decades and many Airmen from our Total Force of uniformed and civilian members have contributed their talents to various editions over the years. This revision is built upon the foundation of governing directives and user's inputs from the unit level all the way up to Headquarters Air Force. A small team of Total Force Airmen from the Air University, the United States Air Force Academy, Headquarters Air Education and Training Command (AETC), the Air Force Reserve Command (AFRC), Air National Guard (ANG), and Headquarters Air Force compiled inputs from the field and rebuilt The Tongue and Quill to meet the needs of today's Airmen. The team put many hours into this effort over a span of almost two years to improve the content, relevance, and organization of material throughout this handbook. As the final files go to press it is the desire of The Tongue and Quill team to say thank you to every Airman who assisted in making this edition better; you have our sincere appreciation!

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful

race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Broker and the Bum Brady Cook, 2017-09 What if the story of the Rich Man and Lazarus from Luke 16 was set in a modern day setting? What would it look like? Would we recognize Lazarus? Would we recognize the rich man? The story of The Rich Man and Lazarus is famous for its teachings of compassion and humanity, as well as the evils of following after greed blindly, at the expense of just about everything else. The Broker and the Bum is a modern version of this same story found complete with all the same themes, characters, events, but simply adapted to a modern day setting. Liam Earl is a down-on-his-luck homeless man left on the streets of New York City, watching as the rich and powerful go about their daily lives. Everything is the same from day-to-day, until the kindness of a stranger changes his life for the better. Matt Herde is a powerful hedge fund manager for Asset International. Obsessed with wealth and driven by a desire for more, more, more, he has little time for people in his life whom he doesn't seem to have any use for. This includes simple beggars like Liam Earl. These two operate independently of each other until their worlds collide and a tragic event leaves one person's future in shambles, while the other finds the peace that they have sought after for so long. Will Matt find happiness? Will Liam ever escape the street? Check out Broker and the Bum, the first book in the brand new Parable Series from author Brady Cook, and begin to see the world

through different eyes.

Sandy and Wayne Steve B. Yates, 2015 Fiction. In SANDY AND WAYNE, Steve Yates reveals his talents in this gorgeous swoop of prose. Arranging his characters intimately against the vast Ozark Mountains, Yates moves flawlessly between the lives of Sandy Coker and Wayne Sheridan to the road crews reshaping the land. From their harbored ambitions to the secret that threatens to pull their lost hearts apart, this beautifully written novella tells a story of worlds colliding, of truths and consequences, as two people fall in love, reluctant to change with the world around them.

Some Kinds of Love Steve B. Yates, 2013 Sometimes the opposite of love is not hate, but depravity. In these twelve stories set in the Missouri Ozarks, New Orleans, and Mississippi, Steve Yates reveals lovers clawing back from precipices of destructiveness, obsessiveness, cruelty, vanity, or greed. They seek escape and yet find new barriers, realizing true love may not be at all what they imagined. Pioneers, limestone quarry owners, young German American Civil War survivors, bankers,

sex toy catalog designers, highway engineers, Pakistani terrorists, attorneys, missile guidance masterminds, and furniture factory workers (who can see the future) populate these pieces. From the Ozarks of the 1830s, when locals perceive doomsday in a historic starfall, to the near future at an all-night slow-pitch softball tournament when Armageddon looms yet again, these stories chart the dark side of love, the ties that bind families, and the sweet complications of human desire.
