Cape of Good Hope (Colony). Parliament

Reports of All Cases Decided in the Supreme Court ,1910

Hawkers and hawking space shweta sharma ,2014-01-25 An interesting study of street hawkers in the commercial centers in NDMC area of Delhi. An attempt has been made to suggest a planning framework to accommodate street hawkers in their present place of work rather than uprooting them without concern for their social networks as the prevalent approach of urban planners. A fine balance between the hawkers being considered to be a nuisance and a necessity by the residents of a city.
