Luther's Return (Scanguards Vampires #10) Tina Folsom, 2015-05-06 Lara Adrian, New York Times Bestselling Author of the Midnight Breed series: I'm addicted to Tina Folsom's books! The Scanguards® series is one of the hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series! After twenty years incarcerated in a vampire prison, Luther is finally free. But before he can close this chapter of his life once and for all, a kidnapping thrusts him back into the world of Scanguards and into a confrontation with the vampires whose mates he very nearly killed two decades earlier. Actress Kimberly "Katie" Fairfax has turned her back on Hollywood and now teaches drama at a college in San Francisco. When Scanguards owner Samson's daughter disappears during a performance, Katie blames herself for inadvertently putting Isabelle in the path of danger. Realizing that Luther may be the only one who can rescue Samson's daughter, she forges a tenuous alliance with the inscrutable stranger. As passion ignites between them, they not only have to fight against the unknown foe, but also against the demons of their past that could destroy them before they can rescue Isabelle. ABOUT THE SERIES The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. Vampire Samson Woodford lives in San Francisco and owns a security/bodyguard company, Scanguards, which employs both vampires and humans. And eventually some witches. Throw in a few immortal guardians and demons later in the series, and you'll get the drift! Each book can be read as a standalone and always centers around a new couple finding love, but the series is more enjoyable when read in order. And of course, there are always a few running jokes - you'll understand when you meet Wesley, a wannabe witch. Enjoy! **I Will Surely Multiply Your Offspring** Jamie Viands, 2013-12-04 After creating man and woman, God's first recorded blessing upon them is be fruitful and multiply. Like the blessings of food and health, the human experience of procreation is so common that we may overlook its importance within the biblical narrative. However, *I Will Surely Multiply Your Offspring*, a comprehensive examination of the progeny blessing, demonstrates that this motif is both prevalent and significant within the Old Testament by tracing its development throughout the redemptive-historical narrative. Viands identifies different progeny blessing traditions associated with the Abrahamic covenant, the Sinai covenant, and the new covenant, and describes their interrelationships as well as their relationship to the universal blessing first found in Genesis 1. This study lays the foundation for a biblical worldview of human proliferation, contributing to contemporary discussions concerning whether humans are obligated to bear children as well as procreation ethics.
