Colony 2368 Connie Simon, 2019-01-06 Phryne and her father live on Colony 2368. They are not there by choice. They had once been part of the elite that lived on Vega. Her father had abused his position, and cheated a prominent customer. Alexander is an ordinary frigate pilot in His Majesty's military. He has worked his way up to his current rank with a lot of hard work and diligence to his duty. Their chance meeting was in the stars. Polar opposites that were meant to be together. Follow them as they do their best to make their relationship work.

**Pride and Power** Johan Franzen, 2021-02-01 The story of Iraq is one of resistance. In this groundbreaking study, Johan Franzen offers a contextual modern history of the country, its creation and its struggle for sovereignty. Iraq's contemporary history is a tale of a diverse people thrown together into a nation-state by imperialist statecraft. From the state's inception as a League

of Nations mandate in the 1920s, through wars, coups and revolutions, Iraqis have always resisted foreign domination. But the country, propelled by the quest for power, intense national pride and a zeal for sovereignty, was catapulted along a trajectory of violence. On one side stood imperialism, seeking to control Iraq for its own ends. Facing it, Iraqis of varying nationalist groups tried to rid the country of foreign meddling and steer a course of self-determination. *Pride and Power* offers in-depth analysis of the most important events, decisions and processes that led Iraq down this path. Based on extensive research of primary sources, both Iraqi and Western, the book unravels the complexity of Iraq's political history. It is essential reading for anyone interested in the international relations of the Middle East or in understanding the rich history of Iraq, from its foundation to the present.

**Treaty Series 2368: I. 42671-42706** United Nations,2008-03-14 Annotation. In accordance with Article 102 of the Charter and the relevant General Assembly Resolutions, every treaty and international agreement registered or filed and recorded with the Secretariat since 1946 is published in the United Nations Treaty Series. At present, the collection includes about 30,000 treaties reproduced in their authentic languages, together with translations into English and French, as necessary. The Treaty Series, where treaties are published in the chronological order of registration, also provides details about their subsequent history (i.e., participation in a treaty, reservations, amendments, termination, etc.). Comprehensive Indices covering 50-volume-lots are published separately. A Standing Order service is available for the Series and out-of-print volumes are available on microfiche.
