**Best White Wine on Earth** Stuart Pigott, 2014-06-17 A celebrated wine journalist presents a comprehensive, entertaining primer on one of the most beloved wines of our time: Riesling. Diverse, drinkable, aromatic, and refreshing, Riesling is a chameleon among white wines. From its food-friendly flavor and favorable price point to its ability to be either bone-dry or honey-sweet, there are very good reasons to argue that Riesling is not just a popular wine of the moment, but the finest white of our time. In *Best White Wine on Earth*, wine journalist and Riesling enthusiast Stuart Pigott extols the virtues of his favorite varietal and explores the history behind this magnificent grape. Traveling to the great Riesling-producing regions of the world—from North America to Europe, Australia, New Zealand, and South America—Pigott provides tasting notes, top-rated recommendations, and fascinating insights into how the wine is made, all while making an impassioned case that it is, truly, the best white on earth. Written simply enough for a novice, but with enough expertise and insight to satisfy the most sophisticated collector, this is a must-have guide for any white wine enthusiast.
