**Off-Road Disciplines** Earl Creps,2010-12-03 In Off-Road Disciplines, Earl Creps reveals that the on-road practices of prayer and Bible reading should be bolstered by the other kinds of encounters with God that occur unexpectedly—complete with the bumps and bruises that happen when you go “off-road.” Becoming an off-road leader requires the cultivation of certain spiritual disciplines that allow the presence of the Holy Spirit to arrange your interior life. Earl Creps explores twelve central spiritual disciplines—six personal and six organizational—that Christian leaders of all ages and denominations need if they are to change themselves and their churches to reach out to the culture around them.

**Around the World in 10 Years: The Book of Independence** Pablo Rey,2014-04 First we thought we could go around the world in 4 years. Then we were convinced that we could do it in 7. When we got to the sixth year of travel, we felt that 10 was a good round number. Almost 20 years later we are still on the road. And there's still half the planet left to explore. I'll never forget that Monday when I put the barrel of a gun to my head and fired until I was out of bullets, without stopping to think of what I was doing so I wouldn't have a chance to change my mind. It was my resignation to a future which I already knew, a farewell to a secure job, an adieu to a brilliant career in advertising, the microcosm where I had lived for the last twelve long years. It was ten minutes after ten in the morning and my last words were, more or less 'keep the corpse, I'm leaving.' My body collapsed and I walked out the door The Book of Independence, is a journey through some of the world's worst backcountry roads with a 4×4 truck transformed into a house on wheels.

**Madness in Mogadishu** Lt. Col. Michael Whetstone, USA (Ret.),2015-05-15 On the afternoon of October 3, 1993, two Black Hawk helicopters were shot down over the Somali capital of Mogadishu, leaving a handful of U.S. Army Rangers and Delta Force operators at the mercy of several thousand approaching militants. **Cubed** Erno Rubik,2020-09-15 The first book by the reclusive inventor of the world's most iconic puzzle THE RUBIK'S CUBE. Erno Rubik inspires us with what he's learned in a lifetime of creating, curiosity, and discovery. Erno Rubik was a child when he first became obsessed with puzzles of all kinds. "Puzzles," he writes, "bring out important qualities in each of us: concentration, curiosity, a sense of play, the eagerness to discover a solution." To Rubik puzzles aren't just games—they're creativity machines. He encourages us to embrace our inner curiosity and find the puzzles that surround us in our everyday lives. "If you are determined, you will solve them," he writes. Rubik's own puzzle, the Cube, went on to be solved by millions worldwide for over forty years, become one of the bestselling toys of all time, and to be featured as a global symbol of intelligence and ingenuity. In *Cubed*, Rubik covers more than just his journey to inventing his eponymous cube. He makes a case for always being an amateur—something he has always considered himself to be. He discusses the inevitability of problems during any act of invention. He reveals what it was like to experience the astonishing worldwide success of an object he made purely for his own play. And he offers what he thinks it means to be a true creator (hint: anyone can do it). Steeped in the wisdom and also the humility of a born inventor, *Cubed* offers a unique look at the imperfect science of creation.

**Off-Road with Clarkson, Hammond and May** Phillipa Sage,2021-05-13 'Amazing adventures. Apparently I was there.' Richard Hammond For over 12 years Phillipa Sage worked alongside Jeremy Clarkson, Richard Hammond and James May as their PA, gofer, and fixer where she saw the boys at their best and, hilariously, at their worst. A closet petrol head, Phillipa started working in the motor industry on live events over 20 years ago and first worked with Jeremy Clarkson in 1997. She proved to be a loyal, trusted friend and colleague to all the presenters—from back in the beginning with Tiff Needell, Vicki Butler-Henderson and Quentin Wilson—to the now infamous trio of Clarkson, Hammond and May, and was a key member of what became known as 'The Bubble', the exclusive, dysfunctional working family that toured the world. With an enormous budget, they travelled like rock stars—with super cars, yachts, private jets, helicopters, and five-star wining and dining—taking their unique brand of motoring madness to 18 countries, 31 cities and to over 2 million fans in arenas and at festivals from New Zealand to Norway. Supported by a large crew and their personal entourage, Clarkson, Hammond and May, when not performing in their extraordinary, high octane, live action, motoring theatre, indulged in extravagant holidays. They and their 'Bubble' family relaxed in luxury resorts or private houses entertaining themselves with pool parties, drinking, heli-sightseeing, drinking, private motorboat cruises, drinking, jet skiing, sailing, drinking and eating, and drinking. In *Off-Road with Clarkson, Hammond & May*, Phillipa shares the tour highs, lows and laughter of three clever, funny, and very stupid motoring journalists.

**This Way Madness Lies** Mike Jay,2016-10-25 A compelling and evocatively illustrated exploration of the evolution of the asylum, and its role in society over the course of four centuries *This Way Madness Lies* is a thought-provoking exploration of the history of madness and its treatment as seen through the lens of its proverbial home: Bethlem Royal Hospital, London, popularly known as Bedlam. The book charts the evolution of the asylum through four incarnations: the eighteenth-century madhouse, the nineteenth century asylum, the twentieth-century mental hospital, and the post-asylum modern day, when mental health has become the concern of the wider community. The book reveals the role that the history of madness and its treatment has played in creating the landscape of the asylum, in all its iterations. Moving and sometimes provocative illustrations sourced from the Wellcome Collection's extensive archives and the Bethlem Royal Hospital's archive highlight the trajectory of each successive era of institution: founded in the optimistic spirit of humanitarian reform but eventually dismantled amid accusations of cruelty and neglect. Each chapter concludes with a selection of revealing and captivating artwork created by some of the inmates of the institutions of that era. *This Way Madness Lies* highlights fundamental questions that remain relevant and unresolved: What lies at the root of mental illness? Should sufferers be segregated from society or integrated more fully? And in today's post-asylum society, what does the future hold for a world beyond Bedlam?

Three Day Road Joseph Boyden,2006-04-25 Set in Canada and the battlefields of France and Belgium, *Three-Day Road* is a mesmerizing novel told through the eyes of Niska—a Canadian Oji-Cree woman living off the land who is the last of a line of healers and diviners—and her nephew Xavier. At the urging of his friend Elijah, a Cree boy raised in reserve schools, Xavier joins the war effort. Shipped off to Europe when they are nineteen,

the boys are marginalized from the Canadian soldiers not only by their native appearance but also by the fine marksmanship that years of hunting in the bush has taught them. Both become snipers renowned for their uncanny accuracy. But while Xavier struggles to understand the purpose of the war and to come to terms with his conscience for the many lives he has ended, Elijah becomes obsessed with killing, taking great risks to become the most accomplished sniper in the army. Eventually the harrowing and bloody truth of war takes its toll on the two friends in different, profound ways. Intertwined with this account is the story of Niska, who herself has borne witness to a lifetime of death—the death of her people. In part inspired by the legend of Francis Pegahmagabow, the great Indian sniper of World War I, *Three-Day Road* is an impeccably researched and beautifully written story that offers a searing reminder about the cost of war.
