*Turn Your Fandom Into Cash* Carol Pinchefsky,2022-03-01 This geeky guide (by an avowed geek) shows you the ins-and-outs of making money involved in the worlds you love to immerse yourself in or one you want to create. Turn Your Fandom Into Cash teaches fans how to power up their own geeky businesses, harness the power of their fandom, and shield themselves against the wrath of intellectual property holders. This book will also offer real-world examples for aspiring Tony Starks and Bruce Waynes. In many cases, these passion-pursuits have led to full-time careers; in one case, it created a \$100 million business. This book is filled with advice from geeky creators, all of whom have earned money following their passions. Some of these creators work independently, others take gigs when they're not at their day jobs, and some have created businesses that have earned millions. In Turn Your Fandom Into Cash, you will learn: How many opportunities there are to find work doing something you love. What kind of education and financial outlay is required to start your particular geek business. How to acquire a license from a major media publisher. What kind of work you can legally create, even without a license. Advice on why you should—and should not—go into business for yourself. Practical tips on getting your products and services noticed by fans. Truly, there has never been a better time to have a geek business. Now grab your lightsaber or your Lucille and take a slice out of the fandom you love dearly.

MOBCon E Spat Oktan,2020-12-24 Vincent Scarfone Jr is a college student on summer break. He's a nerd looking for a way out of his father's shadow and the pre-planned future of becoming an accountant working for the family firm. He escapes into the world of comic book conventions, where he meets Georgina Green, a cosplayer with dreams of opening a business selling cosplay items and accessories. She becomes his convention savvy girlfriend who helps him break out of his shell. His father discovers that money can be made at conventions and starts a business with his son buying comics with cash and then selling the books online. In the process, Vincent becomes friends with a few celebrities, including Prescott Mane (an Anime voice actor). It all seems like a dream come true until Georgina figures out that Vincent is laundering money. Before anything can about it, Vincent discovers that money is being stolen from him - either by Georgina or Prescott. In the end, he organizes his own comic convention with the help of his friends and sets up a sting to catch the thief and get his money back.

**Wrath of MOBCon** E Spat Oktan,2021-12-28 A comic convention that never ends? Heaven for some, hell for others. Join Vincent, Georgina, and the rest of the original MOBCon crew as they host their first three-day hotel convention... during a blizzard! Egos clash as the celebrity guests participate in a murder mystery party that goes too far, leaving the staff scrambling to keep the show running despite being snowed in and unable to escape the con from hell! The Wrath of MOBCon is the second book in the MOBCon Novel Series that follows a team of geeks and nerds whose love of sci-fi, anime, fantasy, comics, and all things weird as they navigate the world of comic conventions, friendship, and relationships.

Proxima One E Spat Oktan,2021-04-04 Born and raised on the colony ship - Proxima One, Anber dreams about what her life will be like when she and her brothers and sisters arrive at their new home in Proxima Centauri. Just shy of her eighteenth birthday, she discovers that one of her brothers has been killed, a concept that she doesn't understand. His death shatters their idyllic routine lifestyle, forcing them to wake the Elder: the wise ancient figure that sleeps in a distant part of the ship. As Anber and her brother Wilbarg work separately to solve the mystery of their brother's death, they uncover clues that their life in space is not as innocent as they believed. There's a darkness at the heart of their journey, and the Elder may not be the all-powerful idol that they've spent their life believing he is. With time running out, can they solve the mystery before more of their siblings are killed? Can they survive long enough to uncover the truth of the Elders and of their life on the ship? Can they ever return to their everyday lives once the veil has been lifted from their eyes?

**Against the Empire** Ngamjahao Kipgen,Doungul Letkhojam Haokip,2020-06-14 This book explores the Kuki uprising against the British Empire during the First World War in the northeast frontier of India (then the Assam-Burma frontier). It sheds light on how the three-year war (1917-1919), spanning over 6,000 square miles, is crucial to understanding present-day Northeast India. Companion to the seminal The Anglo-Kuki War, 1917-1919, the chapters in this volume: Examine several aspects of the Anglo-Kuki War, which had far-reaching consequences for the indigenous Kuki population, including economy, politics, identity, indigenous culture and belief systems, and traditional institutions during and after the First World War itself Highlight finer themes such as the role of the chiefs and war councils, symbols of communication, indigenous interpretation of the war, remembrance, and other policies which continued to confront the Kuki communities Interrogate themes of colonial geopolitics, colonialism and the missionaries, state making, and the frontier dimensions of the First World War Moving away from colonial ethnographies, the volume taps on a variety of sources - from civilisational discourse to indigenous readings of the war, from tour diaries to oral accounts - meshing together the primitive with the modern, the tribal and the settled. This book will be of great interest to scholars and researchers of South and Southeast Asian Studies, area studies, modern history, military and strategic studies, insurgency and counterinsurgency studies, tribal warfare, and politics.

Sámi Religion Trude A. Fonneland,Tiina Äikäs,2021-02-05 “Sámi Religion: Religious Identities, Practices, and Dynamics” explores expressions of “Sámi religion” in contemporary cultures, the role it plays in identity politics and heritagization processes, and the ways the past and present are entangled. In recent years, attitudes towards “Sámi religion” have changed both within religious, cultural, political, and educational contexts as a consequence of what can be called the “Indigenous turn”. Contemporary, indigenous religion is approached as a something that adds value by a range of diverse actors and for a variety of reasons. In this Special Issue, we take account of emic categories and connections, focusing on which notions of “Sámi religion” are used today by religious entrepreneurs and others who share and promote these types of spiritual beliefs, and how Sámi religion is taking shape on a plenitude of arenas in contemporary society.

*Creating the Character Costume* Cheralyn Lambeth,2016-11-25 Many beginning and hobbyist costumers believe that professional costume/prop builders have unlimited and specialized resources with which to ply their craft. Actually, the pros create things in much the same way that hobbyists do, working as resourcefully and creatively as possible with a limited budget. Creating the Character Costume dives into these methods to showcase how to achieve expert looks with limited means and lots of creativity. Part One explores tools, materials, and construction methods.
