Storytelling is a learning device used by humans for centuries, and for good reason: storytelling is one of the best ways to increase critical thinking skills and social emotional learning (SEL). The award-winning Social Emotional Stories combines storytelling with thought-provoking lessons and activities to help elementary students improve their self-esteem, increase their engagement with school, and give them a sense of empowerment. The book contains 24 individual lessons that include: An SEL objective with specific keywords like “inner strength,” “problem solving,” and “responsibility” An engaging story that focuses on a distinctive quality of either a plant (like the inner strength of bamboo) or an animal (like the courage of a pig) Multiple activities that are quick, easy, and require few supplies to help kids identify and dive deeper into the specific SEL concepts represented Educators can use these lessons individually with students, in small groups, or with an entire class. The lessons are interdisciplinary and flexible, with only minimal prep time required, allowing educators to adapt them for their situation. Extensive digital content supports the lessons with reproducible forms and a full-color photo of each plant and animal.

Reflections of a Cat Whisperer Mary Ann Clifford,2012-11-30 Reflections of a Cat Whisperer is a journey through childhood and then into life as an adult. The short stories, thoughts, and verses are descriptions of the interactions between numerous felines and me throughout the years. This collection is not one continuous story; rather it contains descriptions of moments with my thundering herd and other felines. It is about a magical way of looking at life through which I received wisdom and continue to do so from these marvellous creatures.

Bailey, No Ordinary Cat Erin Merryn,2018-12-03 For fans of Grumpy Cat and Cats on Instagram there's a new cat in town--Bailey, No Ordinary Cat--of the Facebook name, is a special cat with a growing fan base, garnering over 2 million views on Ellen's Instagram and videos that have been shared by Good Morning America, ABC News, CBS News, and more. What makes Bailey more addictive than catnip? In addition to his adorable expressions and his hilarious, heartfelt antics, Bailey has a penchant for doing things that are characteristically uncatlike--things like taking bubble baths (and enjoying them), sitting attentively in a chair and being read to (for hours), getting a pet-icure, and his unending patience while co-raising his human siblings Abby and Hannah (yes, there is photographic evidence that Bailey helped with potty-training). If you have a cat you know how independent they are. Bailey, No Ordinary Cat celebrates the unique quirky spirit of this unforgettable feline through four-color photographs and captions from the voice of Bailey himself. Cat lovers will be delighted to peek into the life of their favorite celebrity cat with the huge eyes, huge heart, and huge personality--and an ever-growing following.

*PostScript & Acrobat/PDF* Thomas Merz,2018-03-22 Originally entitled the PostScript and Acrobat Bible in German, this handbook achieves the seemingly impossible: it covers this tricky and technical field in an entertaining manner without getting bogged down in PostScript programming. It explains how several components work together and how to deal with real-world application and operating-system problems. The author genuinely wants to assist in overcoming cross-platform barriers using MS-DOS, Windows, Macintosh or UNIX and, accordingly, neither the book nor the tools are limited to one particular platform or operating system. The 9 chapters and 3 appendixes run the entire gamut, from the very basics right up to Ghostscript and the whole is creatively designed, making use of comical illustrations. In short, essential reading for all technically minded users of PostScript and Acrobat/PDF - from PC owners wanting to get the most out of their laser printers to graphic artists with Macs to system administrators and online publishers.
