Make Money with Your Camcorder and Pc: 25+ Businesses Anne Hart,2002-03-17 How can you quickly make money at home and online with your digital 8 video camcorder, your personal computer, some software such as PhotoShop and Windows XP, and perhaps, your digital camera? You can develop training materials for businesses or students. Prepare reports, a video news clipping service, package information or products. For every service or product sold, somebody can benefit by writing how-to or learning/training materials. Here are more than 25 different stay-at-home businesses that you can operate online with your digital 8 camcorder and your personal computer as a low-capital start-up business. The creative home-based persons guide to making money online with a digital 8 video camcorder, digital camera, a Personal Computer, and Video-Editing Software. Make money with your digital video camcorder and Your PC. Create training materials, business reports, services, or entertainment in a home-based business online with your personal computer. Calling all creative people to write and/or produce digital 8 camcorder videos or still picture scrapbooks and databases with sound, video, text, and graphics in their PCs. The movie-making process in Windows XP starts as you first capture home or instructional videos with your camera. People remember seven items in short-term memory. So anything you create would be better off if it came in a package or database, advertisement, or training segment based on remembering seven items. Submit what you've developed on a Tuesday, the most productive day of the week, and present only seven items to remember in a segment.

Photoshop for Right-Brainers Al Ward,2006-12-26 Attention Right-Brainers! You're an artistic visionary, right? In your head you imagine clever image fixes, fanciful photo manipulations, and artworks of startling genius. But when it comes to bringing these visions to life on your computer—well, that's the hard part. If this sounds familiar, then Photoshop wiz Al Ward's innovative and personal guide to the art of photo manipulation might just be the key to making your dreams come true. Photoshop for Right-Brainers doesn't hamstring you with follow-the-leader, cookie-cutter techniques. Instead, the book explores the artistic creation process, demonstrating how Photoshop can open pathways for originality and keep you from getting stuck creatively. You'll start off doing real-world Photoshop work to get a firm grounding in the essential tools and techniques. Then you'll work through complex projects, honing your skills and learning how to translate even your wildest visions into reality. By the end you'll be able to generate mind-blowing photographic art of your own. Inside you'll learn how to: Expertly blend multiple photographs into composites that are incredibly real Add sharpness and detail to any image Retouch a portrait like a pro: soften wrinkles, erase blemishes, whiten teeth, and more Create mind-boggling mirror effects Control reflections and highlights as you manipulate reflective surfaces like chrome and glass Turn any photograph into a line drawing or an oil painting Map patterns onto contoured surfaces for greater realism Subtly adjust colors to make them more vivid -- or replace them completely Prepare your artwork for display online or in printed contact sheets and picture packages And much more! Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Digital Scrapbooking Maria Given Nerius,2004 It's the next phase in the scrapbooking craze! And this creative resource is the first of its kind—the first to focus on the use of computer hardware and software to unlock an exciting range of creative possibilities. Crafters will explore the many ways digital elements can add pizzazz to their scrapbooks: they'll learn to manipulate pictures with photo/image editing software, use scanners to create themed background papers, and draw on clip art for decorative accents. Going even further into the brave new world, there's information on creating all-digital pages, putting together a slideshow on computer, and pooling various techniques to stage a “digital family reunion.”
