The Opus Anna Clark,2015-02-23 Just as Bobby was pulling away from the loading dock with his pickup full of supplies, he noticed the old ladys crumpled form sprawled on the sidewalk across the street. Bobby Parker was not prepared to interrupt his busy Saturday plans to rescue eighty-year-old Emma Manchester from a slushy fall that early March morning. Changing his plans for the day led to monumental changes in the young carpenters life, as well as in many others. While repairing Emmas decrepit house, Bobby befriended the elderly woman. During their time together, Emma trusted Bobby to solve the mystery involving her husbands, Thomas Manchesters, will, and the usually secretive Bobby allowed Emma to advise him to seek solutions to long-standing problems with his dysfunctional family.

Opus C.A. Almeida,2009-03-30 This is a fiction/Horror novel about a teenage girl from Bangor, Maine, who goes away with her parents for a summer vacation and is attacked in the woods of the resort, by an unknown demon. She later discovers that she is pregnant and is confused as to how it happened, because she remembers that she was alone in the woods the night the attack took place. Jocelyn decides to keep her child and notices that she is going through many strange changes with her body. After Opus is born, Jocelyn soon learns that her son is anything but normal. He has a growing rage inside of him that nobody seems to understand. When he gets upset or angry, he cries blood red tears. He has urges to kill and cant seem to control himself enough to stop. After he takes each life, he can not remember what he has done. Jocelyn begins to lose people around her, one by one, either due to their death or because she refuses to do anything about her out of control son, causeing them to walk out of her life. Jocelyn spends most of her time covering up her sons killings and lying for him. She begins to make excuses as to why it is, people they know seem to keep disappearing around them. Over time Jocelyn becomes so obsessed with the notion of her son being, A good boy, that she too becomes isolated and possessed along with her son. In the end, children are just not strong enough to control their urges, and sometimes parents go too far trying to help them. Sometimes Children are good natured...And sometimes they are just born evil. ~C.A. Almeida

The Founder of Opus Dei Andrés Vázquez de Prada,2001

The Founder of Opus Dei: The Life of Josemaría Escrivá, Volume I Andres Vazquez de Prada,2017-03-31 This is the first volume of three about the life of Saint Josemaría Escrivá. He has been hailed as a pioneer in helping ordinary Christians find God in their daily lives. Moved as a teenager by footprints of a barefoot Carmelite priest in the snow, Josemaría felt called to greater generosity in the priesthood and in his struggles to build up Opus Dei during the outbreak of the Spanish Civil War. This latest biography is the most extensively researched work on his family history, childhood, adolescence, and young adulthood. The reader benefits from an enormous wealth of details in extensive notes and appendices. Accompanying them are excerpts from his correspondence, spiritual writings and testimonials from dozens of friends and acquaintances. The remarkable story continues in volumes II and III.

Opus Vino DK,2010-10-18 The techniques and research that have led the world's winemaking revolution have been transported around the globe, pushing boundaries in every region. An expansive new reference is needed to embrace these changes. Opus Vino provides greater coverage and a more up-to-date approach to the wine world than any other illustrated wine book. Use it as an encyclopedia to look up wine-producing regions, appellations, wineries, and producers; as an atlas to find places of interest; and as a travel guide to plan winery tours. Opus Vino takes a new look at the new world of wine from a new generation of wine writers. It takes wine publishing to new heights, and gives both professionals and amateur enthusiasts a wine reference fit for the 21st century.

The Hidden History of Head Start Edward Zigler,Sally J. Styfco,2010-05-07 Currently enrolling approximately 900,000 poor children each year, Head Start has served 25 million children and their families since it was established 44 years ago. Presidents and policymakers have embraced and scorned it. At times scientists have misguided it and the media has misunderstood it. Despite its longevity and renown, much of Head Start's story has never been disclosed to the general public. The Hidden History of Head Start is a detailed account of this remarkable program. Surveying projects that were forerunners of Head Start, its birth during the Johnson administration, its fate during the presidency of George W. Bush, and the many years between--as well as what the future may hold in store for Head Start--Edward Zigler and Sally Styfco offer an inside view of the program's decades of service, detailing the ever-changing waves of politics, ideology, science, media interest, and public mood that oftentimes threatened the program's very existence. Providing a balanced assessment of Head Start's effectiveness, which has been a matter of debate since its inception, the authors also strive to answer questions that continue to pervade discussions about the program and its future. For example, why is Head Start, a leader of early childhood services, still struggling to prove itself?

Why does it serve such a narrow segment of the population? And how can Head Start continue its mission as universal preschool becomes a reality? The Hidden History of Head Start will be of great importance to those who shape Head Start's future, and to those who wish to develop, research, and implement new early childhood programs. Students, historians, and scholars in the fields of early intervention and developmental science, as well as policymakers, will find here an invaluable resource as well as a fascinating chronicle of one of the foremost social programs in US history.

Before Head Start Hamilton Cravens,2002-07-01 Between the 1920s and the 1950s, the child welfare movement that had originated as a moral reform effort in the Progressive era evolved into the science of child development. In Before Head Start, Hamilton Cravens chronicles this transformation, bo

Software for Your Head Jim McCarthy,Michele McCarthy,2002 Most people have experienced--at least once in their lives--the incomparable thrill of being part of a great team effort. They can remember the unity of purpose they experienced, the powerful passion that inspired them, and the incredible results they achieved. People who have been on a great team can attest that the difference between being on a team with a shared vision and being on a team without one is the difference between joy and misery. In 1996, Jim and Michele McCarthy, after successful careers leading software development teams at Microsoft and elsewhere, set out to discover a set of repeatable group behaviors that would always lead to the formation of a state of shared vision for any team. They hoped for a practical, communicable, and reliable process that could be used to create the best possible teams every time it was applied. They established a hands-on laboratory for the study and teaching of high-performance teamwork. In a controlled simulation environment, their principle research and teaching effort--the McCarthy Software Development BootCamp--challenged dozens of real-world, high-tech teams to produce and deliver a product. Teams were given a product development assignment, and instructed to form a team, envision the product, agree on how to make it, then design, build, and ship it on time. By repeating these simulations time after time, with the new teams building on the learning from previous teams, core practices emerged that were repeatedly successful. These were encoded as patterns and protocols. Software for Your Head is the first publication of the most significant results of the authors' unprecedented five-year investigation into the dynamics of contemporary teams. The information in this book will provide a means for any team to create for itself a compelling state of shared vision. 0201604566B09042001
