**Declutter Your Photo Life** Adam Pratt,2022-05-23

**Turn your photo chaos into precious memories to be enjoyed and shared!**

Now more than ever, we hold our photo collections dear. They are often some of our most prized possessions. Wouldn’t it be great to finally have all your photos organized, safe, accessible, findable, and shareable? With *Declutter Your Photo Life* by your side, you have just what you need to achieve photo bliss.

Photographers and family historians understand the immense power that photographs have to convey meaning, emotion, and memory. We cherish both old film photos that were handed down by previous generations and our latest digital photos captured on the newest smartphone. But when those priceless memories are unorganized and scattered every which way—on a smartphone, on a laptop, on memory cards and flash drives, on two or three photo sharing websites, in photo albums, and in shoeboxes in the attic—the dominant feeling quickly goes from “overjoyed” to “overwhelmed.” What a mess!

Whether you’re a professional photographer, a casual shooter, or the designated family historian, *Declutter Your Photo Life* will help you organize and enjoy your photos once again. In this book, professional photo organizer, photographer, and author Adam Pratt teaches you his straightforward step-by-step workflow that will have you taking complete control and creating a calming order out of your photo chaos. And once you’ve mastered Adam’s system—Gather, Preserve, Organize, Share, Maintain—you’ll have all the tools you need to keep your photo treasure organized as you move forward.

**Digital Shoebox** Sarah Bay Williams,2009-09-25 Most people are awash in digital photos—some taken, some received—stuffed here and there in random folders and albums across a hard drive. In *The Digital Shoebox*, Sarah Bay Williams, creator of the image archiving system used by the Academy Awards®, shares her foolproof method for effectively organizing, finding, and sharing photos so you never lose track of your most precious memories. Unlike many books on digital photography that are driven by software, *The Digital Shoebox* teaches readers an easy-to-remember and easy-to-repeat system that doesn't feel like homework or require learning lots of complicated software applications. Part 1 of the book guides readers through the seven most important steps for organizing photos; Part 2 is packed with tips on ways to enjoy and share those photos. Each chapter closes with some slightly more advanced information, should readers want to get technical. Based on the author's experience as photography coordinator for the Academy of Motion Picture Arts and Sciences, and as someone who simply loves taking photos, *The Digital Shoebox* is the first concise and user-centered guide solely dedicated to organizing a personal digital photography collection. Takes a fun and easy-to-implement approach to asset management, featuring a friendly writing style and charming illustrations Teaches the seven key steps needed to help users keep photos organized, available, and safe Includes a Beyond the Box section at the end of each chapter for more advanced readers who want to move beyond the basics

**Take Control of Your Digital Photos** Jeff Carlson,2018 Build a stress-free workflow to import, tag, rate, and organize your digital photos! Are you drowning in a sea of digital photos? Unable to find the shots you're looking for, or to stay on top of managing all the photos you're taking? Digital photography expert Jeff Carlson gives you a plan for tackling this problem, starting with preparing your camera ahead of time, then choosing the right app to manage your photos, judging and organizing your photos, and backing up your photos for safekeeping. In this book--an expanded and updated version of Take Control of Your Digital Photos on a Mac --Jeff extends his advice to cover both Mac and Windows users, and to address a broader range of photo management apps: Photos from Apple, Lightroom Classic CC, Lightroom CC, Photoshop Elements, and Mylio . With this book, you'll learn how to: Get started with the minimum amount of work: Take advantage of software intelligence to do some of the categorizing work for you, and find out how you can accomplish some tasks even if you have little time. Prep your camera: Learn four actions you can take before you head out the door that will make things easier after you return with new pictures. Get your app together: Decide which app you'll use to organize your digital photos, compare popular choices and find out Jeff's recommended application. Import the right way: Learn how to assign valuable metadata to all images that come in during the import stage. Pick winners and losers: Assign ratings to your photos, and remove or hide unwanted photos. Apply keywords and metadata: Take a second pass on applying keywords to individual shots (after starting the process during import), learn how to apply geotags using GPS data from external devices (like an iPhone), and use facial recognition to collect shots of specific friends and family members. Search with smart albums: Build smart albums whose contents change depending on criteria you've specified, allowing you to find photos more easily. While searching, learn how to remove duplicate photos. Go mobile: Find the right online service for making your photos available on mobile devices, based on your needs and which desktop photo management app you use. Protect your photos: Learn how to implement a backup strategy that will preserve all your data, not just your photos, and how to archive photos for the future. After 20 years of struggling to stay on top of family photos I now have an effective workflow, tagging strategy, and s ...
