Photo Organizing Made Easy Cathi Nelson, 2021-09-15 Our photos. They are the keepers of our most precious memories and the tellers of our most cherished stories. But in the digital age, and when free time is nonexistent, organizing your photos - the thousands stored in shoeboxes under your bed, in fading photo albums, and on your phone - is a daunting task! In *Photo Organizing Made Easy: Going from Overwhelmed to Overjoyed*, professional photo organizers share their eight, doable steps to help you organize, maintain, and most importantly, enjoy your photos. You'll learn how to tackle the challenges of time and technology, have access to trusted resources when you need a helping hand, and benefit from expert advice. We are a people of stories. Taking the time to organize your photos is a priceless investment and a gift your loved ones will treasure for generations to come.

What's a Picture Worth? James A. White, 2015-02-09 How many digital photos do you have jumbled on your computer? A picture is worth a thousand words, but if you're not managing your photos, they're just wasting space on your computer hard drive. Or worse yet, you risk losing those priceless photos forever. *What's a Picture Worth?* is a user-friendly guide to help walk you through how to organize, rename, and tag your photos so you can find any photo in mere seconds. You'll learn to leverage free software to fix a so-so photo and turn it into one that really pops. The author will show you the best method to back up your photos and how to share and collaborate on those memories so they're not gathering dust in your computer. Plus, you'll gain useful tips on taking better pictures and scanning old photos. With over 15 years in the computer industry, Jim White knows the important balance of taking something technical and making it less complicated for the everyday computer user. He loves to learn the intricacies of how things work and then find ways to

make them easier for everyone to understand. With thousands of his own photos, Jim has perfected ways to organize, fix, and share his photos and now wants to pass that knowledge onto you! Declutter Your Photo Life Adam Pratt, 2022-05-23

Turn your photo chaos into precious memories to be enjoyed and shared!

Now more than ever, we hold our photo collections dear. They are often some of our most prized possessions. Wouldn't it be great to finally have all your photos organized, safe, accessible, findable, and shareable? With *Declutter Your Photo Life* by your side, you have just what you need to achieve photo bliss.

Photographers and family historians understand the immense power that photographs have to

convey meaning, emotion, and memory. We cherish both old film photos that were handed down by previous generations and our latest digital photos captured on the newest smartphone. But when those priceless memories are unorganized and scattered every which way—on a smartphone, on a laptop, on memory cards and flash drives, on two or three photo sharing websites, in photo albums, and in shoeboxes in the attic—the dominant feeling quickly goes from “overjoyed” to “overwhelmed.” What a mess!

Whether you’re a professional photographer, a casual shooter, or the designated family historian, *Declutter Your Photo Life* will help you organize and enjoy your photos once again. In this book, professional photo organizer, photographer, and author Adam Pratt teaches you his straightforward step-by-step workflow that will have you taking complete control and creating a calming order out of your photo chaos. And once you’ve mastered Adam’s system—Gather, Preserve, Organize, Share, Maintain—you’ll have all the tools you need to keep your photo treasure organized as you move forward.

Digital Shoebox Sarah Bay Williams, 2009-09-25 Most people are awash in digital photos—some taken, some received—stuffed here and there in random folders and albums across a hard drive. In *The Digital Shoebox*, Sarah Bay Williams, creator of the image archiving system used by the Academy Awards®, shares her foolproof method for effectively organizing, finding, and sharing photos so you never lose track of your most precious memories. Unlike many books on digital photography that are driven by software, *The Digital Shoebox* teaches readers an easy-to-remember and easy-to-repeat system that doesn't feel like homework or require learning lots of complicated software applications. Part 1 of the book guides readers through the seven most important steps for organizing photos; Part 2 is packed with tips on ways to enjoy and share those photos. Each chapter closes with some slightly more advanced information, should readers want to get technical. Based on the author's experience as photography coordinator for the Academy of Motion Picture Arts and Sciences, and as someone who simply loves taking photos, *The Digital Shoebox* is the first concise and user-centered guide solely dedicated to organizing a personal digital photography collection. Takes a fun and easy-to-implement approach to asset management, featuring a friendly writing style and charming illustrations Teaches the seven key steps needed to help users keep photos organized, available, and safe Includes a Beyond the Box section at the end of each chapter for more advanced readers who want to move beyond the basics

Take Control of Your Digital Photos Jeff Carlson, 2018 Build a stress-free workflow to import, tag, rate, and organize your digital photos! Are you drowning in a sea of digital photos? Unable to find the shots you're looking for, or to stay on top of managing all the photos you're taking? Digital photography expert Jeff Carlson gives you a plan for tackling this problem, starting with preparing your camera ahead of time, then choosing the right app to manage your photos, judging and organizing your photos, and backing up your photos for safekeeping. In this book--an expanded and updated version of *Take Control of Your Digital Photos on a Mac* --Jeff extends his advice to cover both Mac and Windows users, and to address a broader range of photo management apps: Photos from Apple, Lightroom Classic CC, Lightroom CC, Photoshop Elements, and Mylio . With this book, you'll learn how to: Get started with the minimum amount of work: Take advantage of software intelligence to do some of the categorizing work for you, and find out how you can accomplish some tasks even if you have little time. Prep your camera: Learn four actions you can take before you head out the door that will make things easier after you return with new pictures. Get your app together: Decide which app you'll use to organize your digital photos, compare popular choices and find out Jeff's recommended application. Import the right way: Learn how to assign valuable metadata to all images that come in during the import stage. Pick winners and losers: Assign ratings to your photos, and remove or hide unwanted photos. Apply keywords and metadata: Take a second pass on applying keywords to individual shots (after starting the process during import), learn how to apply

geotags using GPS data from external devices (like an iPhone), and use facial recognition to collect shots of specific friends and family members. Search with smart albums: Build smart albums whose contents change depending on criteria you've specified, allowing you to find photos more easily. While searching, learn how to remove duplicate photos. Go mobile: Find the right online service for making your photos available on mobile devices, based on your needs and which desktop photo management app you use. Protect your photos: Learn how to implement a backup strategy that will preserve all your data, not just your photos, and how to archive photos for the future. After 20 years of struggling to stay on top of family photos I now have an effective workflow, tagging strategy, and S ...

Organize Your Photographs for Lightroom 5 Peter Krogh, 2013-12-15 You want to sort out your image library? Streamline your workflow? Get your images and collections out into the real world quickly and easily? Organizing Your Photos for Lightroom 5 brings clarity and simplicity to this process. Using Peter Krogh's three-step approach, you will be able to build an image library knowing your collection rests on strong foundations. Krogh takes readers on a guided tour of discovery using text and video. He uses his own extensive image library to explain a simple theory of organization that helps you focus on your creativity. Each process is detailed in step-by-step instructions that are easy to follow and understand, and also very powerful. Whether you are a beginning user or a veteran user, all will gain insight, tips and assurance that your photo library is well-organized for the future. Plus you're guaranteed to learn new tools and approaches that many Adobe pros have not yet discovered. And you get to see it all in action in Peter's own image library. He doesn't just tell you what each tool does, he shows you how to put them together effectively. He'll tell you what works, what doesn't, and the lessons he's learned along the way. This Multimedia Book

is written for Adobe Lightroom 5 users, but the approach can apply to earlier versions. -- Publisher's description.
