The Librarian's Guide to Homelessness Ryan Dowd, 2018 Homelessness is a perennial topic of concern at libraries. In fact, staff at public libraries interact with almost as many homeless individuals as staff at shelters do. In this book Dowd, executive director of a homeless shelter, spotlights best practices drawn from his own shelter's policies and training materials --

Grid-Based Problem Solving Environments Patrick W. Gaffney, James C.T. Pool, 2007-09-05 This volume presents the proceedings of the IFIP TC2 WG 2.5 Conference on Grid-Based Problem Solving Environments: Implications for Development and Deployment of Numerical Software, held in Prescott, Arizona from July 17-21, 2006. The book contains the most up-to-date research on grid-based computing. It will interest users and developers of both grid-based and traditional problem solving environments, developers of grid infrastructure, and developers of numerical software.

The Legends of Orkney Alane Adams, 2018-02-27 Experience the Legends of Orkney trilogy--the entire series all together for the first time. In *The Red Sun*, you'll be introduced to middle school student Sam Baron, who gets the shock of his life when a strange dwarf shows up with the claim that Sam is from a magical realm called Orkney. Then Sam's friends are taken prisoner, and he follows their captors to Orkney--embarking upon a journey to rescue his friends, uncover the truth about his past, and combat an ancient curse that threatens to destroy the land. In *Kalifus Rising*, it's Sam who's in trouble this time: Imprisoned by Catriona, leader of the Volgrim Witches, he finds the darker side of his half-god, half-witch heritage released, and he fears he might destroy the very land he's just saved. He believes his only hope for salvation lies with his three best friends and a mystical artifact known as

the Moon Pearl; other forces are at work in Orkney's shadows, however—forces that could help free Sam, or condemn him to the darkness forever. Finally, in The Raven God, an army of red giants gather in the Eighth Realm of Musspell, determined to destroy Orkney—and it's all Sam's fault. After all, he took Odin's life with an ancient cursed dagger, and now mankind has lost its protector. Once again, it's up to Sam and his friends to prove that they can find the courage to do what's needed when the odds are stacked against them, and the sacrifice asked is greater than any of them could imagine. Fast-paced and spell-binding, the Legends of Orkney trilogy is a magical adventure not to be missed.

Normal Graeme Cameron, 2016-03-29 The truth is I hurt people. It's what I do. It's all I do. It's all I've ever done. He lives in your community, he shops in your grocery store, he drives beside you on the highway. What you don't know is that he has an elaborate cage built into a secret basement under his garage, and the food he's shopping for is to feed a young woman he's holding there against her will one in a string of many, unaware of the fate that awaits her. This is how it's been for a long time. It's normal and it works. Perfectly. Then he meets the checkout girl from the 24-hour grocery, and she changes everything. One small problem he still has someone trapped in his garage. Discovering his humanity couldn't have come at a worse time.

Essentials of Athletic Training with Dynamic Human 2.0 Daniel D. Arnheim, William E. Prentice, 2001 Focusing on basic principles in the care and prevention of athletic injuries, this text, developed for introductory courses, highlights information for students pursuing teaching and coaching careers. It includes the Dynamic Human 2.0 CD-ROM and reinforces the anatomy

presented in the text through use of color graphics and animation.

The Reluctant President Jack R. Stanley, 2021-07-20 What if in the dark, small hours of a morning you discovered Secret Service agents at your front door telling you that you were now the President of the United States? That's the way it happened to Porter Randall, a Texas Panhandle surgeon turned novelist who had been persuaded by friends to run for Congress for just a couple of terms. Could a non-politician without rampant ambition or a lust for power fulfill this office? What would happen to the country? Would he, could he make a real difference in the world of Washington, D.C. politics and the world? Porter Randall becomes The Reluctant President and finds out.

Marley Dias Gets It Done: And So Can You! Marley Dias, 2018-01-30 Marley Dias, the powerhouse girl-wonder who started the #1000blackgirlbooks campaign, speaks to kids about her passion for making our world a better place, and how to make their dreams come true! Marley Dias, the powerhouse girl-wonder who started the #1000blackgirlbooks campaign, speaks to kids about her passion for making our world a better place, and how to make their dreams come true! In this accessible guide with an introduction by Academy Award-nominated filmmaker Ava DuVernay, Marley Dias explores activism, social justice, volunteerism, equity and inclusion, and using social media for good. Drawing from her experience, Marley shows kids how they can galvanize their strengths to make positive changes in their communities, while getting support from parents, teachers, and friends to turn dreams into reality. Focusing on the importance of literacy and diversity, Marley offers suggestions on book selection, and delivers hands-on strategies for becoming a lifelong reader.

Fighting for Air Eric Klinenberg, 2007-01-09 A groundbreaking investigative

work by a critically acclaimed sociologist on the corporate takeover of local news and what it means for all Americans For the residents of Minot, North Dakota, Clear Channel Communications is synonymous with disaster. Early in the morning of January 18, 2002, a train derailment sent a cloud of poisonous gas drifting toward the small town. Minot's fire and rescue departments attempted to reach Clear Channel, which owned and operated all six local commercial radio stations, to warn residents of the approaching threat. But in the age of canned programming and virtual DJs, there was no one in the conglomerate's studio to take the call. The people of Minot were taken unawares. The result: one death and more than a thousand injuries. Opening with the story of the Minot tragedy, Eric Klinenberg's *Fighting for Air* takes us into the world of preprogrammed radio shows, empty television news stations, and copycat newspapers to show how corporate ownership and control of local media has remade American political and cultural life. Klinenberg argues that the demise of truly local media stems from the federal government's malign neglect, as the agencies charged with ensuring diversity and open competition have ceded control to the very conglomerates that consistently undermine these values and goals. Such big media may not be here to stay, however. Eric Klineberg's *Fighting for Air* delivers a call to action, revealing a rising generation of new media activists and citizen journalists—a coalition of liberals and conservatives—who are demanding and even creating the local coverage they need and deserve.

Her Right Foot Dave Eggers, 2017-09-19 If you had to name a statue, any statue, odds are good you'd mention the Statue of Liberty. Have you seen her?

She's in New York. She's holding a torch. And she's taking one step forward. But why? In this fascinating, fun take on nonfiction, uniquely American in its frank tone and honest look at the literal foundation of our country, Dave Eggers and Shawn Harris investigate a seemingly small trait of America's most emblematic statue. What they find is about more than history, more than art. What they find in the Statue of Liberty's right foot is the powerful message of acceptance that is essential to an entire country's creation. Can you believe that?

Library Services Platforms American Library Association, Marshall Breeding, 2015 The genre of library services platforms helps libraries manage their collection materials and automate many aspects of their operations by addressing a wider range of resources and taking advantage of current technology architectures compared to the integrated library systems that have previously dominated. This issue of Library Technology Reports explores this new category of library software, including its functional and technical characteristics. It highlights the differences with integrated library systems, which remain viable for many libraries and continue to see development along their own trajectory. This report provides an up-to-date assessment of these products, including those that have well-established track records as well as those that remain under development. The relationship between library services platforms and discovery services is addressed. The report does not provide detailed listings of features of each

product, but gives a general overview of the high-level organization of functionality, the adoption patterns relative to size, types, and numbers of libraries that have implemented them, and how these libraries perceive their performance. This seminal category of library technology products has gained momentum in recent years and is positioned to reshape how libraries acquire, manage, and provide access to their

Introduction to Public Librarianship, Third Edition Kathleen de la Pena McCook, Jenny S. Bossaller, Felton Thomas Jr., 2018-12-18 Put simply, there is no text about public librarianship more rigorous or comprehensive than McCook's survey. Now, the REFORMA Lifetime Achievement Award-winning author has teamed up with noted public library scholar and advocate Bossaller to update and expand her work to incorporate the field's renewed emphasis on outcomes and transformation. This essential tool (Library Journal) remains the definitive handbook on this branch of the profession. It covers every aspect of the public library, from its earliest history through its current incarnation on the cutting edge of the information environment, including statistics, standards, planning, evaluations, and results; legal issues, funding, and politics; organization, administration, and staffing; all aspects of library technology, from structure and infrastructure to websites and makerspaces; adult services, youth services, and children's services; associations, state library agencies, and other professional organizations; global perspectives on public libraries; and advocacy, outreach, and human rights. Exhaustively researched and expansive in its scope, this benchmark text continues to serve both LIS students and working professionals.

Book Banning in 21st-Century America Emily J. M. Knox, 2015-01-16 Book

Banning in 21st Century America, based on thirteen contemporary book challenge cases in schools and public libraries across the United States argues that understanding contemporary reading practices, especially interpretive strategies, is vital to understanding why people attempt to censor books in schools and public libraries.

Beyond Banned Books Kristin Pekoll, 2019-05-01 This resource from Pekoll, Assistant Director of the American Library Association's Office for Intellectual Freedom (OIF), uses specific case studies to offer practical guidance on safeguarding intellectual freedom related to library displays, programming, and other librarian-created content.

10 Ultimate Truths Girls Should Know Kari Kampakis, 2014-11-11 These ten simple truths can build one big change in your daughter's life. When Kari Kampakis wrote a blog post in July 2013 titled "10 Truths Young Girls Should Know," the post went viral and was shared more than 65,000 times on Facebook. Obviously her message strikes a chord with moms and dads across the country. This nonfiction book for teen girls expands on these ten truths and brings a Christian message to the hearts of both moms and daughters. Teen girls deal daily with cliques, bullying, rejection, and social media nightmares. Kari Kampakis wants girls to know that they don't have to compromise their integrity and future to find love, acceptance, and security. Her ten truths include: Kindness is more important than popularity. People peak at different times of life. Trust God's plan for you. Get comfortable with being uncomfortable. Otherwise, you'll never stick to your guns. Today's choices set the stage for your reputation. You were born to fly. Fans of Kari's blog and newspaper column will not want to miss her first book. Filled with practical advice, loving support, and insightful discussion questions, 10

Ultimate Truths Girls Should Know is a timely and approachable list of guidelines that will help young girls navigate a broken world and become the young women God made them to be.

In this first book of the prequel series, the *Witches of Orkney*, nine-year-old Abigail Tarkana is determined to grow up to be the greatest witch of all, even greater than her evil ancestor Catriona. Unfortunately, she is about to fail Spectacular Spells class because her witch magic hasn't come in yet. Even worse, her nemesis, Endera, is making life miserable by trying to get her kicked out. When her new friend Hugo's life is put in danger by a stampeding sneevil, a desperate Abigail manages to call up her magic—only to find out it's unlike any other witchling's at the Tarkana Witch Academy! As mysteries deepen around her magic and just who her true parents are, Abigail becomes trapped in a race against time to undo one of her spells before she is kicked out of the coven forever! Rich in Norse mythology, *The Blue Witch* is the first of a fast-paced young reader series filled with magical spells, mysterious beasts, and witch-hungry spiders!

Path To The Stars Sylvia Acevedo, 2018-09-04 The inspiring memoir for young readers about a Latina rocket scientist whose early life was transformed by joining the Girl Scouts and who currently serves as CEO of the Girl Scouts of the USA. A meningitis outbreak in their underprivileged neighborhood left Sylvia Acevedo's family forever altered. As she struggled in the aftermath of loss, young Sylvia's life transformed when she joined the Brownies. The Girl Scouts taught her how to take control of her world and nourished her love of numbers and science. With new confidence, Sylvia navigated shifting cultural expectations at school and at home, forging her own trail to become one of the first Latinx to graduate with a master's in engineering from Stanford University and going on to become a rocket scientist at NASA's Jet Propulsion Laboratory. Kudo Kids: The Mystery of the Masked Medalist Maia Shibutani, Alex Shibutani, Michelle Schusterman, 2021-04-06 From two-time Olympic bronze medalists Maia and Alex Shibutani comes a fun-filled, fast-paced middle-grade mystery set at the 2020 Tokyo Olympics. Andy and Mika are going to Tokyo! The Kudo Kids have never been to Japan before, so they can't believe they get to attend the Summer Olympics there. The siblings plan to eat tons of delicious Japanese food, watch every event they can, and win a super-popular new game called OlympiFan. Developed by a mysterious former medalist, OlympiFan brings players together from all over the world to search Tokyo for virtual medals and clues to the creator's identity. Andy loves puzzles, and he's determined to crack this one, especially since the winning team will get to be beta testers for the Masked Medalist's future games! Mika wants to find as many clues as she can, but she also has a secret goal of her own--one that could get her into big trouble. But when someone sabotages the game, the Kudo Kids

have an even bigger mystery to solve than the Masked Medalist's identity. If they want to capture the gold, Mika and Andy have to figure out who's trying to stop their team before someone beats them to the grand prize!

The Secret Spiral of Swamp Kid Kirk Scroggs, 2019-10-01 Warning! Anyone caught reading this notebook without my permission will be tossed in the bayou with a rabid snapping turtle! Seriously, I mean it! My name is Russell Weinwright and if you think you've got problems in middle school, try being a half kid, half algae swamp creature who's terrible at sports! It's not easy. I eat sunlight for lunch, I've got duck weed for hair, and I think a frog might be living in my tree trunk arm. I'm literally pond scum! Some kids call me Swamp Kid, but my best friends Charlotte and Preston keep me sane. I wish I could let you read this notebook to get the real scoop on being an eighth-grade outsider (please ignore the doodles and ketchup stains!), but things have gotten a little crazy lately. Men in black are spying on me, my science teacher might be an evil mastermind, and a hulking beast in the bayou may or may not be my super swamp mentor. Believe me, you don't wanna know! Turn back now! This is The Secret Spiral of Swamp Kid by writer and illustrator Kirk Scroggs, and you'll never look at middle school the same way again.
