Team Leadership In Christian Ministry Kenneth O. Gangel,1997-01-05 'Team leadership is the exercise of one's spiritual gifts under the call of God to serve a certain group of people in achieving the goals God has given them toward the end of glorifying Christ.'How is your church or organization governed? Does it have an authoritarian, top-down administration? Is the ministry vision developed by a few top officials, with little input from staff or volunteers? Today the definition of an effective leader has changed. No longer does the model leader manage like the Lone Ranger - either do it his way or no way. Today the model leader shares responsibility with fellow team leaders and seeks to serve them. In this complete revision of his earlier work, Building Leaders for Church Education, Dr. Gangel carefully lays a biblical foundation for the team leadership model. This leadership is not dogmatic control or personality worship. It has no room for political power plays. Instead, it is Paul gently nurturing young Christians in his epistles. It is Barnabas willingly thrusting others into situations where they develop their own gifts. It is Christ, choosing not one, but twelve men to carry on His ministry. It is servant leadership. With examples, illustrations, and suggestions for further reading at the end of each chapter, Dr. Gangel prods and encourages the reader to move beyond the safety net of autocratic leadership into the rewarding, effective practice of leading with and through others.

The Legends of Orkney Alane Adams,2018-02-27 Experience the Legends of Orkney trilogy—the entire series all together for the first time. In The Red Sun, you'll be introduced to middle school student Sam Baron, who gets the shock of his life when a strange dwarf shows up with the claim that Sam is from a magical realm called Orkney. Then Sam's friends are taken prisoner, and he follows their captors to Orkney—embarking upon a journey to rescue his friends, uncover the truth about his past, and combat an ancient curse that threatens to destroy the land. In Kalifus Rising, it's Sam who's in trouble this time: Imprisoned by Catriona, leader of the Volgrim Witches, he finds the darker side of his half-god, half-witch heritage released, and he fears he might destroy the very land he's just saved. He believes his only hope for salvation lies with his three best friends and a mystical artifact known as the Moon Pearl; other forces are at work in Orkney's shadows, however—forces that could help free Sam, or condemn him to the darkness forever. Finally, in The Raven God, an army of red giants gather in the Eighth Realm of Musspell, determined to destroy Orkney—and it's all Sam's fault. After all, he took Odin's life with an ancient cursed dagger, and now mankind has lost its protector. Once again, it's up to Sam and his friends to prove that they can find the courage to do what's needed when the odds are stacked against them, and the sacrifice asked is greater than any of them could imagine. Fast-paced and spell-binding, the Legends of Orkney trilogy is a magical adventure not to be missed.
