Satanic Sigil Black Magick Black Magick Journals, 2018-06-04 Black Magick, Occult, Wicca and Satanic Journals Keeping a magical record, magical journal or magical diary is the most important esoteric skills in magick and occultism. Its is used to record your dreams, magical experiments, rituals and for active exploration of the unconscious and subconscious realms through creation of sigils, drawing sketching and writing. This is a deeply important aspect of Witchcraft, Chaos Magick, Thelema, Satanism, Wicca and Wiccan Traditions. The powerful symbol used in the design should be studied and meditated upon. Use it as a guiding influence in your magical undertakings. Visit the Black Magick Journals page for more styles, designs, sizes and other options. Features: Soft sturdy beautiful softcover Measurements: 6x9 120 pages College rule lined pages perfect for writing, journaling or taking notes This notebook and writing journal has 120 College Ruled Pages measuring 6 x 9 in size. It has a sturdy cover and is perfect bound. This notebook is perfect for note taking, journaling, writing poetry, lists, ideas, or your next book. This Journal is great for taking notes, jotting lists, drawing, brainstorming, or meditation and mindfulness journaling.

The Mayan Ouroboros Drunvalo Melchizedek, 2012-11-01 There have been many interpretations and predictions about the year 2012, known as the Mayan End Time—touted in everything from books to television commercials. But what do the Mayans themselves have to say about these prophecies? In *The Mayan Ouroboros*, the much-anticipated follow-up to his bestselling *Serpent of Light*, spiritual researcher Drunvalo Melchizedek reveals for the first time what Mayan elders have told him about this period. In this book he explains how to prepare for this transition to a new 13,000-year cycle by learning how to move out of our brain and into our hearts. He shares the Mayan insight of the importance of our heart connection to our survival and ability to thrive during these times. Plus *The Mayan Ouroboros* reveals: The untold positive side of the Mayan prophecies The Mayan End Time--a seven-year period of transition which began in 2007 The magnetic pole shift that is currently affecting humans around the world The new ways in which humans will begin to perceive and communicate in the world. The discovery of thousands of ancient Mayan codexes that are currently being decoded by the Mayans

Me and White Supremacy Layla Saad, 2020-01-28 The New York Times and USA Today bestseller! This eye-opening book challenges you to do the essential work of unpacking your biases, and helps white people take action and dismantle the privilege within themselves so that you can stop (often unconsciously) inflicting damage on people of color, and in turn, help other white people do better, too. Layla Saad is one of the most important and valuable teachers we have right now on the subject of white supremacy and racial injustice.—New York Times bestselling author Elizabeth Gilbert Based on the viral Instagram challenge that captivated participants worldwide, *Me and White Supremacy* takes readers on a 28-day journey, complete with journal prompts, to do the necessary and vital work that can ultimately lead to improving race relations. Updated and expanded from the original workbook (downloaded by nearly 100,000 people), this critical text helps you take the work deeper by adding more historical and cultural contexts, sharing moving stories and anecdotes, and including expanded definitions, examples, and further resources, giving you the language to understand racism, and to dismantle your own biases, whether you are using the book on your own, with a book club, or looking to start family activism in your own home. This book will walk you step-by-step through the work of examining: Examining your own white privilege What allyship really means Anti-blackness, racial stereotypes, and cultural appropriation Changing the way that you view and respond to race How to continue the work to create social change Awareness leads to action, and action leads to change. For readers of *White Fragility*, *White Rage*, *So You Want To Talk About Race*, *The New Jim Crow*, *How to Be an Anti-Racist* and more who are ready to closely examine their own beliefs and biases and do the work it will take to create social change. Layla Saad moves her readers from their heads into their hearts, and ultimately, into their practice. We won't end white supremacy through an intellectual understanding alone; we must put that understanding into action.—Robin DiAngelo, author of *New York*

Times bestseller White Fragility

The Universal One Walter Russell, 2022-05-04 THE UNIVERSAL ONE was originally published in 1927 and distributed to the top scientists in the country. It is being republished at this crucial period for the sole purpose of again releasing vital new scientific knowledge to this new age- of new comprehension. Today the whole world is in a state of chaos fighting against the forces of greed, envy, jealousy and fear. Disharmony is rife. All of our human relations are in a state of violent upheaval. Civilization is in reverse. Science is being used to destroy instead of to build. We talk of world peace, yet those who are to plan the new world do not know the answer, the solution. Present knowledge of man's relation to Nature and Natural Law which controls his human relations is, as yet, inadequate to meet the situation. Man is still too near his jungle to either know the law which inexorably governs his every action and that of everything in Nature or to comprehend that he must obey Nature or be self-destroyed. Still dominated by jungle habits, he settles his human relations by jungle methods. Wars and world chaos will continue until new knowledge applicable to the coming new cycle in man's evolution is acquired by him. What is this new knowledge? A consistent cosmogony is sorely needed for this newly dawning day of man's exaltation which is to come. Walter Russell spent a full seven years in writing this book. When it was first published in 1927, it won more condemnation than favor from a world which was not then as ready for it as now. The book mixed science and metaphysics in a manner which nullified its impression upon physicists. Gradually, however, many of its then radical statements have been verified by some of the world's greatest scientists and have won him many followers. The physicist draws a sharp line between things which he can in some way detect by the evidence of his senses and things which lie beyond that evidence. There is no denial of a something beyond the range of his senses and his sensed instruments, but what may be there is conjectural and, therefore, inadmissible as scientific data of a reliable nature. In other words, material evidence which lies within the narrow limits of man's sense-range is the only admissible evidence to science. But what about that vast range which will not respond to our sensed bodies and sensed instruments? Down the ages a rare few have been permitted to sever the senses which connect matter with its motivated Source in the consciousness of Universal Mind. These few have become conscious of the cosmos and have tried to tell the world of its simplicity. Each of these has faced an impossible task. The generalities and symbols which they did set down have been discounted and relegated to poetry or metaphysics or mysticism.

Million Eyes III C.R. Berry, 2023-02-17 Time is the Ultimate Deceiver On a cold morning in 2219, Cara Montgomery and her husband, Jackson, have a frightening encounter on the beach. An encounter that leads to a war with a depraved and relentless alien race, the Shapeless, changing their lives forever. Three hundred years earlier, Harriet Turner travels to the future to learn the shocking secret behind Victorian London's most notorious serial killer, Jack the Ripper. A mysterious barber, Fred, goes with her, but Fred has a shocking secret of his own. Hunted by the ruthless Miss Morgan and plagued by visions of a snake eating its own tail, Harriet discovers that the all-powerful Million Eyes isn't the only one with an agenda. Time itself has one too. Cover artwork by Alison Buck

Hatching Magic Ann Downer, 2003-05 Poor Theodora Oglethorpe! Her biologist father has gone off to explore the jungles of Laos without her, her two best friends are away on vacation, and a long, hot, lonely Boston summer is all she has to look forward to. Poor Gideon! Wycca, his pet wyvern, has disappeared through a magic hole in time in search of a place to lay her egg. Kobold, Gideon's rival wizard, wants nothing more than to capture Wycca and turn her against her master. In a desperate attempt to rescue Wycca from Kobold's evil clutches, Gideon follows her through the magic hole...and finds himself transported from his castle in thirteenth-century England to the terrifyingly modern world of Boston, Massachusetts, in the year 2002. Little does Gideon know that what he needs most in order to find his wyvern is stuck to the bottom of Theodora's shoe. And little does Theodora know that Gideon is the reason why her summer vacation has begun to seem a whole lot more interesting...

What We Buried Kate A. Boorman, 2019-02-26 Told from the split viewpoints of Liv and Jory, Kate A. Boorman's *What We Buried* is a psychological thrill ride that deftly explores how memories can lie, how time can bend, and how reconciling the truth can be a matter of life or death. "Do you ever just want to be believed?" Siblings Liv and Jory Brewer have grown up resenting each another. Liv—former pageant queen and reality TV star—was groomed for a life in the spotlight, while her older brother, Jory, born with a partial facial paralysis, was left in the shadows. The only thing they have in common is contempt for their parents. Now Liv is suing her mom and dad for emancipation, and Jory views the whole thing as yet another attention-getting spectacle. But on the day of the hearing, their parents mysteriously vanish, and the siblings are forced to work together. Liv feels certain she knows where they are and suspects that Jory knows more than he's telling...which is true. What starts as a simple overnight road trip soon takes a turn for the dangerous and surreal. And as the duo speeds through the deserts of Nevada, brother and sister will unearth deep family secrets that force them to relive their pasts as they try to retain a grip on the present.

The Word Exchange Alena Graedon, 2014-04-08 A dystopian novel for the digital age, *The Word Exchange* offers an inventive, suspenseful, and decidedly original vision of the dangers of technology and of the enduring power of the printed word. In the not-so-distant future, the forecasted "death of print" has become a reality. Bookstores, libraries, newspapers, and magazines are things of the past, and we spend our time glued to handheld devices called Memes that not only keep us in constant communication but also have become so intuitive that they hail us cabs before we leave our offices, order takeout at the first growl of a hungry stomach, and even create and sell language itself in a marketplace called the Word Exchange. Anana Johnson works with her father, Doug, at the North American Dictionary of the English Language (NADEL), where Doug is hard at work on the last edition that will ever be printed. Doug is a staunchly anti-Meme, anti-tech intellectual who fondly remembers the days when people used email (everything now is text or videoconference) to communicate—or even actually spoke to one another, for that matter. One evening, Doug disappears from the NADEL offices, leaving a single written clue: ALICE. It's a code word he devised to signal if he ever fell into harm's way. And thus begins Anana's journey down the proverbial rabbit hole . . . Joined by Bart, her bookish NADEL colleague, Anana's search for Doug will take her into dark basements and subterranean passageways; the stacks and reading rooms of the Mercantile Library; and secret meetings of the underground resistance, the Diachronic Society. As Anana penetrates the mystery of her father's disappearance and a pandemic of decaying language called "word flu" spreads, *The Word Exchange* becomes a cautionary tale that is at once a technological thriller and a meditation on the high cultural costs of digital technology.

Meetings with Remarkable Manuscripts Christopher de Hamel, 2016-09-22 'An endlessly fascinating and enjoyable book' Neil MacGregor 'Full of delights' Tom Stoppard An extraordinary exploration of the medieval world - the most beguiling history book of the year This is a book about why medieval manuscripts matter. Coming face to face with an important illuminated manuscript in the original is like meeting a very famous person. We may all pretend that a well-known celebrity is no different from anyone else, and yet there is an undeniable thrill in actually meeting and talking to a person of world stature. The idea for the book, which is entirely new, is to invite the reader into intimate conversations with twelve of the most famous manuscripts in existence and to explore with the author what they tell us about nearly a thousand years of medieval history - and sometimes about the modern world too. Christopher de Hamel introduces us to kings, queens, saints, scribes, artists, librarians, thieves, dealers, collectors and the international community of manuscript scholars, showing us how he and his fellows piece together evidence to reach unexpected conclusions. He traces the elaborate journeys which these exceptionally precious artefacts have made through time and space, shows us how they have been copied, who has owned them or lusted after them (and how we can tell), how they have been embroiled in politics and scholarly disputes, how they have been regarded as objects of supreme beauty and luxury and as symbols of national identity. The book touches on religion, art, literature, music, science

and the history of taste. Part travel book, part detective story, part conversation with the reader, *Meetings with Remarkable Manuscripts* conveys the fascination and excitement of encountering some of the greatest works of art in our culture which, in the originals, are to most people completely inaccessible. At the end, we have a slightly different perspective on history and how we come by knowledge. It is a most unusual book.

Lock Every Door Riley Sager, 2024-01-02 INSTANT NEW YORK TIMES BESTSELLER “Looking for a suspense novel that will keep you up until way past midnight? Look no further than *Lock Every Door*, by Riley Sager.”—Stephen King No visitors. No nights spent away from the apartment. No disturbing the other residents, all of whom are rich or famous or both. These are the only rules for Jules Larsen’s new job as an apartment sitter at the Bartholomew, one of Manhattan’s most high-profile and mysterious buildings. Recently heartbroken and just plain broke, Jules is taken in by the splendor of her surroundings and accepts the terms, ready to leave her past life behind. As she gets to know the residents and staff of the Bartholomew, Jules finds herself drawn to fellow apartment sitter Ingrid, who comfortingly reminds her of the sister she lost eight years ago. When Ingrid confides that the Bartholomew is not what it seems and the dark history hidden beneath its gleaming facade is starting to frighten her, Jules brushes it off as a harmless ghost story...until the next day, when Ingrid disappears. Searching for the truth about Ingrid’s disappearance, Jules digs deeper into the Bartholomew’s sordid past and into the secrets kept within its walls. What she discovers pits Jules against the clock as she races to unmask a killer, expose the building’s hidden past, and escape the Bartholomew before her temporary status becomes permanent.

Dark Ecology Timothy Morton, 2016-04-12 Timothy Morton argues that ecological awareness in the present Anthropocene era takes the form of a strange loop or Möbius strip, twisted to have only one side. Deckard travels this oedipal path in *Blade Runner* (1982) when he learns that he might be the enemy he has been ordered to pursue. Ecological awareness takes this shape because ecological phenomena have a loop form that is also fundamental to the structure of how things are. The logistics of agricultural society resulted in global warming and hardwired dangerous ideas about life-forms into the human mind. Dark ecology puts us in an uncanny position of radical self-knowledge, illuminating our place in the biosphere and our belonging to a species in a sense that is far less obvious than we like to think. Morton explores the logical foundations of the ecological crisis, which is suffused with the melancholy and negativity of coexistence yet evolving, as we explore its loop form, into something playful, anarchic, and comedic. His work is a skilled fusion of humanities and scientific scholarship, incorporating the theories and findings of philosophy, anthropology, literature, ecology, biology, and physics. Morton hopes to reestablish our ties to nonhuman beings and to help us rediscover the playfulness and joy that can brighten the dark, strange loop we traverse.

Serpent of Light Drunvalo Melchizedek, 2008-01-01 Part travel adventure, part spiritual instruction - a first-hand account of the movement of the Earth’s Kundalini and the rise of the Female Light, 1948 to 2013.

Contemporary, 2004

Staying with the Trouble Donna J. Haraway, 2016-08-19 In the midst of spiraling ecological devastation, multispecies feminist theorist Donna J. Haraway offers provocative new ways to reconfigure our relations to the earth and all its inhabitants. She eschews referring to our current epoch as the Anthropocene, preferring to conceptualize it as what she calls the Chthulucene, as it more aptly and fully describes our epoch as one in which the human and nonhuman are inextricably linked in tentacular practices. The Chthulucene, Haraway explains, requires sym-poiesis, or making-with, rather than auto-poiesis, or self-making. Learning to stay with the trouble of living and dying together on a damaged earth will prove more conducive to the kind of thinking that would provide the means to building more livable futures. Theoretically and methodologically driven by the signifier SF—string figures, science fact, science fiction, speculative feminism, speculative fabulation, so far—*Staying with the Trouble* further cements Haraway’s reputation as one of the most daring and original thinkers of our time.

Orange World and Other Stories Karen Russell, 2019-05-14 From the Pulitzer Finalist and universally beloved author of the New York Times best sellers *Swamplandia!* and *Vampires in the Lemon Grove*, a stunning new collection of short fiction that showcases Karen Russell's extraordinary, irresistible gifts of language and imagination. Karen Russell's comedic genius and mesmerizing talent for creating outlandish predicaments that uncannily mirror our inner lives is on full display in these eight exuberant, arrestingly vivid, unforgettable stories. In "Bog Girl", a revelatory story about first love, a young man falls in love with a two thousand year old girl that he's extracted from a mass of peat in a Northern European bog. In "The Prospectors," two opportunistic young women fleeing the depression strike out for new territory, and find themselves fighting for their lives. In the brilliant, hilarious title story, a new mother desperate to ensure her infant's safety strikes a diabolical deal, agreeing to breastfeed the devil in exchange for his protection. The landscape in which these stories unfold is a feral, slippery, purgatorial space, bracketed by the void—yet within it Russell captures the exquisite beauty and tenderness of ordinary life. *Orange World* is a miracle of storytelling from a true modern master.

Night in the Lonesome October Roger Zelazny, 2017-09

Anton LaVey and the Church of Satan Carl Abrahamsson, 2022-02-01 • Includes never-before-published material from LaVey, including transcripts from his never-released "Hail Satan!" video • Shares in-depth interviews with intimate friends and collaborators, including LaVey's partner Blanche Barton, his son Xerxes LaVey, and current heads of the Church of Satan Peter Gilmore and Peggy Nadramia • Provides inside accounts of the Church of Satan and activities at the Black House, personal stories and anecdotes from the very colorful life of the Black Pope, and firsthand explanations of key principles of LaVey's philosophy With his creation of the infamous Church of Satan in 1966 and his bestselling book *The Satanic Bible* in 1969, Anton Szandor LaVey (1930-1997) became a controversial celebrity who basked in the attention and even made a successful career out of it. But who was Anton LaVey behind the public persona that so easily provoked Christians and others intolerant of his views? One of privileged few who spent time with the "Black Pope" in the last decade of his life, Carl Abrahamsson met Anton LaVey in 1989, sparking an "infernally" empowering friendship. In this book Abrahamsson explores what LaVey was really about, where he came from, and how he shaped the esoteric landscape of the 1960s. The author shares in-depth interviews with the notorious Satanist's intimate friends and collaborators, including LaVey's partner Blanche Barton; his son, Xerxes LaVey; current heads of the Church of Satan, Peter Gilmore and Peggy Nadramia; occult filmmaker Kenneth Anger; LaVey's personal secretary Margie Bauer; film collector Jack Stevenson; and film historian Jim Morton. Abrahamsson also shares never-before-published material from LaVey himself, including discussions between LaVey and Genesis P-Orridge and transcribed excerpts from LaVey's never-released "Hail Satan!" video. Providing inside accounts of the Church of Satan and activities at the Black House, this intimate exploration of Anton LaVey reveals his ongoing role in the history of culture and magic.

The Eternal Ones Kirsten Miller, 2010-08-10 Haven Moore can't control her visions of a past with a boy called Ethan and a life in New York that ended in fiery tragedy. In our present, she designs beautiful dresses for her classmates with her best friend Beau. Dressmaking keeps her sane, since she lives with her widowed and heartbroken mother in her tyrannical grandmother's house in Snope City, a tiny town in Tennessee. Then an impossible group of coincidences conspire to force her to flee to New York, to discover who she is, and who she was. In New York, Haven meets Iain Morrow and is swept into an epic love affair that feels both deeply fated and terribly dangerous. Iain is suspected of murdering a rock star and Haven wonders, could he have murdered her in a past life? She visits the Ouroboros Society and discovers a murky world of reincarnation that stretches across millennia. Haven must discover the secrets hidden in her past lives, and loves, before all is lost and the cycle begins again.

The Cumulative Book Index, 1985 A world list of books in the English language.

The Art of Steampunk Arthur W. Donovan, 2011 Dive into the world of Steampunk where machines are functional pieces of art and the design is
