Chastity in Early Stuart Literature and Culture Bonnie Lander Johnson,2015-11-26 In this book, Bonnie Lander Johnson explores early modern ideas of chastity, demonstrating how crucial early Stuart thinking on chastity was to political, medical, theological and moral debates, and that it was also a virtue that governed the construction of different literary genres. Drawing on a range of materials, from prose to theatre, theological controversy to legal trials, and court ceremonies - including royal birthing rituals - Lander Johnson unearths previously unrecognised opinions about chastity. She reveals that early Stuart theatrical and court ceremonies were part of the same political debate as prose pamphlets and religious sermons. The volume also offers new readings of Milton's *Comus*, Shakespeare's *The Winter's Tale*, Henrietta Maria's queenship and John Ford's plays. It will appeal to scholars of early modern literature, theatre, political, medical and cultural history, and gender studies.

**The Glass Window** Mario Morales,2001-08 The awareness of child abuse in the 50's was not, as common place as it is today. Racism and religion were more common and at the forefront. Lives were different, people were different and not as educated or desensitized as today's society. People didn't talk about personal matters and that was it. Secrets were kept in the heart, festering, painful and help was fleeting unless you were rich. This story is an awesome psychological rollercoaster of fear at it's

worst from the side of the survivor. A love so great that he feared telling his loved ones of the pains he endured for fear of hurting them so he carried it to a point of self-destruction. "The Glass Window" is truly a look into the reflection of the soul and the spiritual awakening of a tormented image that was just a tap away from a cracked world gone mad. From an innocent child surviving a trauma and racial bigotry to an accused killer. This book is not meant to aggrandize the drug life, but to show a way for those in similar situations to find a way out. Look into the window of the soul and you will see the dark of day and the light of darkness turned into a miracle of wonder beyond belief. How do I know? Because it happened to me.
