**The Millionaire Fastlane** MJ DeMarco,2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as The Slowlane your plan for creating wealth? You know how it goes; it sounds a lil something like this: Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich. The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to settle-for-less and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of do what you love will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

**Girls with Guts!** Debbie Gonzales,2019-05-14 No chasing! No stretching or straining! And never, ever sweat. These were the rules girls were forced to play by until Title IX passed in 1972. And it was a game-changer. A celebration of the strength, endurance, and athleticism of women and girls throughout the ages, *Girls With Guts!* keeps score with examples of women athletes from the late

1800s up through the 1970s, sharing how women refused to take no for an answer, and how finally, they pushed for a law to protect their right to play, compete, and be athletes. I find that this book tells the story of courageous and remarkable women that has brought the opportunities for today's girls in a positive and fun way even though the fight has not always been easy. But this book captures history in way where the first thought is strength and will of these remarkable ladies. It is also a good book to remind that it is not that long ago that we were in a very different situation still. A good reminder that even though there are still things and attitudes to change, women's sport has come a long way to the point we had in Buenos Aires Youth Olympic Games for the first time ever, 50/50 female and male athletes competing! —Emma Terho, a multiple-time Olympic and Women's World Championship bronze medalist
