The Bible in Africa Gerald West, Musa Dube, 2021-10-01 Although the arrival of the Bible in Africa has often been a tale of terror, the Bible has become an African book. This volume explores the many ways in which Africans have made the Bible their own. The essays in this book offer a glimpse of the rich resources that constitute Africa's engagement with the Bible. Among the topics are: the historical development of biblical interpretation in Africa, the relationship between African biblical scholarship and scholarship in the West, African resources for reading the Bible, the history and role of vernacular translation in particular African contexts, the ambiguity of the Bible in Africa, the power of the Bible as text and symbol, and the intersections between class, race, gender, and culture in African biblical interpretation. The book also contains an extensive bibliography of African biblical scholarship. In fact, it is one of the most comprehensive collections of African biblical scholarship available in print. This publication has also been published in paperback, please click here for details.

The Crime Novel Tony Hilfer, 2014-07-03 Although rarely distinguished from the detective story, the crime novel offers readers a quite different experience. In the detective novel, a sympathetic detective figure uses reason and intuition to solve the puzzle, restore order, and reassure readers that right will always prevail. In the crime novel, by contrast, the hero is either the killer, the victim, a guilty bystander, or someone falsely accused, and the crime may never be satisfactorily solved. These and other fundamental differences are set out by Tony Hilfer in *The Crime Novel*, the first book that completely defines and explores this popular genre. Hilfer offers convincing evidence that the crime novel should be regarded as a genre distinct from the detective novel, whose conventions it subverts to develop conventions of its own. Hilfer provides in-depth analyses of novels by Georges Simenon, Margaret Millar, Patricia Highsmith, and Jim Thompson. He also treats such British novelists as Patrick Hamilton, Shelley Smith, and Marie Belloc Lowndes, as well as the American novelists Cornell Woolrich, John Franklin Bardin, James M. Cain, and Fredric Brown. In addition, he defines the distinctions between the American crime novel and the British, showing how their differences correspond to differences in American and British detective fiction. This well-written study will appeal to a general audience, as well as teachers and students of detective and mystery fiction. For anyone interested in the genre, it offers valuable suggestions of what to read next.

How to Lose the Information War Nina Jankowicz, 2020-06-11 Since the start of the Trump era, the United States and the Western world has finally begun to wake up to the threat of online warfare and the attacks from Russia, who flood social media with disinformation, and circulate false and misleading information to fuel fake narratives and make the case for illegal warfare. The question no one seems to be able to answer is: what can the West do about it? Central and Eastern European states, including Ukraine and Poland, however, have been aware of the threat for years. Nina Jankowicz has advised these governments on the front lines of the information war. The lessons she learnt from that fight, and from her attempts to get US congress to act, make for essential reading. *How to Lose the Information War* takes the reader on a journey through five Western governments' responses to Russian information warfare tactics - all of which have failed. She journeys into the campaigns the Russian operatives run, and shows how we can better understand the motivations behind these attacks and how to beat them. Above all, this book shows what is at stake: the future of civil discourse and democracy, and the value of truth itself.

When Hitler Took Austria Kurt & Janet Von Schuschnigg, 2012-01-26 In March 12, 1938, German troops marched into Austria as Adolf Hitler prepared to annex the country. Austrian Chancellor Kurt von Schuschnigg, who had opposed the Nazi take-over of his homeland, was placed under house arrest and subsequently sent with his wife to Sachsenhausen concentration camp. This is the gripping story of von Schuschnigg and his family as told by his son, who came of age during these dramatic events. His memoir is a tribute to the faith, hope and perseverance of his family and the many people who took great risks in order to help them survive Nazi rule and the Second World War. The story begins with the junior von Schuschnigg's boyhood and his father's efforts to maintain Austrian independence during the rise of Nazism in Germany, Fascism in Italy, and political unrest in Austria. After the Anschluss, von Schuschnigg's son was allowed to finish his education in Germany, where in order to avoid being drafted into the German army, he went to the naval academy. He ended up on a warship of the Third Reich, serving the regime that held his family captive. Von Schuschnigg recounts his many harrowing escapes, first as a young naval officer and later as a deserter on the run. At every turn, he is helped not only by his own wits but also by the mysterious working of Providence, which sometimes manifests itself in surprising acts of goodness by others. Includes 24 pages of photos.

Unbecoming Vasant Raval, Prafulla Raval, 2022-08-02 An outlier in many ways, this book focuses on what is typically not observed, nor consciously searched in our lives. We know more about becoming, however, more significant in life's enrichment is the unbecoming. While the former shapes a self-oriented life-style, the latter emphasizes other-centric behavior. You can pivot to a better life, lasting peace, tranquility, and satisfaction with your life-goals if you practice unbecoming. *Unbecoming* provides the most rewarding life style and satisfaction with how you are invested your life for yourself and for the good of others.

Herero Heroes Jan-Bart Gewald, 1999 The Herero-German war led to the destruction of Herero society in all of its pre-war facets. Yet Herero society re-emerged, re-organizing itself around the structures and beliefs of the German colonial army and Rhenish missionary activity. Taking advantage of the South African invasion of Namibia in World War I the Herero established themselves in areas of their own choosing. The effective re-occupation of land by the Herero forced the new colonial state, anxious to maintain peace and cut costs, to come to terms with the existence of Herero society. The study ends in 1923 when the death and funeral of Samuel Maherero - first paramount of the Herero and then resistance leader - the catalyst that brought the disparate groups of Herero together to establish a single unitary Herero identity. North America: Ohio U Press

Crypto: The Insights You Need from Harvard Business Review Harvard Business Review, Jeff John Roberts, Omid Malekan, Molly White, Steve Graveski, 2023-02-14 The crypto era has arrived, and business will never be the same. Real applications of crypto technology are growing exponentially: cryptocurrency payments are moving frictionlessly across borders; NFTs are generating real value for creators and consumers alike; and new blockchain-enabled business models are being built around decentralized finance and Web3. What do you and your company need to know and do today to create new opportunities and avoid disruption? *Crypto: The Insights You Need from Harvard Business Review* will show you how innovative organizations of all kinds are embracing decentralized technology, reinventing themselves, and thriving in the new age of crypto. Business is changing. Will you adapt or be left behind? Get up to speed and deepen your understanding of the topics that are shaping your company's future with the *Insights You Need from Harvard Business Review* series. Featuring HBR's smartest thinking on fast-moving issues—blockchain, cybersecurity, AI, and more—each book provides the foundational introduction and practical case studies your organization needs to compete today and collects the best research, interviews, and analysis to get it ready for tomorrow. You can't afford to ignore how these issues will transform the landscape of business and society. The *Insights You Need* series will help you grasp these critical ideas—and prepare you and your company for the future.

The American Stationer , 1896

All That Man Is David Szalay,2016-10-04 Finalist for the 2016 Man Booker Prize Winner of the 2016 Paris Review Plimpton Prize for Fiction A magnificent and ambitiously conceived portrait of contemporary life, by a genius of realism Nine men. Each of them at a different stage in life, each of them away from home, and each of them striving--in the suburbs of Prague, in an overdeveloped Alpine village, beside a Belgian motorway, in a dingy Cyprus hotel--to understand what it means to be alive, here and now. Tracing a dramatic arc from the spring of youth to the winter of old age, the ostensibly separate narratives of All That Man Is aggregate into a picture of a single shared existence, a picture that interrogates the state of modern manhood while bringing to life, unforgettably, the physical and emotional terrain of an increasingly globalized Europe. And so these nine lives form an ingenious and new kind of novel, in which David Szalay expertly plots a dark predicament for the twenty-first-century man. Dark and disturbing, but also often wickedly and uproariously comic, All That Man Is is notable for the acute psychological penetration Szalay brings to bear on his characters, from the working-class ex-grunt to the pompous college student, the middle-aged loser to the Russian oligarch. Steadily and mercilessly, as this brilliantly conceived book progresses, the protagonist at the center of each chapter is older than the last one, it gets colder out, and All That Man Is gathers exquisite power. Szalay is a writer of supreme gifts--a master of a new kind of realism that vibrates with detail, intelligence, relevance, and devastating pathos.

34 Days Anita Waller,2020-05-15 An abused woman decides to escape her marriage—and learns how much a life can change in just thirty-four days—in this taut psychological thriller. Anna and Ray have been married for thirty-five years. Their three children are grown; they have grandkids; and to outsiders they appear to be a normal couple. But behind closed doors, something isn’t right. On the day of their wedding anniversary, Anna makes a decision that changes everything and throws her family into turmoil. But as she browses online for a place of her own in Sheffield, England, she doesn’t know that she isn’t the only one who has suffered—and by leaving Ray, she will spark a series of events so awful that they might just end in murder...

The Night Circus Erin Morgenstern,2011-09-13 #1 NATIONAL BESTSELLER • Two starcrossed magicians engage in a deadly game of cunning in the spellbinding novel that captured the world's imagination. • Part love story, part fable ... defies both genres and expectations. —The Boston Globe The circus arrives without warning. No announcements precede it. It is simply there, when yesterday it was not. Within the black-and-white striped canvas tents is an utterly unique experience full of breathtaking amazements. It is called Le Cirque des Rêves, and it is only open at night. But behind the scenes, a fierce competition is underway: a duel between two young magicians, Celia and Marco, who have been trained since childhood expressly for this purpose by their mercurial instructors. Unbeknownst to them both, this is a game in which only one can be left standing. Despite the high stakes, Celia and Marco soon tumble headfirst into love, setting off a domino effect of dangerous consequences, and leaving the lives of everyone, from the performers to the patrons, hanging in the balance.

Kiplinger's Personal Finance ,1997-01 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

Let's Pretend This Never Happened Jenny Lawson,2013-03-05 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let’s Pretend This Never Happened*, Lawson’s long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.
