Zachary Z. Packrat and His Amazing Collections Brooke Bessesen, 2008 Rhyming text introduces a pack rat who spends his time finding interesting objects to bring home, where he uses them to decorate, saves them to trade at the swap meet, or simply stores them for future use. Includes facts about pack rats and discussion questions.

**Packrat Bob** Sally Roth, Matt Bartmann, 2017-05-02 This is the story of Packrat Bob, a bushy-tailed packrat (*Neotoma cinerea*), who lives with naturalists Sally Roth and Matt Bartmann in their remote cabin high in the Rocky Mountains. The charming illustrations are by 13-yr-old Olivia Gallagher.

**Packrat Middens** Julio L. Betancourt, Thomas R. Van Devender, Paul S. Martin, 2016-01-15 Over the past thirty years, late Quaternary environments in the arid interior of western North America have been revealed by a unique source of fossils: well-preserved fragments of plants and animals accumulated locally by packrats and quite often encased, amberlike, in large masses of crystallized urine. These packrat middens are ubiquitous in caves and rock crevices throughout the arid West, where they can lie preserved for tens of thousands of years. More than a thousand of these deposits have been dated and analyzed, and middens have supplanted pollen records as a touchstone for studying vegetation dynamics and climatic change in radiocarbon time (the last 40,000 years). Now, similar deposits made by other mammals like hyraxes are being reported from other parts of the world. This book brings together the findings and views of many of the researchers investigating fossil middens in the United States, Mexico, Africa, the Middle East, and Australia. The contributions serve to open a forum for methodological concerns, update the fossil record of various geographic regions, introduce new applications, and display the vast potential for fossil midden analysis in arid regions worldwide. The findings presented here will serve to foster regional research and to promote general studies devoted to global climate change. Included in the text are more than two hundred charts, photographs, and maps.

**A Packrat Named Orange** Cathy Callen, 2023-02-22 A Packrat Named Orange is a children's book about a packrat who lives under porch steps. At night, she steals orange marbles and takes them to her apartment under the porch steps. She arranges them, using her artist's eye, to resemble a miniature museum of contemporary art.

**No Rocking Chairs Yet** Rina Torri, 2012-10-31 Join the conversation as three dynamic fifty-plus women walk and talk along the beautiful Southern California beaches about the changes, challenges, and situations in their everyday lives with understanding, encouragement, and generous helpings of laughter. No Rocking Chairs Yet intersperses the friends' witty dialogue with heartfelt e-mails as well as humorous blogs that cover everything from diet frustrations to hairdresser calamities. Peggy, a reference librarian and avid blogger, stopped counting birthdays at fifty-nine. Although her long marriage has always been solid, lately she is feeling restless, and temptation is lying in wait. Fifty-six-year-old Cassie is an English teacher who, after being dumped by an errant husband, vowed to remain single and free. But when she takes up line dancing, destiny is about to collide with her defensive stance. Recently retired nurse practitioner Barb feels as if she's in the middle of a panini sandwich pressed on one side by her aging parents and on the other by her adult children. Will she be able to fulfill her aspirations? The women haven't the slightest hint about the surprises and life-changing decisions that lie before them in the months to come. This feel-good life-after-fifty book is a natural for women's reading groups.

**Pansy Packrat** Dave Sargent, Pat Sargent, 1998 Pansy, a young packrat, loves to collect bright and shiny objects, but when she takes objects that belong to others, she gets into trouble. Includes a section of packrat

facts.

*Mr. Pack Rat Really Wants That* Marcus Ewert,2018-10-30 Mr. Pack Rat is a particularly acquisitive small mammal with a hoarding problem (sound like someone you know?). Through trial and error, he begins to question whether having more things is really the secret to happiness. Although real life pack rats (genus *Neotoma*) build large piles of debris to nest in, Mr. Pack Rat isn't satisfied with plain old sticks and leaves. He wants novelty and variety, and--unfortunately for him!--he owns a magical magnet that can summon anything he desires. Mr. Pack Rat is always on to the next thing. Lovely flowers will brighten up his sticks and leaves... until they wilt. Colorful seashells won't wilt, but they aren't much fun. Games and toys are fun, but only if you have enough room to play with them. This wry, witty fable from Marcus Ewert, author of *10,000 Dresses*, will have the whole family laughing, and, perhaps, learning along the way.

**Packy the Pack Rat** Tommie Moller,2019-03 Packy is a wacky Pack Rat who is attracted to all kinds of objects. He collects and trades articles as he travels but doesn't make friends easily. Tommie Moller's rhymed verse is a light-hearted and comical story of how Packy learns the value of friendship when he makes a surprising trade.

*Pack Rat* Kelly Doudna,2006 Ricky Rat has collected so much stuff that his rat hole is full, but after moving to a new spot he needs to go out and collect some more. Includes facts about pack rats.

Pilati the Pack Rat Laura Linza,2007-11-01 This heartwarming children's book tells the story of a pack rat named Pilati, who packs and packs his suitcase so full that he runs out of room. The problem is that he wants to keep collecting, but he doesn't want to let go of what he has. Children will find the adorable rat irresistible as he tries to push and squeeze his suitcase through the entrance to his home. The vibrant digital illustrations show Pilati contemplating his options and finally learning a life-changing lesson. The story teaches that when you give to those in need, you create a space for better things to come into your life.
