From Village Boy to Global Citizen (Volume 1): The Life Journey of a Journalist SHELTON A. GUNARATNE, 2012-09-10 *From Village Boy to Global Citizen (Volume 1): The Journey of a Journalist* is the first of an autobiographical trilogy that tells the story of a rustic lad born and raised in the southern tip of the British colony of Ceylon (now independent Sri Lanka) but left his country at the age of 26 on a geographical “conquest” of the world that turned him metaphorically into a global citizen. Starting his professional career as a journalist for the *Daily News*, Ceylon's premier English-language daily, he became a journalism teacher at the age of 32, when he received a doctorate in mass communication. However, he continued practicing journalism as a free-lancer throughout his teaching career in Malaysia, Australia and the United States. Volume 1 unfolds the transition of the author's life from a village kid to a global journalist and educator. It dramatizes the obstacles he had to overcome, as well as the support he received from his benefactors, in the transition.
