Houston Curtis,Dylan Howard

Billion Dollar Hollywood Heist Houston Curtis,Dylan Howard,2020-03-24 “Right out of the gate, the entire game was designed to empty the pockets of those rich, celeb-loving LA suckers.”—Houston Curtis Leonardo DiCaprio. Alex Rodriguez. Tobey Maguire. Ben Affleck. Matt Damon. John Cassavetes. What do these people have in common? Not just fame and fortune; all these men are also alumni of the ultra-exclusive, high-stakes poker ring that inspired Aaron Sorkin’s Oscar-nominated film, *Molly’s Game*. But Houston Curtis, the card shark who co-founded the game with Tobey Maguire, knows that Sorkin’s is the whitewashed version. In *Billion Dollar Hollywood Heist*, Curtis goes all-in, revealing the true story behind the game. From its origins with Maguire to staking DiCaprio’s first game, installing Molly Bloom, avoiding the hookers and blow down the hall, and weathering the FBI investigation that left Curtis with a lien on his house, this is the no-holds-barred account of the world’s most exclusive Texas Hold ‘Em game from the man who started it—with all the names and salacious details that *Molly’s Game* left out. With the insider appeal of *Rounders*, more A-listers than *Ocean’s 11*, and the excitement of *The Sting*, *Billion Dollar Hollywood Heist* is the untold, insider’s story that makes *Molly’s Game* look tame.

The Dragon in Lyonesse Gordon R. Dickson,2013-11-22 In this latest of Gordon R. Dickson's immensely popular adventures of Jim Eckert; the 20th-century mathematician who has come to live in a medieval age where magic works and Jim himself can become a dragon at will, Gordon R. Dickson draws on the richness of the greatest medieval legend of all, the tale of Arthur and his Knights of the Round Table. In the legends, after their final battle, Arthur and his knights went to Lyonesse, the land under the sea. Now Lyonesse is threatened by a resurgence of the Dark Powers, those mindlessly malevolent forces that struggle to stop the course of History. And Jim Eckert and his friends are called upon to stop them. Arthur and his court live on in Lyonesse because, even though centuries have elapsed, there are still those who believe in them. But Arthur and his knights are proud, too proud to easily accept help from Jim Eckert and his allies. But they will have help, from Jim in his dragon form, from knight-in-armor Sir Brian Neville-Smyth, from the brilliant archer Dafydd ap Hywel, and from one small hobgoblin. The result is a wild ride, an Arthurian fantasy adventure as only Gordon R. Dickson could tell it.

The Hidden Lamp Zenshin Florence Caplow,Reigetsu Susan Moon,2013-10-21 The Hidden Lamp is a collection of one hundred koans and stories of Buddhist women from the time of the Buddha to the present day. This revolutionary book brings together many teaching stories that were hidden for centuries, unknown until this volume. These stories are extraordinary expressions of freedom and fearlessness, relevant for men and women of any time or place. In these pages we meet nuns, laywomen practicing with their families, famous teachers honored by emperors, and old women selling tea on the side of the road. Each story is accompanied by a reflection by a contemporary woman teacher--personal responses that help bring the old stories alive for readers today--and concluded by a final meditation for the reader, a question from the editors meant to spark further rumination and inquiry. These are the voices of the women ancestors of every contemporary Buddhist.

The Martial Art of Writing and Other Essays Alan Baxter,2021-04-12 “The thing about an art — and one of the things I love about both Kung Fu and writing — is that you’re never finished. No matter how good you get, no matter how much you achieve, you can always get better.” In these essays, Alan Baxter—the author of cult horror hit *The Roo*, the *Eli Carver* series, and the Australian Shadows Award-winners *Crow Shine* and *Served Cold*—explores the relationships between horror fiction, a writer’s craft and discipline, and the lessons brought to writing from his almost 40 years as a kung-fu practitioner and instructor. Drawn from presentations, blog posts, and articles exploring his own process, *The Martial Art of Writing* features Baxter’s interrogation of the similarities between his kung fu and writing practices, the next steps that need to be taken when you realise your book is broken, writing killer fight scenes, embracing your darker impulses as a writer, and much more. Whether you’re a fan of Baxter’s dark imagination looking to plumb the origins of his nightmarish fiction, or an aspiring writer with a penchant for action and dark themes, this chapbook provides a glimpse into the mind and processes of one of Australia’s most prominent writers of horror fiction.

The Blonde Geisha Jina Bacarr,2014-08-01 The early summer of 1892 brought a heavy rainy season that year in Japan. Plum Rain, the Japanese called it, because it comes when the fruit bulges with ripeness and promise. Like a young girl reaching womanhood. A girl like me. In the ancient Japanese tradition of beauty and grace, sex and erotic fantasies are hidden secrets that only a select few may learn, and which are forbidden to foreigners. But when a threat to her father's life puts her own in jeopardy, young Kathlene Mallory is sent to live in safety at the Tea House of the Look-Back Tree, where she is allowed to glimpse inside the sensual world of the geisha. During the years of her training in the art of pleasuring men, Kathlene's desires are awakened by the promise of unending physical delights, and she eagerly prepares for the final ritual that will fulfill her dream of becoming a geisha — the selling of her virginity. The man willing to pay for such an honor, Baron Tonda, is not the man for whom Kathlene carries a secret longing, but he is the man who will bring ruin to the teahouse, and danger to Kathlene, if he is disappointed....
