Glasswork Origami Samuel Eddy,2016-05-18 The city freezes. A cold wind howls through its streets, an ominous whisper carried on it. A ruined world filled with cramped masses, ignorant and hungry for authority. It is near, a powerful force. A beast long dormant has awakened. Mankind is once again with enough strength to arouse its appetite. The power is invigorating, but where did it come from? The root question is a seed, with it comes a creeping dread, and an endless growth of new questions. It is multiplying. It is unfolding into something else. War, death, greed, lust, slavery, and fury. People shouldn't have this kind of power. Power over the mind is power over reality. What? the wind asks, Creates reality, if not god?

The Strait Gate Daniel Jütte,2015-09-22 Exploring a chapter in the cultural history of the West not yet probed, The Strait Gate demonstrates how doors, gates, and related technologies such as the key and the lock have shaped the way we perceive and navigate the domestic and urban spaces that surround us in our everyday lives. Jütte reveals how doors have served as sites of power, exclusion, and inclusion, as well as metaphors for salvation in the course of Western history. More than any other parts of the house, doors are objects onto which we project our ideas of, and anxieties about, security, privacy, and shelter. Drawing on a wide range of archival, literary, and visual sources, as well as on research literature across various disciplines and languages, this book pays particular attention to the history of the practices that have developed over the centuries in order to handle and control doors in everyday life.

McKenzie's study shows how preachers can use the same techniques to enhance their own creativity and to turn their ideas into powerful, well crafted sermons. Novel Preaching offers a wealth of advice from successful fiction writers, including Isabelle Allende, Frederick Buechner, Julia Cameron, Annie Dillard, Natalie Goldberg, Stephen King, Toni Morrison, Joyce Carol Oates, and Melanie Rae Thorn, and also includes a number of sample sermons from McKenzie herself.
