🔍 Abhidharmakosa-Bhasya of Vasubandhu Gelong Lodro Sangpo, Bhikkhu K.L. Dhammajoti, 2012-01-01 Vasubandhu’s Abhidharmakosa-Bhasya (ca. 380-390), besides its culminating achievement in streamlining the overall structure of the exposition of the preceding Abhidharma manuals, is unmatched by any of the preceding manuals in respect of its comprehensiveness-incorporating all important Vaibhasika doctrines since the time of the Abhidharma-mahavibhasa-of its excellent skill in definition and elucidation, and of its ability to clarify the difficult point involved in doctrinal disputations. Added to these qualities is its great value as a brilliant critique and insightful reevaluation of all the fundamental Sarvāstivāda doctrines developed up to its time. Since its appearance, it has been used as a standard textbook for the understanding of not only the Abhidharma doctrines but all the fundamental Buddhist doctrines in general. Translated into Chinese by Paramārtha in 563 A.D. and by Hsuan-tsang in 651-654 A.D., Hsuan-tsang’s disciple P’u-kuang tells us that in India the Abhidharmakosa-Bhasya was hailed as the ‘Book of Intelligence’. In China, Japan and the Far-east, too, the Kosa has generally been highly treasured as a textbook of fundamental importance for Buddhist studies. Vasubandhu’s brilliant critique of the doctrines of the Vaibhasika was answered by the equally brilliant Samghabhadra - a contemporary staunch defender and expounder of the doctrines of the Vaibhasikas - in his masterwork, the Abhidharmanyāyanusāra, now extant only in Hsuan-tsang’s translation (653-654 A.D.). The Sanskrit text, considered for a long time to be irremediably lost, was discovered by Rahula Samkṛtyāyana in 1935 in the Tibetan monastery of Ngör and was published by P. Pradhan in 1967 (1st edition).

🔍 Life on Side B Mike Haszto, 2009-05-26 Life On Side B is the next adventure for co-owner Mickey Miller and V103, following their initial challenge of staving off a corporation wanting to buy radio station WVVV FM in Radio Free Mickey. Approximately six months has gone by, and the station finds itself no longer atop the Arbitron ratings in northeast Ohio, beset by recent staff issues and market changes. A tragedy hits the station, and obstacles present themselves as Mickey attempts to bring the station back to its old perch by sticking by what got V103 there in the first place old time radio values and strong character. Put yourself once again on the staff of V103 as an intern, and feel involved with every detail of this second installment starring Mickey Miller as co-owner, Jimmy as his best friend and head of his own ‘Pirate Radio’ empire based in Marathon Florida, Stacey as Marketing and Promotions Director, and the entire staff of air personalities.

🔍 The Path Dr Dino J. Pedrone, 2018-03-12 A path is a trodden way. It may be a lane, road, or course of action. It may be a track with a specific course in mind. Sometimes we travel only to question ourselves if this was the best route. A path may be an action, a course of conduct, or a journey to a destination. The fact is everyone is on a path. I suppose we can call it a journey. It is the journey of life. In the book The Path the author tells a familiar story of one family’s journey that appears to end in the most extreme of heartbreak. Four leave a town known as the House of Bread due to there being no bread. On the return trip, there is only one of the original four on the path back. Another joins the lone survivor. Bitterness, heartache, loss, and misery accompany the returning pilgrim. On the return home things were about to change. Hopelessness gives way to possibilities. Possibilities lead to trust and then to a miracle. Scott Peck in his book The Road Less Traveled opens with the three words, Life is difficult. It is true, life is tough. As you read this book it is this authors’ desire that you enter into the agony of a Jewish family going to the land of Moab and facing huge difficulties. Life is like that sometimes. Is there hope? Are there solutions? Read with intrigue, The Path, and draw your conclusions. All of us are on a journey. We are truly on a path. The path often leads home! The presence of God in our journey puts a new light on the path. Sometimes the path is strewn with debris that causes us to stumble. Stop and think. There is a providence that leads the way on our journey. In the Path that providence actually leads to new life and hope. Dino Pedrone is the founder of Dino Pedrone Ministries, a family foundation to advance the cause of the Gospel of Jesus Christ through literature, media, and life groups. He is also the Chancellor of the historic Davis College in the Greater Binghamton, New York area. Dr. Pedrone has been in the ministry over 50 years and has written over 20 books and booklets. His ministry has included television and radio ministries. He is a sought after speaker both nationally and internationally. His heart is to reach people with the Gospel and help train Christian workers. He and his wife Bobbi have been married more than fifty years and they have four children and four grandchildren.

🔍 Your Path Direct to the Goal You Desire Brown Landone, 1996-09 104 lessons. Contents: Joy is Best; Ten Essential Attitudes; Pray for the Best; Receiving the Best; Sacrifice the Least for the Best; Unity of Desires; Scattered Desires Defeat the Best; Use All Things to Attain the Best; Dare to Act; God Ever.

🔍 The Path Ebele P. Okonkwo, 2016-06-23 The Path highlights the danger of navigating decision process, without selfless consideration of motives behind choices made through life. The Path that one chooses in life can make or break the individual. Either the individual takes counts and responsibilities for action taken, give up or be faced with consequences of choices made. Living a righteous life will lead one to be successful while seeking wisdom from God, who gives freely without counting your fault. Almost everyone plays a major role in making choices, regarding the path they take in life. Which eventually molds the individuals character and set the person apart identifying the persons personality, profession, principles, and ideology, etc. Some people make decisions without deliberating on the facts that surround their choices, nor the future consequences that will impact the individual due to choices made. The outcome of these impacts categorically will enhance or deteriorate the individuals zeal to pursue a better lifestyle. Good and wise choices reward us tremendously with blessings from God. An individual who gathers information deliberates on facts, weighs and balances out, the outcome of the information, will do better making wise choices versus one who dabbles into anything that comes into his path.

🔍 Staying on the Path Dr. Wayne W. Dyer, 2004-09-01 The wit and wisdom of Dr. Wayne Dyer, the author of the international bestsellers Everyday Wisdom and 10 Secrets for Success and Inner Peace, is reflected in this extraordinary collection of inspirational quotes and observations. He says, We are all on the same path. We’re just on different places along the path.

🔍 Radio Free Mickey Mike Haszto, 2008-11-17 Enter the everyday life of Mickey Miller, who co-owns radio station WVVV, V-103, licensed to North Ridgeville, Ohio. He’s married to a successful executive and Southern Belle, Leigh, and they have nine children. He’s a very happy and well adjusted person who balances his career with his personal and family life...at least up until now. Follow the rollercoaster ride that Mickey suddenly finds himself on when things around him begin to change. Station rumors. Media circus. Pressure and tension set in. He makes a few quirky decisions and then the seatbelt loosens on his life over the next six days. Family issues add to the chaos already created...are the media rumors true that his station is being sold to corporate suits, who have been his stated enemy for years? After all, his love of radio is all about personal ownership and control, that radio is really for the listeners. Those corporate suits have been dominating radio for years since the deregulation laws took shape almost two decades ago. Follow the path that Mickey takes in uncovering these rumors, and what needs to be done to meet the perceived challenges head-on.

🔍 The Path of Life Vincent Lato, 2010 There are so many worrying situations in the world today that draws man’s attention. For instance the world has become a play ground for wars, hunger, diseases, poverty, killings, injustices and other tragedies; putting man at the receiving end of these unfriendly experiences.
