**Footprints in the Snow** Hope Ahav, 2014-01-14 People live aimlessly without a goal in mind. How can we accomplish things in life if we don't have goals, things we want to achieve? What if you were told when you were born, you have 56 days to live, 9 hours, 3 minutes, and 42 seconds of life to live in a span of a world that has existed for billions of years? What would you like to do with your 56 years of life?

*Walking a Roundabout Path* Bonnie M. Colton, 2004-11 Journeys of discovery and remembrance fill these pages. From childhood joys to elder observations, the author shares her knack for seeing from a different perspective.

In Praise of Paths Torbjørn Ekelund, 2020-05-05 "What [Ekelund is] addressing is the intention to walk one's way to meaning: the walk as spiritual exercise, a kind of vision quest... A key strategy for finding ourselves, then, is to first get lost."—The New York Times Book Review An ode to paths and the journeys we take through nature, as told by a gifted writer who stopped driving and rediscovered the joys of traveling by foot. Torbjørn Ekelund started to walk—everywhere—after an epilepsy diagnosis affected his ability to drive. The more he ventured out, the more he came to love the act of walking, and an interest in paths emerged. In this poignant, meandering book, Ekelund interweaves the literature and history of paths with his own stories from the trail. As he walks with shoes on and barefoot, through forest creeks and across urban streets, he contemplates the early tracks made by ancient snails and traces the wanderings of Romantic poets, amongst other musings. If we still "understand ourselves in relation to the landscape," Ekelund asks, then what do we lose in an era of car travel and navigation apps? And what will we gain from taking to paths once again? "A charming

read, celebrating the relationship between humans and their bodies, their landscapes, and one another.” –The Washington Post This book was made possible in part thanks to generous support from NORLA.

**Mountain Paths (Classic Reprint)** Maurice Maeterlinck, 2015-07-09 Excerpt from Mountain Paths In that curious little masterpiece A Beleagured City, Mrs. Oliphant shows us the dead of a provincial town suddenly waxing indignant over the conduct and the morals of those inhabiting the town which they founded. They rise up in rebellion, invest the houses, the streets, the market-places and, by the pressure of their innumerable multitude, all-powerful though invisible, repulse the living, thrust them out of doors and, setting a strict watch, permit them to return to their roof-trees only after a treaty of peace and penitence has purified their hearts, atoned for their offences and ensured a more worthy future. The Alpine Path L. M. Montgomery, 2016-08-20 Excerpt en he was a boy. To me, too, the world seemed a colder, lonelier place when age and experience at length forced upon my reluctant seven-year-old consciousness the despairing conviction that Heaven was not so near me as I had dreamed. Mayhap, 'twas even nearer, nearer than breathing, closer than hands or feet but the ideas of childhood are, necessarily, very concrete; and when I once accepted the fact that the gates of pearl and streets of gold were not in the attic of Clifton Church, I felt as though they might as well be beyond the farthest star. Many of those early memories are connected with visits to Grandfather Montgomery's farm at Park Corner. He and his family lived in the old house then, a most quaint and delightful old place as I remember it, full of cupboards and nooks, and little, unexpected flights of stairs. It was there, when I was about five years old, that I had the only serious illness of my life -- an attack of typhoid fever. The night before I took ill I was out in the kit

*The Alpine Path* L. M. Montgomery, 2014-04-18 *The Alpine Path - The Story of My Career - By Lucy Maud Montgomery.* The *Alpine Path* is an autobiography of Lucy Maud Montgomery. Originally published as series of autobiographical essay in the Toronto magazine *Everywoman's World* from June to November in 1917, and later separately published in 1974. I was born in the little village of Clifton, Prince Edward Island. Old Prince Edward Island is a good place in which to be born -- a good place in which to spend a childhood. I

can think of none better. We Prince Edward Islanders are a loyal race. In our secret soul we believe that there is no place like the little Province that gave us birth. We may suspect that it isn't quite perfect, any more than any other spot on this planet, but you will not catch us admitting it. And how furiously we hate any one who does say it! The only way to inveigle a Prince Edward Islander into saying anything in dispraise of his beloved Province is to praise it extravagantly to him. Then, in order to deprecate the wrath of the gods and veil decently his own bursting pride, he will, perhaps, be induced to state that it has one or two drawbacks -- mere spots on the sun. But his hearer must not commit the unpardonable sin of agreeing with him!
