*Payroll Accounting* Frank C. Giove, 2000 This textbook takes students through each step of the payroll accounting process. The text, which is suitable for courses in payroll accounting, payroll management, or payroll records and procedures, provides an overview of governmental procedures and regulations. The book also contains two unique chapters that offer a managerial perspective on internal control and cost-saving measures. An ongoing case and continuing case problem throughout the book illustrate the steps of the payroll cycle. In the News and Payroll in Action inserts explore current payroll issues.
