Devin Elle Kurtz

Ish Peter H. Reynolds,2013-09-10 Features an audio read-along! A creative spirit learns that thinking “ish-ly” is far more wonderful than “getting it right” in this gentle new fable from the creator of the award-winning picture book *The Dot*. Ramon loved to draw. Anytime. Anything. Anywhere. Drawing is what Ramon does. It’s what makes him happy. But in one split second, all that changes. A single reckless remark by Ramon's older brother, Leon, turns Ramon's carefree sketches into joyless struggles. Luckily for Ramon, though, his little sister, Marisol, sees the world differently. She opens his eyes to something a lot more valuable than getting things just right. Combining the spareness of fable with the potency of parable, Peter Reynolds shines a bright beam of light on the need to kindle and tend our creative flames with care.

Greenlight Benjamin Stevenson,2022-08-16 Four years ago, in the small town of Birravale, Eliza Dacey was murdered. Within hours, her killer was caught. Wasn't he? So read the opening titles of Jack Quick's new true-crime documentary - one that is persuading its millions of viewers that Curtis Wade was wrongly convicted. But just before the final episode, Jack uncovers evidence that may prove Wade guilty after all. Convinced it will ruin his show, he covers it up, and months later Wade is released after a retrial. Then a new victim is found bearing horrifying similarities to the original murder. Has Jack just helped a killer walk free? Determined to set things right, he returns to Birravale looking for answers. But Jack knows more than anyone that there's a fine line between fact and fiction. Between life and death.

Rogue Lyn Miller-Lachmann,2013-05-16 Kiara has Asperger’s syndrome, and it’s hard for her to make friends. So whenever her world doesn’t make sense—which is often—she relies on Mr. Internet for answers. But there are some questions he can’t answer, like why she always gets into trouble, and how do kids with Asperger’s syndrome make friends? Kiara has a difficult time with other kids. They taunt her and she fights back. Now she’s been kicked out of school. She wishes she could be like her hero Rogue—a misunderstood X-Men mutant who used to hurt anyone she touched until she learned how to control her special power. When Chad moves in across the street, Kiara hopes that, for once, she’ll be able to make friendship stick. When she learns his secret, she’s so determined to keep Chad as a friend that she agrees not to tell. But being a true friend is more complicated than Mr. Internet could ever explain, and it might be just the thing that leads Kiara to find her own special power. In *Rogue*, author Lyn Miller-Lachmann celebrates everyone’s ability to discover and use whatever it is that makes them different.

Art of Devin Elle Kurtz Devin Elle Kurtz,2021-09-07 Illustrator and concept artist Devin Elle Kurtz shares her journey, from childhood ambitions to be an artist and finding the best educational fit, to working in the industry as she continues to develop her craft. The *Art of Devin Elle Kurtz* bursts with the stunning color, light, and storytelling that Devin has mastered, using traditional and digital methods. This is a unique opportunity to learn from a young industry professional. Devin recalls navigating educational opportunities, looking for the combination of formal classes and personal study that suited her needs. Color and light play a huge part - whether she uses traditional or digital techniques - and specially commissioned tutorials give aspiring artists the chance to sample her methods while evolving their skills. Readers will also enjoy the intriguing subject of storytelling, as Devin explores the themes that feature the most in her own work, including where they originated from. These insights and reflections are not only fascinating, but also help readers unlock their own authentic storytelling potential.Devin has been handpicked to join the ranks of superstar artists who have produced their *Art of...* books with 3dtotal Publishing, creating the unique blend of advice, tutorials, inspiration, and galleries that we love to see.

The Particular Sadness of Lemon Cake Aimee Bender,2010-06-01 The wondrous Aimee Bender conjures the lush and moving story of a girl whose magical gift is really a devastating curse. On the eve of her ninth birthday, unassuming Rose Edelstein, a girl at the periphery of schoolyard games and her distracted parents’ attention, bites into her mother’s homemade lemon-chocolate cake and discovers she has a magical gift: she can taste her mother’s emotions in the cake. She discovers this gift to her horror, for her mother—her cheerful, good-with-crafts, can-do mother—tastes of despair and desperation. Suddenly, and for the rest of her life, food becomes a peril and a threat to Rose. The curse her gift has bestowed is the secret knowledge all families keep hidden—her mother’s life outside the home, her father’s detachment, her brother’s clash with the world. Yet as Rose grows up she learns to harness her gift and becomes aware that there are secrets even her taste buds cannot discern. *The Particular Sadness of Lemon Cake* is a luminous tale about the enormous difficulty of loving someone fully when you know too much about them. It is heartbreaking and funny, wise and sad, and confirms Aimee Bender’s place as “a writer who makes you grateful for the very existence of language” (San Francisco Chronicle). **BONUS:** This edition includes an excerpt from Aimee Bender's *The Color Master*.

Kiplinger's Personal Finance ,1993-11 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

When God Winks SQuire Rushnell,2012-12-11 'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal, will affirm that your existence is not random and that you have a role to play in life's grand plan' Squire Rushnell Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything? According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In *WHEN GOD WINKS* he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Rushnell shows how to retrace crossroads (a new job, a death, change in relationships) that took us in an entirely different direction, showing how to map the turning points made by coincidences that have guided us throughout our lives. Best of all, *WHEN GOD WINKS* shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities. *WHEN GOD WINKS* is a fascinating bridge to self-discovery.

Kiplinger's Personal Finance ,1993-05 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

The Fortune Hunter Daisy Goodwin,2014-07-29 Empress Elizabeth of Austria, known as Sisi, is the Princess Diana of nineteenth-century Europe. Famously beautiful, as captured in a portrait with diamond stars in her hair, she is unfulfilled in her marriage to the older Emperor Franz Joseph. Sisi has spent years evading the stifling formality of royal life on her private train or yacht or, whenever she can, on the back of a horse. Captain Bay Middleton is dashing, young, and the finest horseman in England. He is also impoverished, with no hope of buying the horse needed to win the Grand National—until he meets Charlotte Baird. A clever, plainspoken heiress whose money gives her a choice among suitors, Charlotte falls in love with Bay, the first man to really notice her, for his vulnerability as well as his glamour. When Sisi joins the legendary hunt organized by Earl Spencer in England, Bay is asked to guide her on the treacherous course. Their shared passion for riding leads to an infatuation that jeopardizes the growing bond between Bay and Charlotte, and threatens all of their futures. *The Fortune Hunter*, a brilliant new novel by Daisy Goodwin, is a lush, irresistible story of the public lives and private longings of grand historical figures.

Lies My Teacher Told Me James W. Loewen,2008 Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

InfoWorld ,1983-05-23 InfoWorld is targeted to Senior IT professionals. Content is segmented into Channels and Topic Centers. InfoWorld also celebrates people, companies, and projects.

Big Brothers Are the Best Fran Manushkin,2012 A new big brother finds lots to love about his new baby.

Mistress of the Revolution Catherine Delors,2008 Forced to marry an elderly baron instead of a man she loves, impoverished noblewoman Gabrielle de Montserrat is condemned to death at the height of the French Revolution and finds her life placed in the hands of her former lover.

Johnny Angel Danielle Steel,2009-02-25 In her fifty-eighth bestselling novel, Danielle Steel tells the breathtaking story of a mother's love and a son's gift, of the tragedy that nearly destroyed a family...and the miracle that saved them. Johnny Angel With a word or a smile, seventeen-year-old Johnny Peterson could light up a room, fill his mother's heart with pride, and inspire the best in those around him. A star athlete and class valedictorian, tall, lanky Johnny had a future filled with promise--until he stepped into a car on prom night, dazzling in his rented tux, and in an instant, it was all taken away. In the months that follow, Johnny's family and high school sweetheart, Becky, struggle to put together the pieces of their shattered lives. No one is more devastated than Johnny's mother, Alice, whose oldest son owned her heart from the day he was born. But amid the heartache, something miraculous is about to happen to the Peterson family, something that will alter the course of each of their lives. When a sudden illness sends Alice to the hospital, a glorious vision comes to her in her dreams. There, standing before her, is Johnny himself, with that familiar twinkle in his eye, gently urging his bewildered mother to be strong for her splintered family. For Alice, seeing her marvelous lost boy is a miracle she can't quite believe but is more than willing to embrace. In the weeks to come, Johnny will appear in the most unlikely places, visible only to the two people who need him most: his nine-year-old brother, locked in a silent world, whose special needs Johnny always seemed to understand...and his mother, who has always nurtured her family, but who now needs a guardian angel of her own. Through a season of hope and healing, Johnny will walk by his mother's side, leaving miracles in his wake, leading his parents, his girlfriend, his sister, and his brother out of their grief. But as Alice is about to discover, Johnny has returned not just to help those he loves, but to uncover a purpose even he cannot comprehend--one that will change them all forever. An unforgettable story of loving and letting go, of mixed blessings and second chances, Johnny Angel is a celebration of life, hope, and forgiveness. It will make you laugh and cry...and hold your loved ones just a little bit closer.

The Fingerprint U. S. Department Justice,2014-08-02 The idea of The Fingerprint Sourcebook originated during a meeting in April 2002. Individuals representing the fingerprint, academic, and scientific communities met in Chicago, Illinois, for a day and a half to discuss the state of fingerprint identification with a view toward the challenges raised by Daubert issues. The meeting was a joint project between the International Association for Identification (IAI) and West Virginia University (WVU). One recommendation that came out of that meeting was a suggestion to create a sourcebook for friction ridge examiners, that is, a single source of researched information regarding the subject. This sourcebook would provide educational, training, and research information for the international scientific community.
