The Pale King David Foster Wallace,2011-04-15 The breathtakingly brilliant novel by the author of *Infinite Jest* (New York Times) is a deeply compelling and satisfying story, as hilarious and fearless and original as anything Wallace ever wrote. The agents at the IRS Regional Examination Center in Peoria, Illinois, appear ordinary enough to newly arrived trainee David Foster Wallace. But as he immerses himself in a routine so tedious and repetitive that new employees receive boredom-survival training, he learns of the extraordinary variety of personalities drawn to this strange calling. And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has. *The Pale King* remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions -- questions of life's meaning and of the value of work and society -- through characters imagined with the interior force and generosity that were Wallace's unique gifts. Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time. *The Pale King* is by turns funny, shrewd, suspenseful, piercing, smart, terrifying, and rousing. --Laura Miller, Salon

The Book on Managing Rental Properties Brandon Turner,Heather Turner,2015-10-28 No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, *The Book on Managing Rental Properties* takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover: - The subtle mindset shift that will increase your chance at success 100x! - Low-cost strategies for attracting the best tenants who won't rip you off. - 7 tenant types we'll NEVER rent to--and that you shouldn't either! - 19 provisions that your rental lease should have to protect YOU. - Practical tips on training your tenant to pay on time and stay long term. - How to take the pain and stress out of your bookkeeping and taxes. - And much more!

Trusting Yourself M. J. Ryan,2015-07-01 Tap into your inner wisdom and reap the rewards of self-trust with this inspirational guide by the popular author and executive coach. We live in an age where constant media messages tell us to be richer, thinner, smarter, and faster. But what if, instead of listening to all of those voices, we listened to our own? In her unique and approachable way, M.J. Ryan asks us to imagine what life would be like if we practiced an attitude of self-trust. In *Trusting Yourself*, Ryan teaches us how to quiet the critics?inside and out?and trust ourselves instead. When we remember that everyone learns through trial and error and that we each have unique strengths, our self-trust begins to grow. With this renewed self-confidence, our worries begin to shrink, and happiness and success start to come more easily.

Solo Hope Solo,2013-06-18 My family doesn't do happy endings. We do sad endings or frustrating endings or no endings at all. We are hardwired to expect the next interruption or disappearance or broken promise. Hope Solo is the face of the modern female athlete. She is fearless, outspoken, and the best in the world at what she does: protecting the goal of the U.S. women's soccer team. Her outsized talent has led her to the pinnacle of her sport—the Olympics and the World Cup—and made her into an international celebrity who is just as likely to appear on ABC's *Dancing with the Stars* as she is on the covers of *Sports Illustrated*, *ESPN The Magazine*, and *Vogue*. But her journey—which began in Richland, Washington, where she was raised by her strong-willed mother on the scorched earth of defunct nuclear testing sites—is similarly haunted by the fallout of her family history. Her father, a philanderer and con man, was convicted of embezzlement when Solo was an infant. She lost touch with him as he drifted out of prison and into homelessness. By the time they reunited, years later, in the parking lot of a grocery store, she was an All-American goalkeeper at the University of Washington and already a budding prospect for the U.S. national team. He was living in the woods. Despite harboring serious doubts even about the provenance of her father's last name (and her own), Solo embraces him as fiercely as she pursues her dreams of being a world-class soccer player. When those dreams are threatened by her standing within the national team, as when she was famously benched in the semifinals of the 2007 World Cup after four shutouts and spoke her piece publicly, we see a woman of uncompromising independence and hard-won perseverance navigate the petty backlash against her. For the first time, she tells her version of that controversial episode, and offers with it a full understanding of her hard-scrabble life. Moving, sometimes shocking, Solo is a portrait of an athlete finding redemption. This is the Hope Solo whom few have ever glimpsed. Signed poster inside.

Cyber Crime Investigations Anthony Reyes,Richard Britton,Kevin O'Shea,James Steele,2011-04-18 Written by a former NYPD cyber cop, this is the only book available that discusses the hard questions cyber crime investigators are asking. The book begins with the chapter “What is Cyber Crime? This introductory chapter describes the most common challenges faced by cyber investigators today. The following chapters discuss the methodologies behind cyber investigations; and frequently encountered pitfalls. Issues relating to cyber crime definitions, the electronic crime scene, computer forensics, and preparing and presenting a cyber crime investigation in court will be examined. Not only will these topics be generally be discussed and explained for the novice, but the hard questions —the questions that have the power to divide this community— will also be examined in a comprehensive and thoughtful manner. This book will serve as a foundational text for the cyber crime community to begin to move past current difficulties into its next evolution. This book has been written by a retired NYPD cyber cop, who has worked many high-profile computer crime cases Discusses the complex relationship between the public and private sector with regards to cyber crime Provides essential information for IT security professionals and first responders on maintaining chain of evidence

The Global Smartphone Daniel Miller ,Laila Abed Rabho ,Patrick Awondo , Maya de Vries,Marília Duque,Pauline Garvey, Laura Haapio-Kirk,Charlotte Hawkins,Alfonso Otaegui ,Shireen Walton,Xinyuan Wang,2021-05-06 The smartphone is often literally right in front of our nose, so you would think we would know what it is. But do we? To find out, 11 anthropologists each spent 16 months living in communities in Africa, Asia, Europe and South America, focusing on the take up of smartphones by older people. Their research reveals that smartphones are technology for everyone, not just for the young. *The Global Smartphone* presents a series of original perspectives deriving from this global and comparative research project. Smartphones have become as much a place within which we live as a device we use to provide ‘perpetual opportunism’, as they are always with us. The authors show how the smartphone is more than an ‘app device’ and explore differences between what people say about smartphones and how they use them. The smartphone is unprecedented in the degree to which we can transform it. As a result, it quickly assimilates personal values. In order to comprehend it, we must take into consideration a range of national and cultural nuances, such as visual communication in China and Japan, mobile money in Cameroon and Uganda, and access to health information in Chile and Ireland – all alongside diverse trajectories of ageing in Al Quds, Brazil and Italy. Only then can we know what a smartphone is and understand its consequences for people’s lives around the world.

The Fast Learner’s Guide - How to Learn Any Skills or Subjects Quick and Dramatically Improve Your Short-Term Memory in a Short Time Bruce Walker,2018-01-14 DISCOVER:: How To LEARN Any Skills QUICK Have you ever heard the phrase, “you don’t know what you don’t know”? In school, we were taught to learn this and that. We learn just because we have to. Some of us can learn really quick and some of us aren’t. But it doesn't have to be this way; you can learn how to learn better. There are a variety of ways to do this, and I'll go through it in this guide, which you can apply right away. Start learning smarter, and you'll achieve much more. LEARN:: The Real Way to IMPROVE Your Memory You’ll discover and learn how to implement what is called the Visualization and Association. Have you ever seen “memory performers” on television? These are

individuals who entertain – and astound – you with their amazing recall of items, facts, and figures. You’re no doubt watched one of these individuals and lamented you wished you had a memory even half as good. The truth of the matter is that they have done nothing that you can’t do yourself. They weren’t born with that amazing memory, they just learned and perfected the technique called “visualization and association” and very often called visualization. By learning this technique, you’ll be able to greatly accelerate the speed at which you’ll learn, The premise of this method is that the human brain can recall images far better and quicker than any other form of learning. What this book proposes at a surface level may not appear to make an impact in your life. But as you read and apply ideas from this book, you’ll begin to understand how changing the way you learn can change how you approach all problems in your everyday life. Would You Like To Know More? Download and Start Learning how to Learn! Scroll to the top of the page and select the buy button.

The Call of the Wild and Free Ainsley Arment,2019-09-03 Allow your children to experience the adventure, freedom, and wonder of childhood with this practical guide that provides all the information, inspiration, and advice you need for creating a modern, quality homeschool education. Inspired by the spirit of Henry David Thoreau—“All good things are wild and free”—mother of five Ainsley Arment founded Wild + Free. This growing online community of mothers and families want their children to receive a quality education at home by challenging their intellectual abilities and nurturing their sense of curiosity, joy and awe—the essence of a positive childhood. The homeschool approach of past generations is gone—including the stigma of socially awkward kids, conservative clothes, and a classroom setting replicated in the home. The Wild + Free movement is focused on a love of nature, reading great books, pursuing interests and hobbies, making the entire world a classroom, and prolonging the wonder of childhood, an appealing philosophy that is unpacked in the pages of this book The Call of the Wild and Free offers advice, information, and positive encouragement for parents considering homeschooling, those currently in the trenches looking for inspiration, as well as parents, educators, and caregivers who want supplementary resources to enhance their kids’ traditional educations.
