*A Voice in the Night* Andrea Camilleri, 2016-10-06 *A Voice in the Night* is the twentieth compelling crime novel in the phenomenally successful Inspector Montalbano series by Andrea Camilleri. Feeling his age, as his birthday rolls round once again, Inspector Montalbano decides to cheer himself up by dealing with a young driver's road rage in his own unique way. But his joy is short-lived, as at police headquarters he receives an angry phone call from a

supermarket boss: there's been a robbery at his store and Montalbano's colleague is treating him as a suspect. On arrival at the scene, Montalbano quickly agrees with Inspector Augello that this was no ordinary break-in, but with the supermarket's infamous links to the Sicilian Mafia creating problems at every turn, this isn't going to be an easy case for the inspector to solve. And to add to the inspector's burden, the young driver he made an enemy of earlier on has returned to police headquarters to report a shocking crime . . . A Voice in the Night is followed by the twenty-first gripping mystery, A Nest of Vipers.

The Overnight Kidnapper Andrea Camilleri, 2019-02-05 "[Camilleri's mysteries] offer quirky characters, crisp dialogue, bright storytelling—and Salvo Montalbano... a delightful creation, an honest man on Sicily's mean streets." –USA Today The day gets off to a bad start for Montalbano: while trying to break up a fight on Marinella beach, he hits the wrong man and is stopped by the Carabinieri. When he finally gets to the office, the inspector learns about a strange abduction: a woman was abducted, drugged, and then released unharmed only hours later. Within a few days, the same thing happens again. Both women are thirty years old and work in a bank. Montalbano also has to deal with an arson case. A shop has burned down, and its owner, Marcello Di Carlo, seems to have vanished into thin air. At first this seems like a trivial case, but a third abduction—yet again of a girl who works in a bank—and the discovery of a body bring up new questions.

Game of Mirrors Andrea Camilleri, 2015-03-31 "You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen...transporting. Long live Camilleri, and long live Montalbano." –A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Andrea Camilleri's Inspector Montalbano novels have become an international sensation, with fans eagerly awaiting each new installment. In *Game of Mirrors*, Inspector Montalbano and his colleagues are stumped when two bombs explode outside empty warehouses—one of which is connected to a big-time drug dealer. Meanwhile, the alluring Liliana Lombardo is trying to seduce the Inspector over red wine and arancini. Between pesky reporters, amorous trysts, and cocaine kingpins, Montalbano feels as if he's being manipulated on all fronts. That is, until the inspector himself becomes the prime suspect in an unspeakably brutal crime.
