Nevada Adventure Guide Matt Purdue,2009-10-09 We travel to grow - our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise - sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the

people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. This signature Hunter series targets travelers eager to really explore the destination, not just visit it. Extensively researched and offering the very latest information, Adventure Guides are written by knowledgeable, experienced authors. The focus is on outdoor activities -- hiking, biking, rock climbing, horseback riding, downhill skiing, parasailing, backpacking, waterskiing, scuba diving -- and these user-friendly books provide all the details you need, including prices. The best local outfitters are listed, along with contact numbers, addresses and recommendations. A comprehensive introductory section provides background on history, geography, climate, culture, when to go, transportation and planning. The books then take a region-by-region approach, plunging into the very heart of each area and what adventures it offers, as well as a full range of accommodations, historical sites, walking tours, museums, shopping, restaurants for every budget, and festivals. Adventures throughout the state, from Great Basin National Park to Winnemucca, Ruby Mountain Wilderness to Angel Lake, from Cathedral Gorge State Park to the Las Vegas strip. Urban and rural destinations offer a good mix of activities. There's something for everyone, so take your pick! Useful tips on travel in the wilderness included. The print edition of this book is 210 pages. It's a guide to every corner of Nevada - what to see and do, where to stay, the best places to eat, the ghost towns, the mountains, the lakes the towns and the cities - with an accent on enjoying the great outdoors. The author details the best places for hiking, mountain biking, jeeping, boating and fishing, with info on all the outfitters and guides. There are 22 state parks in the state, plus 14 national recreation areas, 14 wildlife refuges and a sliver of the newest national park, Death Valley. He covers them all - what to see and do, how to get there, how to get around. Lake Tahoe and Lake Mead are covered as well. While everybody else heads for the Strip, with its faux Sphinx, plastic volcano and campy lounge acts, you can head out to the Great Basin, with this book on your laptop, where you will have the whole wild and naturally amazing state almost to yourself. -- Amazon reviewer
