The Plantation Series Box Set I: Books 1-3 Stella Fitzsimons, 2014-09-19 When the light of the human species vanished, there was a girl... and a spark. In a world come to an end, one girl and one ragtag group of teen slaves find each other in the dark woods. They plan to make a stand. This collection includes the first three novels in the bestselling dystopian series THE PLANTATION. (BOOKS: The Plantation, The Dark Legion, The Shadow Empire.) THE PLANTATION (Book 1) A century has passed since they arrived. Human history has been erased. Children are enslaved on Alien plantations. Some have heard whispers of the existence of a rebel band of humans who roam free in the forests. Most slaves dare not speak of the rebels for fear the mutant guards will grab and make an example of them. Seventeen-year-old Freya is pulled away in the night not by the mutants, but by her old friend Finn, to join the Saviors, the mythic band of rebel teens. Her bliss fades when she discovers she is the only Savior without a special ability. She is the odd one out, slowly pushing Finn away, defying Damian, the leader of the Saviors, and antagonizing the fierce and beautiful Daphne. In her despair Freya reaches deep within to discover a dark destiny, a truth so heavy it threatens to destroy

her. THE DARK LEGION (Book 2) They have waited for her all these years, even before she was born. She lives hidden from their vulture-like drones, hidden in the dark, cavernous lair of her enemies. The unseen ones will come for her. They must come for her. Their very existence depends on finding her, the girl with the gift of light, of power, of life. Haunted by a past she does not understand, by a destiny they plan for her, Freya must leave the Saviors behind, leave Damian and Finn, leave even little Pip and embark on a perilous journey with a beastly warrior. She will venture out beyond the ends of the charted lands, risking all she holds dear to cross the dead zone to where the Dark Legion awaits. THE SHADOW EMPIRE (Book 3) They come from a noble legacy of wonder and discovery. They cut through wormholes, portals and anomalies like shadows skipping across a celestial sea. The hooded ones appear in an instant and disappear in a fraction. Every sleeping child fears a glimpse of their ghastly faces in their darkest dreams. The Shadow Empire is dying. Their struggle for survival has reached a final battlefield in the forests of a primitive planet called Earth. Freya, the hunted one, the most wanted fugitive in the history of the empire, wants to make everything right in her own dying world. She feels rage flowing through her fingertips. She feels her broken heart hungering savage ways. She must become like nothing the world has ever known to save Damian, to save the floating city, to save Finn and Pip and little Tobi, too, but with war looming, will she be able to save her own soul? Retribution Bob Anderson , On September 6, 2001, I was at Sheppard Air Force Base in Wichita Falls, Texas, attending a military function. That night I had a heart attack. I was released from the hospital on September 10, and my wife and I were scheduled to fly home the next day. That day was

September 11, 2001. On September 11, 2001, I remember driving across Texas and not seeing a single aircraft except those of the Air National Guard. That attack was designed to weaken us. It was designed to frighten us. What it did was make us mad and give us focus. Sadly, many Americans have returned to the mentality of the pre-9/11 days. But for a moment, a brief moment...we stood together. When I started Retribution, we were still searching for Osama bin Laden. In fiction, the TAC Team found him. In reality, it was the SEALs. In both cases, he got what he deserved. The way of the warrior is to be judged by whom you call friend, and by the worthiness of your enemy. One loved, one hated; hopefully, both respected. So here is TAC Leader-Retribution. It is from the warrior in me to the warrior in you. —Bob Anderson

The Bone Hunger Carrie Rubin, 2020-08-11 “This is just the ticket for Robin Cook fans.”—Publishers Weekly “An aptly crafted, riveting, and often unnerving mystery.”—Kirkus Reviews “gripping, involving, and hard to put down.”—D. Donovan, Senior Reviewer, Midwest Book Review Three and half years after a bizarre incident nearly derailed his life, Benjamin Oris is back on track as a second-year orthopedic surgery resident. With a son he adores, a circle of supportive family and friends, and a great shot at winning the Conley Research Grant, his future looks bright. But when the severed limbs of his former patients start turning up in Philadelphia parks, everything he’s worked for threatens to collapse. Covered in bite marks and bearing recent surgical implants, the hacked-off limbs heighten the anxiety among his already traumatized coworkers, many of whom survived a plane crash in Alaska the month before. Could someone they know be a killer? With the help of his CDC friend Laurette and her forensic-psychiatrist colleague, Ben must once again bury his skepticism and risk his career to uncover the monstrous force behind the gruesome murders. Before someone close to him becomes the next victim. *Although a standalone novel, *The Bone Hunger* is the second

book in the Benjamin Oris medical thriller series, where a man of science gets caught up in otherworldly situations.

Guarded Hearts C.L. Hadyn, 2019-04-12 Wren lifted a single teardrop from his face to study it. He didn't know what made him let the water works loose. Liar, liar, pants on fire his inner child chided. His eyes were leaking because he was confused and, okay, he was afraid. He yearned for what he suspected he would never achieve. He wanted a lasting relationship with Geordy. He wanted the idyllic family life Geordy had with the Campbells, and he wanted to be loved for himself, for being Wren and not a Marine Raider, not a mixed martial arts fighter, not a bladed weapons expert, just plain Wren who loved William Shakespeare, cuddles, and a keen wit to return his teases. He cried because he truly didn't believe those things were written in his stars.

In Two Minds Dr Sohom Das, 2022-03-10 AS SEEN ON THIS MORNING 'a fascinating and moving account of life working with people who too often society wants to forget' Dr Amanda Brown, author of THE PRISON DOCTOR 'excellent and enlightening' Jonathan Levi and Emma French, authors of INSIDE BROADMOOR 'thought provoking' Gwen Adshead, author of THE DEVIL YOU KNOW Shocking, eye-opening and grimly fascinating, these are the true stories, patients and cases that have characterised a career spent treating mentally disordered offenders. As a forensic psychiatrist, it's Dr Das's job to treat and rehabilitate what the tabloids might call the 'criminally insane', many of whom assault, rob, rape, and even kill. His work takes him to high-security prisons and securely locked hospital wards across the country, as well as inside courtrooms, giving evidence as an expert witness. From the young woman who smothered her two-year-old nephew in a flash of psychosis, to the teenager who set his house on fire with his mother locked inside, Dr Das must delve into the minds of these violent offenders to elicit their symptoms of mental illness, understand their actions and prevent future

atrocities. In this honest, revealing and at times humorous memoir, Dr Das shares stories from his fifteen years as a psychiatric doctor working with this dangerous clientele, detailing some of his most extreme, heart-breaking and bizarre cases - and how he's learned to live with his mistakes when the worse happens. Compelling, enlightening and candid, if you enjoyed *Unnatural Causes*, *Dark Side of the Mind* or *The Prison Doctor*, you'll love *IN TWO MINDS*.

Robert B. Parker's Colorblind Reed Farrel Coleman, 2018-09-11 Police chief Jesse Stone returns in the newest novel in Robert B. Parker's New York Times--bestselling series, and his newest case hits right at the heart of the Paradise police force. Jesse Stone is back on the job after a stint in rehab, and the road to recovery is immediately made bumpy by a series of disturbing and apparently racially motivated crimes, beginning with the murder of an African American woman. Then, Jesse's own deputy Alisha--the first black woman hired by the Paradise police force--becomes the target of a sophisticated frame-up. As he and his team work tirelessly to unravel the truth, he has to wonder if this is just one part of an even grander plot, one with an end game more destructive than any of them can imagine. At the same time, a mysterious young man named Cole Slayton rolls into town with a chip on his shoulder and a problem with authority--namely, Jesse. Yet, something about the angry twenty-something appeals to Jesse, and he takes Cole under his wing. But there's more to him than meets the eye, and his secrets might change Jesse's life forever.
