The Wishing Thread Lisa Van Allen, 2013-08-27 NEW YORK TIMES BESTSELLER • USA TODAY BESTSELLER "Reader to reader, knitter to knitter: You're going to love this book."—Debbie Macomber For fans of Jennifer Chiaverini and Sarah Addison Allen, *The Wishing Thread* is an enchanting novel about the bonds between sisters, the indelible pull of the past, and the transformational power of love. The Van Ripper women have been the talk of Tarrytown, New York, for centuries. Some say they're angels; some say they're crooks. In their tumbledown "Stitchery," not far from the stomping grounds of the legendary Headless Horseman, the Van Ripper sisters—Aubrey, Bitty, and Meggie—are said to knit people's most ardent wishes into beautiful scarves and mittens, granting them health, success, or even a blossoming romance. But for the magic to work, sacrifices must be made—and no one knows that better than the Van Rippers. When the Stitchery matriarch, Mariah, dies, she leaves the yarn shop to her three nieces. Aubrey, shy and reliable, has dedicated her life to weaving spells for the community, though her sisters have long stayed away. Bitty, pragmatic and persistent, has always been skeptical of magic and wants her children to have a normal, nonmagical life. Meggie, restless and free-spirited, follows her own set of rules. Now, after Mariah's death forces a reunion, the sisters must reassess the state of their lives even as they decide the fate of the Stitchery. But their relationships with one another—and their beliefs in magic—are put to the test. Will the threads hold? **BONUS:** This edition includes an excerpt from Lisa Van Allen's *The Night Garden*. Praise for *The Wishing Thread* "With deft needlework, a dash of folklore, and some good old-fashioned family angst, Lisa Van Allen knits together the threads of second chances, the pleasure of giving, the complications of sisterhood, and love. There's a bit of magic in *The Wishing Thread*, in the words and the story as well as in the yarn."—Meg Waite Clayton, author of *The Wednesday Sisters* "Rich in myth and mystery, *The Wishing Thread* explores the tangle that is being a woman—from family and friendship to romance and community. Prepare to be ensnared, enthralled, enchanted!"—USA Today bestselling author Christie Ridgway "The *Wishing Thread* is a lyrical, emotional, finely knit portrayal of three sisters struggling with love, magic and sacrifice. This is the best book I've read all year."—Lisa Verge Higgins, author of *The Proper Care and Maintenance of Friendship* "An intriguing story of three sisters tied by blood and a strange inheritance, each searching for a way to belong in that place where magic and life intersect. Wonderful!"—Shelley Noble, author of *Beach Colors* "Van Allen knits together this pleasantly entertaining tale as easily as the Van Ripper women knit together the often unraveling

threads of people's lives. . . . Chick-lit cozy meets magical realism with inevitably warm and fuzzy results."—Booklist "Fans of magical realism will want to pick up this enjoyable novel, which not only weaves magic through stitchery, but also weaves a realistic story about family and sisterhood and the threads that pull us back home."—RT Book Reviews Includes an exclusive conversation between Sarah Addison Allen and Lisa Van Allen. Brands of Faith Mara Einstein, 2007-09-14 In a society overrun by commercial clutter, religion has become yet another product sold in the consumer marketplace, and faiths of all kinds must compete with a myriad of more entertaining and more convenient leisure activities. *Brands of Faith* argues that in order to compete effectively faiths have had to become brands – easily recognizable symbols and spokespeople with whom religious prospects can make immediate connections Mara Einstein shows how religious branding has expanded over the past twenty years to create a blended world of commerce and faith where the sacred becomes secular and the secular sacred. In a series of fascinating case studies of faith brands, she explores the significance of branded church courses, such as Alpha and The Purpose Driven Life, mega-churches, and the popularity of the televangelist Joel Olsteen and television presenter Oprah Winfrey, as well as the rise of Kaballah. She asks what the consequences of this religious marketing will be, and outlines the possible results of religious commercialism – good and bad. Repackaging religion – updating music, creating teen-targeted bibles – is justifiable and necessary. However, when the content becomes obscured, religion may lose its unique selling proposition – the very ability to raise us above the market.

The Online Advertising Playbook Joe Plummer, Stephen D. Rappaport, Taddy Hall, Robert Barocci, 2007-07-20 Praise for The Online Advertising Playbook Finally, someone has documented all we know about online advertising and how to do it right. As much as this confirms that online advertising really works, we know that marketers don't always get it right. The ARF's The Online Advertising Playbook provides critical insight on what sticks and what doesn't in online advertising

and marketing. —Greg Stuart, CEO and President, Interactive Advertising Bureau and coauthor of *What Sticks* The Online Advertising Playbook's principles, case studies, and strategic insights equip marketers with the best knowledge available. It will help your online advertising achieve the full range of marketing objectives, from lead generation and customer acquisition to driving trial and loyalty.

—Tim Kopp, Vice President, Global Interactive Marketing, The Coca-Cola Company To grow interactive marketing from here we need to institutionalize our wisdom and experience about what works. This book explains, in a disciplined way, what marketers have learned from a decade of massive change.

—Ted McConnell, Interactive Innovation Director, Procter & Gamble The Online Advertising Playbook is a milestone in the maturation of interactive advertising, but also an invaluable go-to guide for managers trying to make smart decisions with their advertising budgets.

—Van Riley, Vice President of Research, AOL The best marketing communication is spawned from what I call 'informed intuition.' After reading *The Online Advertising Playbook*, I am far better informed on how to optimize the online channel in our advertising and promotional programs. It's a perfect blend of case studies and research-backed learning.

—Rod DeVar, Manager, Advertising and Promotion, United States Postal Service Savvy marketers should take advantage of *The Online Advertising Playbook*'s findings and principles to get real results.

—Chris Theodoros, Director of Industry Relations, Google A work of wisdom and rigor in the digital space that is as relevant for the newbie as it is for the digerati.

—Mike Donahue, Executive Vice President, American Association of Advertising Agencies This is a must-read for any marketing executive involved in online advertising. It's high time that a book looks at online advertising in the context of an integrative promotional strategy, one meant to set objectives, establish creative strategies, and measure results. The book nicely ties the various components of online advertising to relevant case studies, and the emphasis on measurement and results is refreshing. Not only is it relevant for marketing executives, it would also be a good basic text for any Internet advertising course and a good adjunct to any Internet marketing course.

—Henry Assael, Professor of Marketing, Stern School of Business, New York University

The Hundred Secret Senses Amy Tan, 2010-12-28 The wisest and most captivating novel (Boston Globe) from the author of the bestselling *The Valley of Amazement* and the new memoir *Where the Past Begins* Set in San Francisco and in a remote village of Southwestern China, Amy Tan's *The Hundred Secret Senses* is a tale of American assumptions shaken by Chinese ghosts and

broadened with hope. In 1962, five-year-old Olivia meets the half-sister she never knew existed, eighteen-year-old Kwan from China, who sees ghosts with her yin eyes. Decades later, Olivia describes her complicated relationship with her sister and her failing marriage, as Kwan reveals her story, sweeping the reader into the splendor and violence of mid-nineteenth century China. With her characteristic wisdom, grace, and humor, Tan conjures up a story of the inheritance of love, its secrets and senses, its illusions and truths.
