Yea, Alabama! A Rare Glimpse into the Personal Diary of the University of Alabama (Volume 2 - 1871 through 1901 Second Edition) David M.

Battles, 2018-07-27 The University of Alabama (UA) is one of the most prominent and fascinating universities in the United States. Volume One of this series explored UA's 1819 birth, its formative years, its burning by Union soldiers, and its subsequent rebirth in 1871. Volume Two introduces a number of important elements into the ongoing narrative, including: the University's continual hassle with the radical state government through 1877; a span of only seven years wherein three UA presidents either die in office or in Tuscaloosa shortly after resigning, creating a terrible period of psychological mourning that affected everyone associated with the University; the strict admission of women students, and the effect of this on the faculty, administration, and the cadets; and the establishment of student-written works including a journal, a newspaper, and a yearbook. The volume also looks at the history of unofficial student sports dating from the 1870s and the official birth in 1892 of a school-sanctioned athletic program for football and baseball, the germ of what would eventually be named the Crimson

Tide, including the first twelve rocky years of the program. It also explores the successful 1900 Student Rebellion against the military style of student government, a rebellion that would rock the very soul of the school, involving the state press, the legislature, the governor, the alumni, and the citizens of Alabama, and which witnessed the fall of the commandant and eventually of the president, thus wrenching the students out of their fluctuating but often sorrowful psychological state of mind into an ever-evolving psychology and experience of success.

White Oleander Janet Fitch, 2006-09-01 The unforgettable story of a young woman's odyssey through a series of Los Angeles foster homes on her journey to redemption. Astrid is the only child of a single mother, Ingrid, a brilliant, obsessed poet who wields her luminous beauty to intimidate and manipulate men. Astrid worships her mother and cherishes their private world full of ritual and mystery - but their idyll is shattered when Astrid's mother falls apart over a lover. Deranged by rejection, Ingrid murders the man, and is sentenced to life in prison. White Oleander is the unforgettable story of Astrid's journey through a series of foster homes and her efforts to find a place for herself in impossible circumstances. Each home is its own universe, with a new set of laws and lessons to be learned. With determination and humor, Astrid confronts the challenges of loneliness and poverty, and strives to learn who a motherless child in an indifferent world can become. Oprah Winfrey enjoyed this gripping first novel so much that she

not only made it her book club pick, she asked if she could narrate the audio release.

Chimes of a Lost Cathedral Janet Fitch, 2019-07-02 A young Russian woman comes into her own in the midst of revolution and civil war in this brilliant novel set in a world of furious beauty (Los Angeles Review of Books). After the loves and betrayals of The Revolution of Marina M., young poet Marina Makarova finds herself alone amid the devastation of the Russian Civil War -- pregnant and adrift, forced to rely on her own resourcefulness to find a place to wait out the birth of her child and eventually make her way back to her native city, Petrograd. After two years of revolution, the city that was

once St. Petersburg is almost unrecognizable, the haunted, half-emptied, starving Capital of Once Had Been, its streets teeming with homeless children. Moved by their plight, though hardly better off herself, she takes on the challenge of caring for these orphans, until they become the tool of tragedy from an unexpected direction. Shaped by her country's ordeals and her own trials -- betrayal and privation and inconceivable loss -- Marina evolves as a poet and a woman of sensibility and substance hardly imaginable at the beginning of her transformative odyssey. Chimes of a Lost Cathedral is the culmination of one woman's s journey through some of the most dramatic events of the last century -- the epic story of an artist who discovers her full power, passion, and creativity just as her revolution reveals its true direction for the future.

The Autobiography and Personal Diary of Dr. Simon Forman Simon Forman,1849

Osama Bin Laden's Personal Diary David Craig, 2006 Skulking in the caves along the Pakistan-Afghanistan border, the world's most wanted terrorist passes his days playing Monopoly, watching The Simpsons and Sex in the City, safeguarding his tub of yoghurt from a thieving comrade, phoning Mummy in Saudi Arabia, planning his Memorial Library, and fantasizing about having a passionate affair with either Laura Bush (with whom he is totally besotted), Cherie Blair or, should all else fail, the wife of his best friend. Bin Laden also has to cope with the stress of being hunted by US Special Forces, preventing his deputy from taking over as leader of al-Qaeda, fearing that he looks Jewish, and filming new video releases for his enemies. When he's not popping Valium, he spends time wondering if his arch enemy in the White House is as stupid as he seems-and deciding that he is. This book-a fascinating mix of fact and fiction-shows bin Laden obsessing about internet pornography (using such sites to send encrypted messages), watching the Athens Olympics (which he doesn't bomb because he's desperate to see Ian Thorpe and the synchronized swimming), and even dreaming of one day eating at the Carnegie Deli and shopping at Neiman-Marcus.

Journal Day's E. Meehan, 2018-07-28 This super cute journal features tons of room inside for writing notes, doodling, drawings and ideas. It can be used as a notebook, journal or small composition book for school or work. This paperback journal is 8 x 10 and has 100 pages that is lined ruled.

The Last Ticket Christopher Sharp, 2017-09-13 Steve and his family move more

than two thousand miles across the country to find a new beginning and remake their life together. Unfortunately, things didn't turn out exactly as they planned. After the money ran short and he still couldn't find work he went to a day labor office as a last resort. On his first day there, he meets an unusual man that takes a special interest in him. As the man tries to dissuade him from working for the company, Steve tries to figure out why, that's when things get weird.

The Bully Pulpit Doris Kearns Goodwin, 2013-11-05 Focusing on the broken friendship between Teddy Roosevelt and his chosen successor, William Howard Taft, a Pulitzer Prize-winning historian revisits the Progressive Era during which Roosevelt wielded the Bully Pulpit to challenge and triumph over abusive monopolies, political bosses and corrupt money brokers only to see it compromised by Taft. (This book was previously featured in Forecast.)
