Numerology for the New Age Lynn Buess, 1978 Our own vibrations and cyclical patterns are numerologically determined by our dates of birth and given names. By understanding these cycles, we can learn to more efficiently express our potential, human and divine. This volume concentrates more on the experiential value of numerology than the historical. Lynn Buess has come into national prominence since the success of his first book *The Tarot and Transformation*. His popularity as a speaker and instructor has taken him across the country many times to universities, churches, professional organizations, and New Age Centers of Light. He has appeared on numerous television shows and on radio talk shows from coast to coast. Although his work with Tarot and Numerology causes most people to associate him with symbolical studies, Lynn spends most of his time today working with various alternative metaphysical healing methods. Since his gift of healing awakened years ago, he has demonstrated and taught numerous techniques of psycho-spiritual healing. He is also the author of *Synergy Session(R)*, which teaches an entirely new system of multiple-level wholistic counseling/healing. Along with his national tours, he has taught courses on parapsychology, healing, Tarot, meditation, and self-awareness at several colleges and one university within the University System of Georgia. As a tireless worker, Lynn is dedicated to bringing sincere seekers into a deeper awareness of the LIGHT within.

A Little Bit of Numerology Novalee Wilder, 2019-10-22 A crash course in how to use the age-old spiritual and practical study of numbers in your own life, including calculating your essence and name vibration. Through the energetic power of numbers, it's possible to gain insights into the core of who we are and what specific gifts and challenges we are here to master. Practicing numerologist Novalee Wilder provides an overview of the ancient esoteric system of numerology, including its history and origins. A step-by-step guide shows

how to calculate your essence by examining the numbers one through nine, and using the results to explore your personality, understand essential life lessons, and figure out goals. Wilder also discusses the concept of name vibrations, the Numeroscope (a numerologist's greatest tool), understanding others through numerology (using famous figures throughout history as examples), and applying this knowledge to your daily life.

Numerology RoseMaree Templeton,2011-01-17 At 17, RoseMaree Templeton began her lifelong journey with numerology and Pythagorean theory, studying under her grandmother, Hettie Templeton, Australia's foremost numerologist during the 1940s and 1950s. Hettie Templeton worked for years among children and adults. In 1940 she wrote *Numbers and their Influence*, which she updated in 1956 with *A Philosophy of Numbers*. She realised her methods were unorthodox, but wrote and taught in the certainty that her knowledge could help parents to better understand their children. In *Numerology: Numbers and their Influence*, RoseMaree combines Hettie's teachings with her own insights and experience, written in an uncomplicated form for both beginners and serious students. RoseMaree's style is a return to the basics of self-help numerology. The clear, comprehensive explanations in this book show how to calculate and interpret the ruling number, day number, destiny number and personal year number for yourself, your family members and your friends. Learn how to draw up and read birthdate and name charts, arrows, and the pyramid charts that map peaks and troughs throughout the course of a

lifetime. Learn to understand the vibrational power of numbers to understand strengths and weaknesses, and those of others, and how best to take advantage of circumstances, favourable and unfavourable, that will occur during our lives. Comprehensive readings for well-known figures make fascinating reading as well as providing excellent guidelines for readers who want to take their numerology studies further.

Forever Numerology Lynn Buess, 2005-07-01 In *Forever Numerology*, Lynn Buess again takes a gigantic leap for numerology with extraordinary new insights and methods of interpretation. This volume will define new standards for years to come. You will be swept through transcendent realms of light and awareness, even as Buess's solid psychological base and down-to-earth reality keeps you centered right here in the present moment. Having practiced for decades as a psychotherapist, Buess has uncovered deeply repressed blocks and negative unconscious complexes in many of his clients. In this book, he works some of his insights for recognizing dysfunction into the interpretation of numerology in the hopes of awakening new seekers to the dark side of the self. Once you recognize this dark side, you have the possibility of working it out of your life. The interpretations and experiences presented in this book are given through the symbolic wisdom of the numbers. Truly, no complete volume can be written on any subject; however, the book you now hold comes closer than ever to portraying the evolution of consciousness through the symbology of numbers. It will be of help in your journey through life and in your search for the meaning of numbers.

Know the Personality of Your Child Neil Koelmeyer, 2016-12-23 We all want to understand the personalities of our children so that we may raise them to be productive and happy adults. In this simple reference guide, an experienced numerologist shares principles based on the science of numbers that lead parents, guardians, grandparents, and teachers through a fascinating process that reveals amazing accuracy in gauging personality traits. Neil Koelmeyer, who has vast experience conducting personal consultations and writing personality assessments, focuses on the three areas of influence most likely to provide an accurate personality portrayal: the child's birth day, birth month, and given name. While concentrating on answering the many questions parents may have about their child's temperament and future path in life, Neil guides others through the positive and negative aspects of each number and month, the importance of a child's name, common features that children sometimes share, and vibrations associated with numbers. Included is a helpful table that converts names into numbers as well as a list of conditions that may interfere with the accuracy of a personality assessment. Know the Personality of Your Child utilizes numerology principles to educate anyone involved in the upbringing of children to understand how birth dates, birth months, and given names help create the unique traits in each of us.
