Archaeologist and adventurer Matthew Connor has made a career of finding legends the world has all but forgotten. Though there's one in particular that has fascinated him for years—the Emerald Tablets. But if they fall

into evil hands, it could cause a global disaster. So when a former colleague stumbles across an ancient Egyptian hieroglyphic map that promises to lead to a pharaoh's tomb and the Emerald Tablets, there's no way he's turning down her invitation to join the dig. He only has one stipulation: his best friends Robyn Garcia and Cal Myers come with him. The road ahead isn't going to be an easy one, and their shared dream of recovering the Emerald Tablets is being crushed at every turn. And just when they think it's all over, they learn there are a few clues they have overlooked. But they're no longer the only ones searching for the Tablets.
