The Tragical History of the Life and Death of Doctor Faustus Christopher Marlowe, 2017-02-16 The Tragical History of the Life and Death of Doctor Faustus, commonly referred to simply as Doctor Faustus, is an Elizabethan tragedy by Christopher Marlowe, based on German stories about the title character Faust, that was first performed sometime between 1588 and Marlowe's death in 1593. Two different versions of the play were published in the Jacobean era, several years later. The powerful effect of early productions of the play is indicated by the legends that quickly accrued around them-that actual devils once appeared on the stage during a performance, to the great amazement of both the actors and spectators, a sight that was said to have driven some spectators mad.

28men Wayne Ward, 2009-10 Revenge was just one of the catalysts responsible for the disposal of the Australian Commonwealth Shipping Line to Great Britain. In reality the final sale was a gift to a conglomerate of British shipowners; five new passenger ships and two large special purpose vessels all that remained of 57 ships. Ships sold for little more than their scrap value with a small down payment followed by default. 28men depicts an explosive period of endemic industrial disputation, the near general strike that crippled New South Wales in 1917. During this volatile period of strikes, union power, political intrigues and a world at war, there emerged from near anarchy a conservative cohesion of political forces within the Australian government. A coalition of Nationalist and Country Party had ample justification to crush the union movement; the Moreton Bay debacle as flagship of the Sydney Harbour Regatta, the Bass Strait ferry Loongana near tragedy, and the doomed union struggle against the introduction of a foreign time and motion regime. On a permanent confrontational footing strode the Wobblies through the shambles, Industrial Workers of the World who fearlessly fought the establishment with sometimes disastrous results. Out of this turmoil a chance meeting in New York between a young Australian seaman and an I.W.W. organiser grew a love

story as turbulent as the period.
