A Girl Like Me Angela Johnson,2020-02-04 Once I dreamed I swam / the ocean / and saw everything deep, cool / and was part of the waves. / I swam on by the people / onshore / hollering, / 'A girl like you needs to / stay out of the water / and be dry / like everyone else.' Empower young readers to embrace their individuality, reject societal limitations, and follow their dreams. This inspiring picture book brings together a poem by acclaimed author Angela Johnson and Nina Crews's distinctive photocollage illustrations to celebrate girls of color.

Digital Culture & Society (DCS) Ramón Reichert,Annika Richterich,Pablo Abend,Mathias Fuchs,Karin Wenz,2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.

Storytelling with Collage Roxanne Evans Stout,2016-02-10 Every collage has a tale to tell. Tell

your story in paper, fabric, and objects collected from your world. Storytelling With Collage will inspire you to capture your poetic thoughts, fond memories and passionate daydreams in a soft and simple style. Using simple tools and supplies that delight you, you'll learn to work with a variety of prompts and will discover how each element you select--from small shells collected on your last trip to the pretty paper you unwrapped from a recent gift--has its own part of a complete narrative. Nine collage prompts will walk you step-by-step through a collage creation as you work with textured papers, fabric, stitching, found objects, images, natural materials, color, wax and metal. In addition, inside you will find: • Numerous Tasks--ideas for combing your world for collage fodder • Beautiful photos to inspire you to customize your own worktable • Perspective on finding inspiration outside your window through the seasons • Extra inspiration in each chapter from the Collage Stories and works by 25 contributing artists Capture the textures and colors of your moments today through your own Storytelling With Collage!

Paper Collage Workshop Samuel Price,2022-11-08 With Paper Collage Workshop, you can experience the joy of creativity as you use color swatches torn from magazines to transform photos into original collages. In addition to taking you through both foundational collage activities and

intermediate-level projects, this book introduces you to a unique analog-grid system, a color-based collage technique developed by the artist Samuel Price over the past 20 years. Whatever your age or skill level, you will be able to add focus and precision to your creations and turn life into art. Organized by level of difficulty, the book is designed to progressively build skills as you complete projects. Beginning with color-based lessons, you will learn how to use form and line, and then move on to create landscapes, abstracts, and pets. You will delight in completing beautiful projects you can frame and display in your own home. Color collage is a mindfulness practice. Like a coloring book, Paper Collage Workshop is a personal meditative experience that quiets and focuses the mind—a great way to experience some true peace as you create. Whether practiced and exercised in tiny doses or taken all at once, the process of making art is truly transformative and relaxing with Paper Collage Workshop.

Using Images to Teach Critical Thinking Skills Diane M. Cordell,2015-11-10 Learn how to teach

visual literacy through photography—an easy way for you to combine student interest with resources at hand to enhance a key learning skill. Research indicates that 75 to 90 percent of classroom learning occurs through the visual system, making visual literacy a key component of information literacy and of critical thinking—a requirement throughout the Common Core standards. It's no surprise then that visual literacy is increasingly recognized as a competency that should be part of every student's skill set. Fortunately, this critical skill can be incorporated into existing curriculum, and this book shows you how to do just that. Written for K–12 classroom teachers and librarians, this all-you-need-to-know volume discusses the importance of visual literacy in education and examines how it helps address current learning standards. The book shows you how to use photography and digital images to cultivate critical thinking, inquiry, and information literacy; provides examples of the use of photographic images in the classroom and in real life; and addresses how students can be ethical practitioners in a digital world. In addition, the book includes sample lessons you can easily implement, regardless of your level of technical and photographic expertise. A resource list of photo editing, curation, and museum sites is included.

Making A Photo Collage Canvas I Stephen Peace,2023-11-27 I show my process of using 4 by 6 printed photos and adding them to a used canvas. This makes a unique photo collage canvas. I can then sell the individual collage and the giclee image of the canvas. Many of my enhanced photos I have developed over years and like showcasing them in these photo collages. Every time I print them off I can select from thousands of my enhanced images. It makes the process new every time I do it.

Magical and enchanting photo collages Peder Fjordvang,2018-03-16 This book is a presentation of the photographer Peder Fjordvang's photo collages. The pictures are made from the photographer's own photos, which are then compounded to a new reality. The photo collages are rooted in both the surreal and the symbolic, but also have essential elements of expressionism. Many collages have gained inspiration from adventure and imagination. So there are many interpretations for each collage. See the pictures and choose your own interpretation and throw yourself into the adventure universe's filled with anything from the depths of the souls.
