It's still fun, though--aside from some disruption by a couple doing more sipping than painting. Jill's police-detective boyfriend is on alert, but a designated driver volunteers to take the drunken pair back to their bed and breakfast, and everything seems resolved. Until the wife's body turns up the next morning back in the studio. The victim, Nan, is from out of town, so it's hard to imagine who'd have a motive aside from her spouse. Now, in between puzzling over her fortuneteller neighbor's strange behavior, preparing for her best friend's wedding, and pouring cups of java at the bookstore, Jill must uncover the secrets of Nan's life and find out who wanted her out of the picture . . .--Publisher description.

Metamorphosis Franz Kafka, 2021-03-19 Franz Kafka, the author has very nicely narrated the story of Gregor Samsa who wakes up one day to discover that he has metamorphosed into a bug. The book concerns itself with the themes of alienation and existentialism. The author has written many important stories, including "The Judgement", and much of his novels "Amerika", "The Castle", "The Hunger Artist". Many of his stories were published during his lifetime but many were not. Over the course of the 1920s and 30s Kafka's works were published and translated instantly becoming landmarks of twentieth-century literature. Ironically, the story ends on an optimistic note, as the family puts itself back together. The style of the book epitomizes Kafka's writing. Kafka very interestingly, used to present an impossible situation, such as a man's transformation into an insect, and develop the story from there with perfect realism and intense attention to detail. The Metamorphosis is an autobiographical piece of writing, and we find that parts of the story reflect Kafka's own life.
