Nā Hale Pule Robert Benedetto,2024-02-29 With historical sketches of some 165 churches that were known to exist in Hawai‘i during the nineteenth century, Nā Hale Pule: Portraits of Native Hawaiian Churches, 1820-1900 is the first comprehensive survey of the Congregational and Presbyterian Churches of Hawai‘i as established by the American Board of Commissioners for Foreign Missions and later operated by Ka ‘Ahahui ‘Euanelio o Hawai‘i (The Hawaiian Evangelical Association). While many of these churches were first led by missionary pastors, the ali‘i (hereditary chiefs) founders of the churches together with their membership and congregational leaders were predominately Native Hawaiian. Worship services were soon led by Native Hawaiian pastors and were conducted in ‘ōlelo Hawai‘i (Hawaiian language). This study draws upon the official archives of the churches, English-language newspaper articles, missionary and pastoral correspondence, and a twentieth-century architectural survey. The body of this work includes an island-by-island listing of the names and locations of the Native Hawaiian churches, the pastors who served the congregations, and brief histories of the churches themselves. These portraits tell the stories of the founding of the churches, Christianity’s rise in the islands through the Great Revival years of the 1840s, the devastating impact of foreign diseases that swept through Hawai‘i during the mid-nineteenth century, and the efforts of the churches to maintain their properties and congregations. The book's introduction describes the founding of mother and branch churches, the importance of the lands on which the churches resided, church construction and builders, the struggle for self-support and self-governance, demographic changes that led to the churches’ decline, and a resurgence of Native Hawaiian culture and polytheism that caused understandings of faith and the future to further evolve. Also included are a chronology of Native Hawaiian churches, a robust glossary of Hawaiian theological vocabulary, and meticulous citations. This volume is a companion to Nā Kahu: Portraits of Native Hawaiian Pastors at Home and Abroad, 1820-1900, by Nancy J. Morris and Robert Benedetto, which tells the stories of the lives of Native Hawaiian pastors.

The Ukulele Handbook Gavin Pretor-Pinney, Tom Hodgkinson, 2013-01-01 The ukulele has gone from strength to strength in recent years, undergoing a massive resurgence. You can hear the uke all over the place, from trendster indie rock to top ten pop songs, from unshakeable TV ads to YouTube megahits. And this obsession shows no sign of abating - all over the country people are picking up a ukulele and starting to strum, at home, in classes and down at the pub. Schools are even replacing the faithful recorder with a jazzy, inexpensive uke. Famous idlers Gavin Pretor-Pinney and Tom Hodgkinson have spent hours idling away on their ukuleles to produce the ultimate uke handbook: an illustrated guide to its history crossed with a how-to guide and songbook. This is the book that will bring the underground movement into the mainstream. The first half of the book delves into the rich history of this eccentric little instrument, from its birth in Hawaii to its popularity across the world, with a timeline from 1879 to today and a ukulele hall of fame that includes George Formby, Hawaiian legend Israel Kamakawiwo'ole and YouTube ukulele superstar Jake Shimabukuro. Then on to the practicalities: the anatomy of the ukulele, which uke to buy, how to play it, how to strum, pick, read chord charts and tune the strings. Once you know all this, you can get playing the songbook, which includes a wide spread of songs from medieval lays and nursery rhymes to blues and rock 'n roll. Beautiful presentation and tab notation make reading the music easy, even for beginners. With the highest production values, a light touch and an irresistible instrument at centre stage, this book is a must-have for all aspiring Formbys.
