Trauma and Recovery Judith Lewis Herman, 2015-07-07 In this groundbreaking book, a leading clinical psychiatrist redefines how we think about and treat victims of trauma. A stunning achievement that remains a classic for our generation. (Bessel van der Kolk, M.D., author of *The Body Keeps the Score*). Trauma and Recovery is revered as the seminal text on understanding trauma survivors. By placing individual experience in a broader political frame, Harvard psychiatrist Judith Herman argues that psychological trauma is inseparable from its social and political context. Drawing on her own research on incest, as well as a vast literature on combat veterans and victims of political terror, she shows surprising parallels between private horrors like child abuse and public horrors like war. Hailed by the New York Times as one of the most important psychiatry works to be published since Freud, Trauma and Recovery is essential reading for anyone who seeks to understand how we heal and are healed.

Recovery Russell Brand, 2017-10-03 A guide to all kinds of addiction from a star who has struggled with heroin, alcohol, sex, fame, food and eBay, that will help addicts and their loved ones make the first steps into recovery "This manual for self-realization comes not from a mountain but from the mud...My qualification is not that I am better than you but I am worse." --Russell Brand With a rare mix of honesty, humor, and compassion, comedian and movie star Russell Brand mines his own wild story and shares the advice and wisdom he has gained through his fourteen years of recovery. Brand speaks to those suffering along the full spectrum of addiction--from drugs, alcohol, caffeine, and sugar addictions to addictions to work, stress, bad relationships, digital media, and fame. Brand understands that addiction can take many shapes and sizes and how the process of staying clean, sane, and unhooked is a daily activity. He believes that the question is not "Why are you addicted?" but What pain is your addiction masking? Why are you running--into the wrong job, the wrong life, the wrong person's arms? Russell has

been in all the twelve-step fellowships going, he's started his own men's group, he's a therapy regular and a practiced yogi—and while he's worked on this material as part of his comedy and previous bestsellers, he's never before shared the tools that really took him out of it, that keep him clean and clear. Here he provides not only a recovery plan, but an attempt to make sense of the ailing world.

Photo Finished Christin Brecher, 2022-10-25 “Brecher pens a twisty-turny, witty and wonderful, mysterious romp through New York City that was a pure delight to read. Liv Spyers is the sassy and warmhearted amateur sleuth we'd all like to be, and it's a pleasure to join her as she follows the clues through her sharp-eyed photographer's lens. Highly recommend this mystery, which is sure to please.” –New York Times bestselling author Jenn McKinlay The first in Christin Brecher's new cozy mystery promises photo taking fun—and satisfying sleuthing—set in New York City, featuring Liv Spyer, a millennial sleuth sure to charm readers who are young and young at heart. “Brecher has a winner with this new series that will delight cozy mystery readers!” –Abby Collette, author of *A Killer Sundae* Liv Spyers' greatest joy is taking photographs of people and the world around them . . . until a shocking murder forces Liv to develop investigative skills using her keen eye . . . While some people escape into books or music, Liv Spyers escapes through her camera's lens, which inspires her to jump into things she might otherwise have no business tackling—like moving to New York City. Hustling to make her dreams come true as a portrait photographer, she runs a pocket-sized studio below her grandparents' West Village brownstone and key shop, where she also lives and works part-time. All of which still has her down to the end of her savings as the holidays approach. Everything changes in a flash, however, when elite events photographer, Regina Montague, invites Liv to shoot with her at New York City's most exclusive socialite event of the year—the Holiday Debutante Ball! Liv snaps at the opportunity, convinced that a job with Regina will launch her career. But when her fabulous new gig ends with the murder of billionaire Charlie Archibald, her dream job may never develop with Regina framed for murder. Once Liv begins to focus on her photos from the ball, she's convinced they reveal Charlie Archibald's real killer. Now, between cracking the world of high society—and the attentions of a handsome stranger—Liv must hustle once again to expose the killer . . . before she gets cropped from the picture! “From F-stops to the F-train, Liv's expert eye makes her the ultimate cozy detective in Christin Brecher's *Photo Finished*. Photographer Liv Spyers and her trusty camera lens charms readers (and the NYC elite) without ever losing focus on the investigation. Expert composition and timing culminates in a portrait of a complex mystery!” –Olivia Blacke, author of the *Brooklyn Murder Mysteries*

British Indian Picture Postcards in Bengaluru Emily Stevenson, 2023-12-18 Combining ethnographic and archival research, this book examines the lives of colonial-period postcards and reveals how they become objects of contemporary historical imagination in India. Picture postcards were circulated around the world in their billions in the early twentieth century and remained, until the advent of social media, unmatched as the primary means of sharing images alongside personal messages. This book, based on original research in Bengaluru, shows that their lives stretch from their initial production and consumption in the early 1900s into the present where they act as visual and material mediators in postcolonial productions of history, locality, and heritage against a backdrop of intense urban change. The book will be of interest to photographic historians, visual anthropologists, and art historians.
