Michigan Simply Beautiful , 2003 Darryl R. Beers was raised with a deep appreciation for the natural world, which still shapes his approach to photography. Native Michigander Mark S. Carlson has been photographing all corners of the Great Lake State for more than two decades. This oversized volume combines their separate approaches to Michigan's settled and wild sections in a beautifully produced album of color landscape photography.

Views of Michigan Thunder Bay Press, 2013 Views of Michigan gives readers a glimpse into the beauty of Michigan seen through the camera lenses of local photographers. From the upper and lower peninsulas to the Great Lakes, from iconic sites

Disco Bill Bernstein, 2016-11-22 The deluxe edition of *Disco: The Bill Bernstein Photographs* is limited to 100 signed and numbered copies. This collector's item includes a signed photograph exclusive to this edition and is presented in a bespoke slipcase. Containing many previously unpublished photographs, *Disco* takes the viewer on an access-all-areas tour of late-'70s New York nightlife. Who were these people of the night...? It was the Posers. The Watchers. The Posers watching other Posers watching the Watchers, watching the Dancers, watching themselves. Bernstein's eye was drawn to the characters that lived for the night, rather than the celebrities, the unknown men and women who were transformed by the nightclub haze, and this is one reason his photographs from this time feel so authentic and immersive.

The Veiled Web Catherine Asaro, 2022-09-27 "A near-future layering of East and West, of religion and technology . . . and of love and its loss—all woven into an intriguing tapestry." —Diana Gabaldon, bestselling author of the *Outlander* series Winner of the Homer Award for Best Science Fiction Novel A renowned prima ballerina, Lucia

del Mar is far more comfortable expressing herself through dance than with words. Shy and introverted, she spends most of her spare time on her laptop. Still, Lucia's job forces her out of her comfort zone, which is how she winds up at a White House reception where she meets Rashid al-Jazari, the wealthy CEO of a multinational corporation. Although attracted to him, Lucia can't help but feel awkward and shrugs off their encounter as a one-time event. Not realizing he feels a similar attraction, she never imagines Rashid will seek out her performances; he is the last person she expects to see when her dance company travels to Italy. Their reunion takes an even more unexpected turn when they're both drugged and kidnapped. Although they overcome their abductors, it leaves them stranded in North Africa. For her own safety, Lucia agrees to marry Rashid, at least for the time being. As she recovers at his family compound in Morocco, reeling from their brush with danger, she struggles to fit into a culture she knows nothing about—and to deal with her growing feelings for Rashid. At the same time, at his secret office there, Rashid is developing a dramatic leap forward in artificial intelligence combined with virtual reality. He finds himself plunged into a fight for control of his work against powerful international forces, and caught in the middle, Lucia is swept into that battle . . . "A terrific novel, ripping a path from today's headlines to tomorrow's realities." —Robert J. Sawyer, Nebula Award-winning author

The Blonde Geisha Jina Bacarr, 2014-08-01 The

early summer of 1892 brought a heavy rainy season that year in Japan. Plum Rain, the Japanese called it, because it comes when the fruit bulges with ripeness and promise. Like a young girl reaching womanhood. A girl like me. In the ancient Japanese tradition of beauty and grace, sex and erotic fantasies are hidden secrets that only a select few may learn, and which are forbidden to foreigners. But when a threat to her father's life puts her own in jeopardy, young Kathlene Mallory is sent to live in safety at the Tea House of the Look-Back Tree, where she is allowed to glimpse inside the sensual world of the geisha. During the years of her training in the art of pleasuring men, Kathlene's desires are awakened by the promise of unending physical delights, and she eagerly prepares for the final ritual that will fulfill her dream of becoming a geisha – the selling of her virginity. The man willing to pay for such an honor, Baron Tonda, is not the man for whom Kathlene carries a secret longing, but he is the man who will bring ruin to the teahouse, and danger to Kathlene, if he is disappointed....
