A Fun Day with Grandma Rick Blesi, 2016-04-15 A FUN DAY WITH GRANDMA offers a new interactive way to connect a grandparent with a grandchild. Each 20 page, colorfully illustrated soft-cover story book comes with seventy-two photo face stickers of a grandmother and a grandchild. An amazing connecting moment occurs when face stickers are used to tell family stories with pre-school grandkids (ages 2 to 5). These personalized sticker books let grandparent and grandchild create their own customized book about their awesome adventures together! We don't use a child's name but rather photo stickers of their faces to tell their stories, as facial recognition is much better than just a name. When each story page is read, the grandchild 'sticks' photo face stickers of themselves and grandma to re-create fun experiences they've had together. The reading experience becomes very interactive and personal as stories are told from a young child's perspective. Our books create great memories and a real connection between a grandparent and grandchild. They also help young children remember grandparents they may not see often. Lastly, they are a great keepsake book that kids love to read over-and-

over again, as they are the star in their own book! To place an order, visit the Sticking With Family website (www.stickingwithfamily.com). We ask you to upload a face photo each of the child and adult who are main characters of your book. After selecting your best face photos, you'll use our sticker editing tool to create perfect face images that are uploaded to us. It's very simple! When your order is received, we print 36 photo stickers of the child's face and 36 stickers of the adult's face. Then, we mail them to you with your very special book. Grandkids will always remember grandparents, even when they're not together. It's a great way to keep long-distance family members connected, especially grandparents! We also offer a FUN DAY WITH GRANDPA story book which has the same format and is available on our website. Additional family member books will follow shortly!

Asleep (Drifting) Book One Dessiree Perez (Cover Artist) ,2021-11-04 A poignant and compelling story of extreme child abuse, betrayal, adolescent trauma, and an early life spent in a never-ending flux of changing environments and survival. Born in the small town of Espanola, New Mexico—Robert had the furthest thing from a happy childhood. He lived with Lucinda, his mentally unstable and highly abusive mother, and his younger siblings. He also had another sister who was given up for adoption by his mother, resulting from his mother's profligate promiscuity with the several men that caught her fancy. Enduring his narcissistic mother's abuse and constant relocation for most of his childhood and early teenage years, Robert found comfort in the unconditional love of his grandmother and his Aunt Betty. Forced to deal with the fallout of his mother's frustration with life and her poor taste in men, Robert shielded himself from his rough childhood with alcohol, introduced to him at the age of five by one of his mother's several boyfriends. The

alcohol turned into a habit and stay with him for forty more years! Disturbing yet captivating, Robert spares no detail, no matter how sordid, of his childhood and early teenage experiences—from youthful and sometimes life-threatening exuberance to juvenile romance that shaped his worldview on people and love. Profoundly personal and palpably raw, *Asleep(Drifting)* is a touching story about the resilience of a child's spirit in the face of extreme physical and mental abuse and highlights the power of personal agency and self-forgiveness on the road to recovery from childhood trauma. “ASLEEP ~ DRIFTING, Is an AMAZING true account of a son who is doing his best to survive his childhood. His so-called “Mother,” Lucinda, is cruel and brutal, to say the least. Such a GREAT read! Bravo to Robert Paul for giving us insight into his life.” -Kathie Kitagawa, Office Manager / Chiropractic Assistant “Robert Paul takes you through a journey that gives you a plethora of emotions. I was sad, scared, happy, and angry for him, and so on. His story pulls you in and has you living his experience right along with him. This book will stay with me for quite some time.... A must-read!” -Barbara Davies, Retired Retail Supervisor / 20 years “I’ve read this amazing book! I can’t wait to read the next two. This is an awesome story of a boy growing up in horrendous circumstances and a man who managed to put aside Everything that happened to him to reach his full potential. Truly an inspiring tale for today’s world.” -Elizabeth Ayers, Author of Historical Westerns and Contemporary Romance
